# MY COOKERY

By MISS RUTH CHAMBERS.

The ingenious cook is the one who can give a flair to leftovers which will lift them right into the class of family favorites. One of the loveliest ways I know to make use of leftover meat is in timbales. Here's a recipe you'll want to file, for it's one of those extremely convenient foundation recipes—one of those that by a change

here and there means a different dish. **Timbales.** One-half cup bread crumbs, 1 cup milk, 1 cup chopped cooked meat, 2 eggs, 1 tablespoon lard, 1-2 teaspoon salt, 1-8 teaspoon pepper, 1-8 teaspoon paprika. Melt the shortening, add bread crumbs and milk and cook 5 minutes, stirring constantly. Remove from the fire, and add chopped meat, salt, pepper, paprika and eggs, slightly beaten. Mix well and pack into greased individual molds. Set in pan of hot water in a moderate oven (350 degrees F.) and bake about 25 to 30 minutes or until firm. Turn out on hot platter and garnish each timbale with a bit of parsley or watercress. Serve with white sauce, tomato sauce or a drawn butter sauce.

Any leftover meat is a timbale possibility. Serve with any one of the score of white sauce variations behind an entirely new meat dish turned out from this same basic recipe! And even hash may enjoy the prestige of being different when it is made according to the following recipe. **Spanish Hash.** One and one-half cups chopped cooked meat, 1-2 cup rice, 3 cups canned or cooked tomatoes, 1 or 2 green peppers—seeded and chopped, 1 medium sized onion—chopped, 2 tablespoons shortening, 1 teaspoon salt, 1-4 teaspoon paprika. Cook rice in tomatoes until tender. Brown chopped pepper and onion in shortening, add chopped meat, salt, paprika, tomatoes and rice. Cook in a hot, greased frying pan until one side is brown. Turn like an omelet. Serve on a hot platter, garnished with slices of hard cooked eggs and parsley.

**Creamed Meats.** Any food seems to go farther when creamed; cream sauce is a fine extender, emergency or otherwise. And it's not beyond creamed left-over meat to make a nonchalant appearance if a few dress up tricks are played before it arrives at the table. For meats, use a medium white sauce prepared by combining 2 tablespoons butter with 2 tablespoons flour and adding 1 cup milk and the seasonings. A drop of Worcestershire sauce gives a satisfying flavor for the meat. Mushrooms dress up any meat and a few added to creamed left-over meat is no exception. Diced or sliced pimiento adds an interesting color note and when served on toast triangles or in patty shells or rusks, creamed meat is out of the realm of left-overs. For a further extender, diced hard-cooked eggs are a great help when the left-over meat isn't in itself quite enough to go around.

**Meat Pie.** Of course always there's the meat pie solution. Simple, tasty and highly tasty. Make a gravy sauce and combine with the diced meat. Then mix a baking powder biscuit dough, drop by spoonfuls over the meat and bake in a hot oven (450 degrees F.). Just for a change from plain meat pie, sometime add potato and carrot balls with the meat. When you'd like an extra zesty dish, include a few small onions.

**Meat Shortcake.** Two cups biscuit mixture, milk, 2 cups diced cooked meat, 2 cups medium white sauce. Add enough milk to the biscuit mixture to make a soft dough. Divide the dough in two parts and roll both about 1-2 inch thick. Place in greased pan, butter the bottom layer and cover with the other half. Bake at 400 degrees F. for 25 minutes or until brown. Split the shortcake. Heat meat with cream sauce and put between layers and over top of the shortcake.

When you wish an attractive meat dish that doesn't fairly shout economy and leftover, try this stuffed loaf. **Stuffed Loaf with Meat Filling.** Two cups cooked meat, 1 loaf bread, 4 tablespoons butter, 2 tablespoons minced onion, 2 tablespoons chopped green pepper, gravy, salt and pepper, dash nutmeg. Slice all the crust off of the bread. Hollow out the inside leaving a 1-inch wall. Spread the outside of the loaf with half of the butter. Grind the meat. Brown the onions and green peppers in the remaining butter and add the meat, seasoning and enough gravy to moisten. Fill the loaf with the meat mixture and cover with a layer of buttered crumbs. Place in a hot oven (400 degrees F.) until well browned, 20-25 minutes. Serve hot with gravy or unadorned hot tomato soup.

**Ham Loaf in Cider Jelly.** For that leftover baked ham, try ham loaf in cider jelly. It's a cold meat that's nice for Sunday night, but welcome any day for either lunch or dinner. Two cups baked ham cut in small cubes or slices, 1 cup raisins, 4 cups cider, 1-2 teaspoon salt, 2 packages lemon flavored gelatin, 4 whole cloves, 4 tablespoons brown sugar. Soak raisins in cider until plump; add cloves, sugar and salt and bring to boiling point. Pour over gelatin and stir until entirely dissolved. Remove cloves and chill. When it begins to thicken add the ham. Mold in loaf pan and chill until firm. Serve in slices.

**L. B. PASCHAL OFFERS TO BUY CITY'S F. I. FAS.** L. B. Paschal, in a letter addressed to the mayor and council, yesterday offered to buy \$500,000 worth of the city's 1936 f. i. fas. provided he was granted a 3 per cent discount, it was announced yesterday. The city last sold its f. i. fas. in 1934 when a discount of 1.4 per cent was granted the purchasers. It was not announced when council will consider the Paschal offer.

## EDUCATION GROUP TO HEAR SAVANT

Dr. Thomas Alexander, On Tour of State, Will Speak Here.

Dr. Thomas Alexander, president of New College, Columbia University, will address the morning session of the

Fifth District Education Association meeting at 9:30 o'clock tomorrow at the Fulton High school. The meeting opens at 8 o'clock this afternoon. Dr. Alexander is on a tour of the state. Other speakers will be J. Harold Saxon, president of the Georgia Education Association; Dr. M. D. Collins, state school superintendent, and Professor R. P. Brooks, dean of the school of commerce, University of Georgia. The Friday afternoon session will

be in a series of departmental meetings, with the high school principals association meeting together and the elementary principals and the elementary classroom teachers and the Child Education Association holding a joint meeting in the main auditorium. **MEDICAL EXAMINERS HEADED BY ATLANTA** Dr. J. L. Howell, of Atlanta, yes-

terday was elected president of the state board of medical examiners. Dr. D. T. Rankin, of Alto, was named vice president. Dr. R. C. Coleman is joint secretary of examining boards. Dr. Harold F. McDuffie, of Atlanta, named recently by Governor Talmadge to succeed the late Dr. J. M. Baird, of Columbus, attended the session. Four applicants for certificates to practice medicine presented themselves for examination.

## KREUGER COLLATERAL SELLS FOR \$9,418,041

NEW YORK, Oct. 29.—(AP)—Another chapter in the stranger-than-fiction career of the late Ivar Kreuger, "match king," was concluded today with the sale for \$9,418,041 of collateral behind the signed debentures of his principal holding company, Kreuger & Toll.

about \$57,000,000, was mostly in obligations of foreign governments, including Germany, Rumania and Latvia. It brought, in spirited auction bidding, \$912,840 more than the minimum price of \$8,505,200 met by the New York supreme court. Kreuger committed suicide in Paris in March, 1932, and within a few days his huge "match empire" crumbled, bringing huge losses to investors.

## 15-Mill Tax Limitation Discussed By Leading Proponents and Foes

J. Harold Saxon, president of the Georgia Education Association, and J. J. Thompson, editor of the Carroll County Times, yesterday announced their opposition to the proposed 15-mill tax limitation amendment while Alvin Cates, president of an Atlanta real estate firm, and J. Clay Murphy, of Bibb county, asked its passage in the general election Tuesday.

"This proposed amendment is recognized as the most serious threat which the common schools of the state have ever faced," Saxon said in a statement issued by the Georgia Education Association, the Georgia Federation of Labor, the Georgia Municipal Association and the Association of County Commissioners of Georgia, which oppose the amendment.

"If it passes it will mean retarding the progress of our schools 20 years," Saxon said. "It will mean that long years of work and struggle on the part of the people to improve educational opportunities for their children will be wiped out in a day."

Saxon is superintendent of schools in Brooks county, of which Quitman is the county seat. He stated that adoption of the amendment will mean a loss of \$25,000 to the schools of that city and county in addition to a loss of \$25,000 in revenue which the county commission now has to operate public services such as the health department, police, jails and roads and bridges. Should the amendment pass, this county, as well others, will have

to curtail its services to meet the loss, he said.

"The claim that tax limitation is for the protection of wealthy citizens is absolutely without foundation," Cates declared. "The wealthy citizen whose wealth is composed of stocks and bonds doesn't have to fight taxation. He simply moves to another state with more favorable tax laws. In fact, we have lost many such citizens from Atlanta within the last few years. Each time a citizen leaves Georgia the load becomes that much heavier on those who remain. When citizens move from the city to the county the load increases on those remaining in the city. It is significant that the principal activity in residential real estate in the Atlanta area today is the sale and building of homes outside the city limits."

**Sets Definite Load.**  
"If tax limitation is passed, the owner of real estate will know definitely his annual tax load. The owner of a business will know his tax load, and the owner of stocks and bonds will know his tax load and it will be in line with the tax load of other states on this type of property. There will be little, if any, incentive for such citizens to continue to leave Georgia," he said.

Saying that Georgia is the only state which has not modernized its tax laws, Cates asserted the foundation for such a move will be laid with the adoption of the 15-mill limitation. Editor Thompson assailed the amendment saying, "the famous Philadelphia lawyer would find trouble clearly interpreting what this amendment means. It is enough to say in opposition that it takes the legitimate powers of the counties and cities away from them and gives that power to the general assembly. Just why the proponents of this measure should

deem it necessary to centralize the functions of the counties and towns and confer them upon the legislature is rather difficult to understand." He said the amendment means higher taxes for farmers and homefolks and lower taxes for nonresident property owners.

"As it stands today," Murphy said, "the people who own real estate are paying unfair confiscatory taxes to educate the children of those who pay little or no taxes. There is ample wealth in Georgia to adequately support the schools and a constitutional amendment is absolutely necessary. To kill this amendment is to block additional support for the schools and to continue for another two years all hope for a fair tax system." He said he had up fear that the legislature will not support the schools if the amendment is passed.

closing stages and it is necessary that we get our contributions to national headquarters at once," the director said. "Radio and advertising fees are piling up and unless Georgians do their part the campaign will wind up with a deficit."

Dr. Dorsey stressed the fact that both Tennessee and Alabama already have exceeded their quotas and Georgia is far behind the goal set for this state.

Station WATL in Atlanta, owned by J. W. Woodruff, prominent Columbus Democrat, yesterday began a series of three radio appeals for assistance. The second of the series will be at 8:30 o'clock tonight and the final broadcast at 8:15 o'clock tomorrow night.

## FUND DRIVE REPORTS REQUESTED BY DORSEY

Prompt Remittance of Gifts to Democratic National Campaign Urged.

Cam D. Dorsey, state finance director for the Democratic party, yesterday called for reports from county and district chairmen in order that the bulk of funds raised in Georgia may be forwarded to New York for use in the closing days of the campaign.

"As everyone knows the campaign is costing a tremendous sum in its

## MRS. SIMPSON PICKS EXPENSIVE WARDROBE

Continued From First Page.

London this winter she will be dressed with extreme modesty.

Many of the gowns will have classical lines—no fluffy frills, no eccentric effects.

She patronized an American couturier who came to Paris from Chicago several years ago and attained enormous success in the French capital.

She crosses from London several times a year to choose new clothes and her latest order, which has just been filled after requiring virtually the full time—even overtime—of the corps of workers, includes a smart "week" costume of brown wool.

The skirt is made straight and short and is worn with a tailored, fitted jacket of the same brown wool, while a blue Angora blouse, which just matches her famous eyes, is tailored and fitted on the same lines as the jacket.

For afternoon she chose a gown of black crepe which is made with a draped bodice and a plain, flaring skirt. The only trimming is a wide belt which is embroidered in green and white to match embroidery on the cuffs of the sleeves.

This attractive American woman, whose clothes are drawing more attention than those of Hollywood movie stars, has a taste so simple it is severe when it comes to evening gowns. In this connection Paris dressmakers recalled that Edward VIII has never liked flashiness in clothes of women who have been in his company.

Mrs. Simpson almost inevitably dresses in black in the evening. She selected in her newest wardrobe a black crepe classic evening gown worn with a short bolero jacket of the same material. The gown is made with low-cut decollete in the back. The bolero is edged with a band of pearl embroidery and the hem of the skirt is edged with the same costly material.

This gown is what is known as a double-duty dress and can serve as a cocktail or dinner dress when worn with the jacket that hides the cutaway back.

Mrs. Simpson added a new touch of color to her winter wardrobe by ordering a gay evening gown edged with a piping of gold. This gown, which is fitted very closely to her shoulder figure, is finished with a small train of black satin, edged in gold.

Mrs. Simpson, now in London, will return to Paris next week to order another wardrobe, supplementing this one, the United Press learned.

## EDWARD IS REPORTED AT FAVORITE'S HOME

Continued From First Page.

Although it was past time for "lights up," the car was in darkness.

A policeman patrolling in front of the Simpson home openly ignored this violation of the law, but he paid close attention to the writer, following him along the street.

The hall of No. 16 was brightly lighted. The drawing room also was lighted with the shades half drawn. A moment later the drawing room shades were drawn down full length.

A little later the chauffeur went to the front door, spoke to someone and then resumed his vigil at the door.

It was impossible to see with whom he conferred, as the policeman gave signs of becoming belligerent and the correspondent was forced to pass on.

Fashionable London is waiting eagerly to see if the king and Mrs. Simpson will appear together in public after without the company of others, or if their known meetings only will be at parties where other guests are invited.

## Twins in Style Parade at Garden School

Stunning is the word to apply to the twin sisters shown above with Miss Margaret McFarland, as they displayed the latest styles for the entertainment and advice to the audiences at The Constitution's three-day garden school, which closed yesterday at the Atlanta Woman's Club. And that is the word the audience applied to the scores of Sears costumes shown in the daily parade of models. The twins are Mildred and Marion Hollingsworth. Staff photo.

## Garden School Attendance Prize Won by Grant Park Woman's Club

By ANNIE LOU HARDY, Constitution Staff Writer.

The award of prizes featured the closing session yesterday of The Constitution's third annual semi-annual garden school, held with marked success for the past three days at the Atlanta Woman's Club. The grand prize of \$25 offered by The Constitution to the local garden club registering the largest number of members present for all three days was won by the garden division of the Grant Park Woman's Club, of which Mrs. J. V. Wilson is chairman. The aggregate percentage of attendance for the period was 80.5.

To the Virginia Avenue Garden Club went The Constitution's daily prize of \$15 for the largest number of members present on yesterday, with a percentage of 123. Mrs. Byron Matthews is president of this club. The Grant Park club's garden division won the prize on Tuesday for registering the largest number of members on that day.

Mrs. W. R. Allgood is president of the Grant Park Woman's Club. In introducing yesterday's topic for discussion, which was "Wild Flowers," Mrs. Fletcher Pearson Crow, director of the highly successful school, said: "I love my subject for today. No other flowers mean quite so much to me as the wild flowers, and I think that is because I understand them."

Duties of Wild Flowers. By way of explanation she declared that, though wild flowers contribute much beauty to the world, beauty is not their sole reason for being. They are a part of the scheme of things, a part of the plan of creation, and they have many duties to perform. For instance, they offer protection to man and animals—protection from floods sometimes, protection from dust storms in some areas and protection from drought in others. Perhaps you did not know trees give off oxygen, which is the reason for the reason that we breathe.

As for their service to man, every wild flower is tied up in the creative plan with some insect, according to Mrs. Crow. This connection, of course, is for the sake of pollination, the brilliant colors of the flowers are not just to delight the human eye. Rather they are for the purpose of attracting birds and bees and other insects by means of which the reproductive plan is carried out. The odors of the flowers serve for the same purpose, that of attracting the insects which form a link in their circle of propagation.

Mrs. Crow particularly stressed the conservation of wild flowers and urged her listeners to join in the national fight to preserve for America her wild growth and wild life. "Wild flowers are sensitive plants," she said, "and most of them are much better left in their woodland haunts where everyone can enjoy them. They do not like to be moved." She continued, "for their root systems are not planned for removal and they are not accustomed to cultivation."

Location Likes. However, if you feel you just must have a wild flower in your garden, take care to give the plants the same kind of location as the natural habitat in which you found them. If you move them from shady dells be sure to plant them in the shade. If they formerly grew in a moist place you may be sure they want moisture in their new home. For the same reason, those with long tap roots require a dry place to thrive, as do those with woody or hairy surfaces. Plants with many small roots like woody areas and you should take care to give them leaf mould.

The best way, of course, to obtain your wild flowers is to buy seed from your reliable seedsmen and there are many who now include such seed in their stocks. They should always be planted in the soil in which they were found in their natural state. Wild flowers drop their seed in the fall. Most of these seeds require leaf mould, mixed with sand for the sake of drainage, or peat moss. But do not fertilize them and do not work them. They are unaccustomed to being fed and also to being cultivated.

Rich in Native Plants. "Georgia is marvelously rich in wild flowers," continued Mrs. Crow. "In fact there are five zones in the state, each of which produces a wealth of different types of flowers. Of the 16 known varieties of azaleas, 10 of them grow naturally in Georgia."

And in connection with the tenth variety, there is an interesting story which Mrs. Crow related to her audience. It seems that this azalea, the baby of the family, was discovered in recent years in North Georgia by C. D. McKay, of Cleveland, Ga., who was formerly engaged in the forestry service and is a connoisseur of native plants. He was very enthusiastic and pleased over his discovery

of hearing such an outstanding horticultural authority speak on the subject of creating beauty.

Attractive Stage Setting. The attractive stage setting for the lecture was made possible by the Hogginsville Nursery which contributed shrubs for a background planting, and by Duffie-Freeman Company, which contributed the furnishing, a complete set of sun parlor furniture.

Preceding Mrs. Crow's appearance, Sears presented a smart revue of practical autumn fashions under the direction of Miss Helen Kilpatrick, advertising director, and Miss Sara Barnes, guest announcer. The announcement and award of a number of valuable prizes concluded the morning's program.

Thus came to a close another chapter in the venture offered to Atlanta for civic and aesthetic advancement, which is fast becoming a monument to The Constitution's characteristic generosity and its reputation for leadership. Atlanta's answer to the venture is the splendid attendance which has featured each session of the three-day garden school, and to which The Constitution points with pardonable pride.

THOMAS COCHRAN, 65, MORGAN AIDE, PASSES

Continued From First Page.

An interview attributed to him on sailing for Europe added some \$80,000,000 to the value of the common stock of General Motors.

His reported remark to a ship news reporter that the stock of the motor company "should and will sell at least 100 points higher" brought a buying stampede on the floor of the New York Stock Exchange which was almost without precedent.

Qualified Remarks. Later, in a wireless dispatch form the ship, he qualified his remarks, causing a violent rush of selling. His statement said the interview had not been authorized. He added he had merely talked "with enthusiasm of the earnings, management and prospects of General Motors Corporation."

He was active in philanthropy as trustee of the New York Association for Improving the Condition of the Poor and of the Milbank Memorial fund. During the depression he helped relief fund drives.

He was the holder of several foreign honors, including the rank of chevalier in the French Legion of Honor. In New York he was a member of the Yale, the Union League and the Lin's Club.

Cochran married Miss Martha A. Griffin on September 30, 1910. She died May 7, 1914. He is survived by a sister, Mrs. Arthur H. Savage, of St. Paul and a brother, William Cochran, of Englewood, N. J.

## NEGRO SOLDIER HELD IN BENNING ATTACK

FORT BENNING, Ga., Oct. 29.—(P)—Army officials announced today the arrest of a fugitive negro soldier who had been hunted since October 2 for an ax attack on Captain Frank S. Bowen.

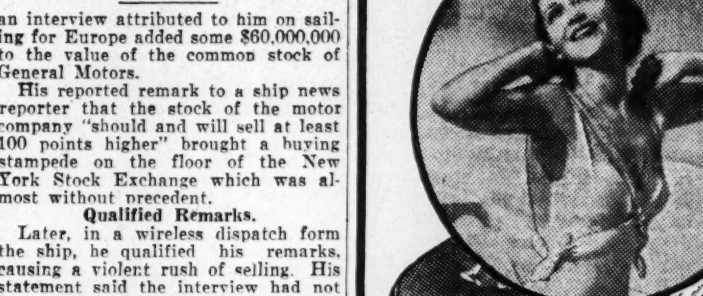

Under military law, the soldier is subject to trial on charges of assault with attempt to murder, assault and battery, attempted larceny and house-breaking. The charges carry maximum sentence of 32 years. An early trial is expected.

One avocado tree will yield 1,000 pears.

Many new and valuable uses for glass have recently been discovered by research workers.

Are You Guarding Your Child THIS WAY—Asking Your Doctor About Home Remedies You Use?

Practically every mother knows the physician's rule. Don't give your child unknown remedies without asking your doctor first. Children's specialists give this warning continually. And educators and writers on child welfare repeat it everywhere.

When it comes to the widely used children's remedy—"milk of magnesia"—many doctors for over half a century have said "PHILLIPS' Milk of Magnesia is the standard of the world. Safe for children. Made by an original process in a laboratory devoted solely to making this important remedy; there is no other 'quite like it.'"

Keep this in mind, and say "PHILLIPS' Milk of Magnesia" when you buy. Comes now, also in tablet form. Tablets that taste like peppermint candy, and that contain the equivalent of the liquid Phillips' Milk of Magnesia. Get the form you prefer. But see that what you get is labeled "Genuine Phillips' Milk of Magnesia." 25¢ for a big box of tablets.

PHILLIPS' MILK OF MAGNESIA

Also in TABLET FORM: Each tiny tablet is the equivalent of a teaspoonful of genuine Phillips' Milk of Magnesia.

Are You Guarding Your Child THIS WAY—Asking Your Doctor About Home Remedies You Use?

## \$1,422,200 IS ALLOTTED FOR FARM ELECTRICITY

### 12 Georgia Co-operatives Receive Grants From U. S., Cocks Announces.

Twelve Georgia co-operatives have received allotments totaling \$1,422,200 from the federal government for rural electrification projects, Erie Cocks, Georgia director of the National Emergency Council, said yesterday. The construction will involve 1,335 miles and serve 7,190 customers, Cocks said. He based his figures on a survey as of October 7.

The projects are divided into three groups:

1. Five projects completed, under construction or with contract specifications approved, totaling \$671,200 for 642 miles of lines serving 3,794 customers.
2. Two projects for which loan contracts have been executed, totaling \$102,000 for 86.2 miles of lines serving 603 customers.
3. Five projects for which allotments only have been approved, totaling \$649,000 for 606 miles of lines serving 2,613 customers.

The individual projects were listed as follows:

First Group—Georgia Power and Light Company, \$108,200; Crisp County Farmers' Cooperative Association, \$60,000 (contract executed for only \$50,000); North Georgia Electric Membership Corporation, \$375,000; Toombs County Rural Electrification Association, \$54,000, and Troup County Rural Electrification Corporation, \$74,000.

Second Group—Rayle Electric Association, \$12,000, and Snapping Shoals Power and Light Company, \$80,000.

Third Group—New Deal Power Association, \$83,000; Colquitt County Rural Electric Company, \$275,000; Co-operative Association (Carroll County), Rural Electric Company, \$118,000; Walton Agricultural Association, \$90,000, and Douglas County Electrification Committee, \$83,000.

George H. McBride, 52, operator of a grocery at Lyons, Ga., for many years, died yesterday afternoon at a private hospital in Atlanta, at the age of 52.

He is survived by his wife; two sons, George H. McBride Jr. and Elliott McBride; a brother, John McBride, and four sisters, the Misses Fannie and Ida McBride, Mrs. Sims Sikes and Mrs. J. M. B. McGregor.

Final rites will be held at 3 o'clock (E. S. T.) this afternoon at Lyons, with H. M. Patterson & Son in charge.

### NIGHT SCHOOL TO GIVE FIRST DANCE TONIGHT

First of a series of three dances will be given by the Central Night School tonight at the Atlanta Woman's Club under the auspices of the student council. The holiday frolic will be in the form of a Halloween dance and will start at 9 o'clock.

The dances are to be a part of the celebration of Central Night school's silver jubilee and will be sponsored by the student council.

### END THE FEEL-PUNK, DRAG-FOOT DAYS

Dull headaches, poor appetite, sleeplessness are warning signs. You feel low—batter to work. These symptoms may point to constipation due to "low-bulk" meals.

Why throw these days out of your life—particularly when regular habits make you feel so good. Get "bulk" by eating a delicious cereal: Kellogg's ALL-BRAN.

There's nothing experimental about ALL-BRAN. Millions of people have used it successfully. Scientific tests prove it is safe and effective. Within the body, it absorbs moisture, forms a soft mass, gently cleanses the system. ALL-BRAN is guaranteed. Try it a week. If not satisfactory, your money will be refunded by the Kellogg Company.

Just eat two tablespoons daily. Stubborn cases may require ALL-BRAN often. Serve as a cereal, or cook into delicious recipes.

What an improvement over pills and drugs. ALL-BRAN is a food—you buy it at the grocery store. Made by Kellogg in Battle Creek.

## Chest Drive Leaders Learn of Camp Fire Girls' Work

Continuing their efforts to learn the necessities of Atlanta's needy, leaders of the General Stores division of the Community Chest campaign are shown above discussing the work done by the Camp Fire Girls, one of the Chest agencies, preparatory to taking the Chest story to thousands of employers and employees of this division of Atlanta business. From left to right, W. E. Beresford, G. B. Sisson, Mrs. Millard Beals, of the Camp Fire Girls, and W. Z. Turner.

## FIGHT STARTS TODAY TO RETURN WHITAKER

### Hearing for Alleged Kidnaper of Son Is Scheduled at Houston.

Frank B. Whitaker Jr., wanted in Atlanta on charges of kidnapping his son, will be given a hearing today before the United States commissioner at Houston, Texas, preliminary to efforts to bring him here with the boy, Frank B. Whitaker III.

State extradition papers agreeing to the father's return to Atlanta have been signed by the Governor of Texas.

No word has been received in Atlanta from Fulton County Policemen Cal Cates and H. H. Green, who have gone to the Texas city to return Whitaker and his son. They were to report to Atlanta if they encountered difficulties.

Whitaker is divorced from his wife, who was awarded custody of the child. The father, it is charged, kidnapped the boy a week ago.

WHITAKER LOSES PLEA AGAINST EXTRADITION

HOUSTON, Texas, Oct. 29.—(AP)—Lieutenant Governor Walter Woodul, acting chief executive of the state, late today declined to consider a plea for the revocation of an extradition order for the removal of Franklin P. Whitaker Jr. from Texas to Atlanta.

Whitaker is charged in Atlanta with kidnapping for bringing his 7-year-old son from Georgia to Houston.

The revocation plea was presented to the Lieutenant Governor by Andrew Buckner, Whitaker's attorney. The request of Georgia for the extradition was granted Wednesday in Austin by Governor James V. Allred before he left the state for New Mexico.

Two Atlanta officers arrived in Houston today with the state extradition order. They have not arrested Whitaker.

### MOTORCYCLE RACER VOWS 'NEVER AGAIN'

Dismissed from Grady hospital yesterday after several days of orthopedic treatment for a badly broken left arm, fractured shoulder, cut lip and multiple abrasions, Todd Haygood, veteran Atlanta motorcycle speedster, said "he is quitting the game and will stick to four-wheeled gasoline buggies, or else get a bicycle."

Haygood crashed on the Lakewood oval last Sunday when his motorcycle struck a bottle as he was traveling at 85 miles per hour.

## BOARD 'DISAGREEMENT' IS ADMITTED BY HECK

### Highway Bureau Rift on Policy Not Personal, Says Member.

A "disagreement on matters of policy" between himself and his two colleagues on the board was admitted yesterday by Commissioner John Heck, of the Highway Department.

There is nothing personal in our differences," the Marietta board member declared. "I voted against letting a contract for machinery the board proposes to buy to one firm, but the other members voted against me."

The Heck statement came after Chairman W. E. Wilburn and Commissioner Max L. McRae, of McRae, denied there is a rift existing.

Meanwhile the state Law Department began preparing an answer to an injunction action against the board which is set for a hearing before Superior Judge J. H. Hawkins at Marietta November 28. A temporary injunction halting the purchase of the \$500,000 worth of equipment was issued by Judge Hawkins at the request of D. B. Blalock, of the Blalock Machinery & Equipment Company, of Atlanta.

The board has agreed to let the contract for the machinery to Morgan & Company, of Savannah.

Blalock said yesterday he planned to carry his fight on the deal to the supreme court "if necessary."

## GRAND JURY TO MAKE PRESENTMENTS TODAY

### Final Witnesses in Probe of Prison Privileges Yet To Be Heard.

Investigation of special privileges allowed Fulton convicts in prison camps will be continued this morning by the September-October grand jury as it prepares to return its final recommendations in Fulton superior court some time today.

The grand jurors are to question several more witnesses in connection with prison privileges in addition to the routine business this morning, before the recommendations are turned over to Judge John D. Humphries and the jury discharged at the end of its two-month term.

With sensational developments expected as the result of the prison camp probe, the jury is also scheduled to make recommendations concerning prison segregation, Atlanta traffic, enforcement of health laws in Atlanta, the condition of affairs in Fulton county, and suggestions to either create the position of "permanent grand jury representative," or arrange "staggered" grand jury terms.

A possibility that one or more prison camp officials will be indicted for allowing special privileges to certain convicts in return for "gifts" has been hinted since the George Harsh-Mark Chastain "joyride" from Bellwood camp brought on the investigation.

Four bills of indictment naming Harsh and Chastain as the result of their "French leave" from Bellwood, have been drawn.

Judge Humphries will discharge the jury and Monday morning will charge and swear in the November-December grand jury.

## Retail Business Group Organizes Two Divisions for Chest Campaign

Atlanta's great retail business army responded Thursday to the needs of less fortunate families by organizing two strong divisions in the most inclusive Community Chest campaign Atlanta has ever had.

P. D. MacQuiston and A. L. Zachry are heads of these divisions which will carry the story of the Chest service to all employers and employees in this major division of Atlanta's civic life.

Alvin B. Cates, general campaign director, announced both of these divisions had completed primary organization and were ready to work for complete participation in the campaign that reaches its climax between November 16 and Thanksgiving Day.

**Real Leadership.**

"As these campaign divisions draw in real leadership in each field, we become more certain this will be the most successful campaign Atlanta has ever had," Mr. Cates said.

"This campaign will reach more people than ever before, the story of the Chest being told by friend to friend and associate in allied business, industrial and professional groups.

The slogan: "We can do more this year" is going to be given a real meaning."

**Stores Organization.**

Mr. MacQuiston is director of the General Stores Division. His organization includes the following:

L. L. Austin, Thomas W. Moore, associate directors.

Department Stores: Harold L. Eberle, Nesbit Tilley and Presley Yates.

Electrical Merchandise: Edward F. Yancey, Mitchell W. Edwards, Thomas H. Fulton and R. M. Cleeland.

Furniture: Thomas C. Dickson, Clarence Haverly, J. W. Johnson and C. M. Bolen.

The county schools also have set up an organization in Mr. McClatchey's division. It includes Mrs. R. D. Osterhout, president of the Fulton County Teachers' Association; Paul D. West, principal of Russell High school and Miss Mary Neal Shannon, supervisor.

## Fair, Sisk Assigned To Gang in Paulding

### If Fred Fair remarries Wife No. 2 it won't be in a Fulton tower cell.

The prison commission yesterday assigned him and William Sisk, also under life sentence, to the state highway prison camp in Paulding county.

Two weeks ago Fair sought a court ruling permitting him to marry the wife he wed in Oklahoma while a fugitive. The order never came through and now if Fair remarries No. 2 the setting will be a chain gang camp from necessity.

Fair, whose death sentence was recently commuted by Governor Talmadge, is under sentence for the murder of Patrolman J. E. McDaniel, of the Atlanta police force. Sisk, whose death sentence was also recently commuted, is under sentence for the murder of David Lord, Center Hill filling station operator, during a holdup.

## 3 PRISON GUARDS FACE TRIAL TODAY

### Committee To Decide Fate of Trio After Public Hearing.

Three city prison guards who face discharge for reported laxness in discipline enforcement at the Hilliard street negro prison will present their cases before the prison committee of council in a public hearing at 3:30 o'clock this afternoon at the prison. It was learned yesterday.

Guards who will fight to hold their jobs this afternoon are L. A. Dickerson, W. C. Andrews and G. C. Duncan. A fourth guard cited under the charges, George Tumin, may have a public hearing this afternoon if he so desires, Councilman George B. Lyle, chairman of the committee, said yesterday.

One guard was discharged but the three decided to contest the reports and force proof of charges before they accepted discharge. Tumin has made no statement either way.

## SECOND APPLICATION FILED BY TIFTON BANK

### New Move for Charter Made After Court Blocks First Paper Offered.

A second application for a charter for a state bank at Tifton, to replace the application rejected by former Superintendent of Banks R. E. Gormley, was filed yesterday with Secretary of State John B. Wilson. The application was made by Mrs. Susie T. Moore, who is expected to withdraw the first such application which is now being contested in the courts.

Gormley was replaced by R. R. Tipton as superintendent. The new superintendent sought to obviate the court action by granting approval to the application but the court took the matter under advisement regardless. The new application provides for the Farmers' Bank of Tifton whereas the former application was for the Tifton State Bank.

Under the law the application must be filed with the secretary of state who refers it to the banking department.

## ROOSEVELT LANDSLIDE REPORTED AT EMORY

President Roosevelt won an overwhelming victory over opposing candidates in the Emory University straw vote announced in yesterday's issue of The Wheel. He received three-fourths of the total ballot. Governor Landrum was second with 13 per cent, Norman Thomas third with 7 per cent, and William Lemke received the other 5 per cent.

Candidates showed their greatest strength as follows: Roosevelt, faculty; Landrum, law school; Thomas, theology school, and Lemke, library school. A total of 807 votes were cast.

## 7 HERBS OF HEALTH

Only Red Cross Liv-O-Med contains the 7 herbs of health to quickly, thoroughly rid the system of impurities, increase needed antiseptic bile flow, aid nature, speed digestion and thus add energy. ## Governor Landon's Madison Square Garden Speech

NEW YORK, Oct. 29.—(AP)—The text of the address by Governor Alfred M. Landon, Republican nominee for president, in Madison Square Garden tonight, follows:

We are drawing to the end of a great campaign—a campaign that transcends all party lines. Tonight I am here, not alone as the representative of a great party; I am here as the representative of a great cause—a cause in which millions of my fellow citizens are joined—a cause in which Democrats, Independents and Republicans are fighting shoulder to shoulder.

### BASIC PRINCIPLES OF POLITICAL CREED

Let me begin by restating the basic principles of my political creed. I believe in our constitutional form of government—a government established by the people, responsible to the people, and alterable only in accordance with the will of the people.

I believe in our indivisible Union of indestructible states.

I believe in the American system

of free enterprise, regulated by law. I believe in the liberty of the individual as guaranteed by the constitution.

I believe in the rights of minorities as protected by the constitution.

### BELIEVES IN LIBERTIES IN BILL OF RIGHTS

I believe in the liberties secured by the Bill of Rights and in their maintenance as the best protection against bigotry and all intolerance, whether of race, color or creed.

I believe in an independent supreme court and judiciary, secure from executive or legislative invasion.

I believe that in the future, as in the past, the hopes of our people can best be realized by following the American way of life under the American constitution.

I believe in the principles of civic righteousness exemplified by Theodore Roosevelt and I pledge myself to go forward along the trail he blazed.

In the light of this creed I have already outlined my stand on the chief issues of the campaign. Tonight I am going to review my position and contrast it with that of my opponent.

It is fitting that I should start with the problem of agriculture. Your city of New York is the greatest market for farm products in the country. As consumers you want an ample supply of food at fair prices. As wage earners you need the buying power of a prosperous farm population.

### AGRICULTURAL WELFARE IS INDUSTRIAL WELFARE

The welfare of agriculture is also the welfare of industry. A fair adjustment between the two is not a matter of politics, it is a matter of national necessity.

Now let us look at the record. In direct defiance of the 1932 Democratic platform, which condemned the unsound policy of crop restriction, the Triple A was enacted. The Triple A restricted agricultural production by 36,000,000 acres.

This administration has rewarded scarcity and penalized plenty. Not only has it failed to correct the basic ills of agriculture, it has added to them. I am from a great agricultural state and I know.

I know how this program dislocated our agricultural system. I know, for instance, that almost overnight, it forced the southern farmer out of cotton into crops competing with the north and west. It led him into dairy farming and the raising of livestock. This affected not only the farmer of the north and west. It also affected the farmer of the south, who lost a large part of his cotton export market.

Luckily for this administration the full damage of its program has been hidden by the droughts.

Government has a moral obligation to help repair the damage caused to the farmer by this administration's destructive experiments. Farming, by its very nature, cannot readjust itself as rapidly as industry to the after effects of economic planning. During the period of readjustment, and until foreign markets are re-

opened, the government must help the farmer.

### REPUBLICANS PROPOSE SOUND LAND POLICY

We can do this without violating the constitution. We can do this without imposing such burdens as the processing tax upon the consumer. We can do this within the limits of a balanced budget. And don't forget I am going to balance the budget.

The Republican party also proposed a sound long-term program of conservation and land use. This is the only permanent solution to the farm problem and is essential to the preservation of the nation's land resources. We propose to stop muddling and meddling and to begin mending.

And what does the President mean to do for agriculture? Is he going to continue the policy of scarcity? The answer is: No one can be sure.

Now let us turn to industry. What was the basic declaration of the Democratic platform of 1932? It was that the anti-trust laws—the laws protecting the little fellow from monopoly—should be strengthened and enforced.

And what did the administration do? It created the NRA. This law gave the sanction of government to private monopoly. It endorsed the vicious policy of price-fixing. It disregarded the interests of 130,000,000 Americans as consumers. It attempted to tell every businessman, large and small, how to run his business.

The NRA was the direct opposite of the American system of free competition. It was an attempt to suppress the free market with Washington dictation. And what happened? Monopolies prospered and a little New Jersey pants press went to jail.

I am against private monopoly. I am against monopolistic practices. I am against the monopoly of an all-powerful central government. And while the Triple A restricted agricultural production by 36,000,000 acres, the NRA was intended to see that the anti-trust laws are strengthened and enforced without fear or favor.

I intend to see that government business never again starts choking business. I intend to see that American initiative has a chance to give jobs to American workers. And I intend to broaden the market for American products by encouraging freer interchange of goods in world trade.

And what program does the President propose for industry? He proposes to free initiative at Chicago on a Wednesday and to plan economy at Detroit on a Thursday. One day the President's son says the NRA will be revived. The next day the President's son says it will not. When the President was asked about the NRA last Tuesday in a press conference he said: "You pay money and you take your choice." What does he mean?

The answer is: No one can be sure.

Growing out of the troubles of agriculture and industry is the intensely human problem of unemployment. What is the record on this?

**11,000,000 HUNTING WORK, LANDON SAYS**  
In 1932 the President said that 11,000,000 Americans were looking for work. Today, according to the American Federation of Labor, there are still 11,000,000 Americans looking for work. Yet the President boasts of recovery—in one city in terms of a baseball game and in another city in terms of a patient he has cured.

These fellow citizens of ours can and will be re-employed. There is no need for one-fifth of our working population to be condemned to live an economic world apart. There is more than enough to give jobs to all the unemployed. This work will start just as soon as uncertainty in government policies is replaced by confidence.

There can be no confidence when the government is proud of spending more than it takes in.

There can be no confidence when the government creates uncertainty about the value of money.

There can be no confidence when the government threatens to control every detail of our economic life.

There can be no confidence when the government proclaims that the way to have more is to produce less. In short, there can be no confidence while this administration remains in power.

**LANDON OUTLINES PROPOSED COURSE**  
As chief executive I intend to follow a course that will restore confidence. I intend to be open and above-board on the policies of my administration.

I intend to throw out all plans based on scarcity. I intend to put an end to this administration's policy of "try anything once." The time has come for a steady hand at the wheel.

And what does the President propose to restore confidence? Another "breathing spell"? The answer is: No one can be sure.

Of course re-employment cannot come overnight. In the meantime those in need must have relief. Consider the administration's record here.

The Democratic platform in 1932 condemned the "improper and excessive use of money in political activities."

In defiance of this pledge we have had an outrageous use of public money for political purposes. Public funds appropriated for relief have been used in an attempt to buy the votes of our less fortunate citizens. But it will not do them any good. The votes of the American people are not for sale.

As chief executive I intend to see that relief is purged of politics. There is ample money in this country to take care of those in need. When I am president they will be taken care of. This is the plain will of the American people.

And what does the President propose to do about relief? How does he propose to free the victims of the

### depression from political exploitation?

### CHARGES PENSION PLAN GIVES NO SECURITY

The answer is: No one can be sure.

In a highly industrialized society we must provide for the protection of the aged.

The present administration claims it has done this through its social security act. But the act does not give security. It is fundamentally wrong. It assumes that the American people are so improvident that they must be compelled to save by a paternal government.

Beginning next January 1, workers, no matter how small their wages, will have their pay docked—they will have their pay docked for the purpose of building up a phantom reserve fund—a fund that any future congress can spend any time and for any purpose it sees fit.

I cannot understand how any administration would dare to perpetrate such a fraud upon our workers.

The Republican party proposes to replace this unworkable hodge-podge by a plan that is honest, fair and financially sound. We propose that the fund for security payments shall be provided as we go along. We propose that they shall be obtained from direct and specific taxes widely distributed. We propose that all American citizens over 65 shall receive whatever additional income is necessary to keep them from need.

**WORKERS WILL PAY AFTER JANUARY 1**  
I repeat: The workers will start to pay for the present plan next January 1. They will pay as wage earners through a direct deduction from their pay. They will pay both as wage earners and consumers through the tax levied on their employers' pay rolls. And don't forget the American people. The Democratic attorney general of New York admits this. Last March, he said that a tax on employers' pay rolls, although levied on the employer, will be—and I quote—"shifted either to wage earners or consumers or both."

And what does the President propose to do about these taxes? Is he going to continue a plan that takes money from workers without any assurance that they will get back what they put in?

The answer is: No one can be sure.

Since the NRA was declared unconstitutional—that there has been some improvement in business.

But there has been no reduction in the total of government spending. In the year ending last June the federal government spent nearly \$4,000,000,000. This is an all-time peace-time high.

We will spend this year over \$400,000,000 more for the ordinary routine expenditures of government than in 1934. And we will spend \$1,500,000,000 more for relief than in 1934.

**NEW AGENCIES HAVE BEEN CREATED**  
Under this administration 75 new agencies have been created. Two hundred and fifty thousand additional employees have been foisted on the taxpayers. The federal pay roll has reached the staggering sum of \$1,500,000,000 a year.

As I said at Chicago, any one at all familiar with what has been going on could almost count on the fingers of one hand foolish experiments the government could cut out and save at least \$1,000,000,000 any time it wanted to.

I pledge myself to put an end to extravagance and waste. I pledge myself to stop the policy that glorifies spending. I pledge myself to balance the budget.

And what is the President going to do? Is he going to stop his policy of spending for spending's sake?

The answer is: No one can be sure.

I come finally to the underlying and fundamental issue of this campaign. This is the question of whether our American form of government is to be preserved.

Let us turn once more to the record.

The President has been responsible for nine acts declared unconstitutional by the supreme court.

He has publicly urged congress to pass a law, even though it had had reasonable doubts as to its constitutionality.

He has publicly belittled the supreme court of the United States.

He has publicly suggested that the constitution is an outworn document.

He has retained in his office men outspoken in their contempt for the American form of government.

He has sponsored laws which have deprived states of their constitutional rights.

Every one of these actions—and the list is by no means complete—strikes at the heart of the American form of government.

**PEOPLE GIVE LIFE TO CONSTITUTION**  
Our constitution is not a lifeless piece of paper. It is the underlying law of the land and the charter of the liberties of our people. The people, and they alone, gave it life. The people, and they alone, have the right to amend or destroy it. Until the people in their combined wisdom decide to make the change, it is the plain duty of the people's servants to keep within the constitution. It is the plain meaning of the oath of office that they shall keep within the constitution.

Our federal system allows great leeway. But if changes in our civilization make amendment to the constitution desirable, it should be amended. It has been amended in the past. It can be amended in the future.

I have already made my position clear on this question. I am on record that if proper working conditions cannot be regulated by the states, I shall favor a constitutional amendment giving the states the necessary powers.

And what are the intentions of the President with respect to the constitution? Does he believe changes are required? If so, will an amendment be submitted to the people, or will he attempt to get around the constitution by tampering with the supreme court?

The answer is: No one can be sure.

**MORE THAN MATERIAL RECOVERY IS WANTED**  
We want more than a material recovery in this country. We want a moral and spiritual recovery as well. We have been allowing material things to obscure the great religious and spiritual values. But life is more than bread. Character is the supreme thing. We have been weakening those very qualities upon which character is built. It would be tragedy if in our attempt to win prosperity we should lose our own souls. It would be an overwhelming disaster if we should forget that it is righteousness that exalteth a nation.

Forty-eight hours from tonight, standing where I am standing, there will be a president of the United States. He will be seeking re-election.

A little more than 48 hours after he has spoken, the American people will be streaming to the polls. Here once again I ask him to speak what is in his mind. It is his duty, not only as President, but also as an American, to tell us what his

### purposes and intentions really are.

It is the duty, as it is my duty, to trust the "combined wisdom of the people." For the constitution, which he swore to uphold, stands squarely on the "combined wisdom of the people." When the ballot speaks, it speaks the "combined wisdom of the people."

The people of this country will not trust a man who does not trust them. If he trusts them he will answer the questions being asked from one end of the country to the other.

**ASKS ROOSEVELT TO REPLY TO QUESTIONS**  
Does he favor reviving the principles of the National Recovery Act? Or does he favor the American system of free initiative?

Does he favor reviving the principles of the Agricultural Adjustment Act? Or does he favor allowing the farmer to be a lord on his own farm? Does he favor concentrating more and more power in the hands of the chief executive? Or does he favor a return to the American form of government?

These three things are inseparable. If he wants the AAA, he must have the NRA. And both are impossible without increased powers for the chief executive.

And so, in closing this meeting, I leave a challenge to the President. I say to him: Mr. President, I am willing to trust the people. I am willing to stand up and say openly that I am against economic planning by the government. I am against the principles of the Agricultural Adjustment Act. I am against the concentration of power in the hands of the chief executive.

Tell us where you stand, Mr. President. Tell us not in generalities, but clearly so that no one can mistake your meaning. And tell us why you have evaded the issue until the eve of the election.

I leave my gaze at your feet. My gaze is the gauge of your confidence in the American people. My gaze . . . is the gauge of your duty to the American people.

My gaze . . . is the gauge of your faith, Mr. President . . . your faith in the American people.

By the words that you speak in 48 hours where you stand, Mr. President, I know the measure of your confidence and your duty and your faith in their wisdom.

Japanese partake of the seaweed daily as part of their diet. Appendicitis was first recognized as an exact disease in 1886.

## SENATE BODY TO PROBE ANTI-PENSION ATTACKS

**Investigation Is Ordered of Charges of Employers' Coercion in Pay Slips.**

WASHINGTON, Oct. 29.—(AP)—Senator La Follette, Progressive, Wisconsin, said in a statement tonight that his senate labor subcommittee would start an immediate and thorough investigation of pay-envelope attacks on the social security program.

In a formal statement issued from his committee's headquarters here, La Follette said "the recent well-organized and grossly misleading attack on the Social Security Act bears all the earmarks of a malicious drive designed solely through misstatement . . . to coerce labor and invade the sanctity of the ballot box."

La Follette's statement followed a shot at the social security program by the Republican national committee and the publication of a detailed explanation of the program by the Social Security Board.

The party committee said in a statement that "women who work a few years and then marry are especially hit" by the act.

**Body Probed Espionage.**  
La Follette's subcommittee was authorized by the senate to investigate violations of freedom of speech and assembly and undue interference with the right of labor to organize and bargain collectively. So far it has dealt mainly with labor espionage.

"Included in the information already received by the committee," La Follette's statement said, "is a charge that an agency which admittedly has been engaged in anti-labor activities for a long period of years, is participating in this drive of misrepresentation and intimidation concerning the Social Security Act."

The Republican committee said, in part: "Every employee, man, woman and child, except on the farm and in domestic service, will be hit but the young woman who works less than five years before becoming a housewife will have her pay docked just because Roosevelt's brain trusters planned it that way."

"She will never get a nickel back even if the government has any money left when she becomes 65 years of age."

The committee also called the social security program "not even as fair as a lottery."

"In a lottery, there are some prizes," it said. "In the Roosevelt New Deal pay docking security plan it's just a question of whether the worker gets nothing at all, or just a fraction of what any insurance company would gladly agree to pay him on a policy involving the same payments."

**Board Explains Law.**  
In a five-page statement addressed to "employees of industrial and business establishments, factories, shops, mines, mills, stores, offices and other places of business," the board said that "There is now a law in this country which will give about 26,000,000 working people something to live on when they are old and have stopped working."

"Under this law the United States government will send checks every month to retired workers, both men and women, after they have passed their 65th birthday and have met a few simple requirements of the law," the board added.

"This means that if you work in some factory, shop, mine, mill, store, office or almost any other kind of business or industry, you will be earning benefits that will come to you later on."

"From the time you are 65 years old, or more, you will get a government check every month of your life, if you have worked some time (one day or more) in each of any five years after 1936 and have earned during that time a total of \$2,000 or more."

"The checks will come to you as a right. You will get them regardless of the amount of property or income you may have."

## SENATE BODY TO PROBE ANTI-PENSION ATTACKS

**Investigation Is Ordered of Charges of Employers' Coercion in Pay Slips.**

WASHINGTON, Oct. 29.—(AP)—Senator La Follette, Progressive, Wisconsin, said in a statement tonight that his senate labor subcommittee would start an immediate and thorough investigation of pay-envelope attacks on the social security program.

In a formal statement issued from his committee's headquarters here, La Follette said "the recent well-organized and grossly misleading attack on the Social Security Act bears all the earmarks of a malicious drive designed solely through misstatement . . . to coerce labor and invade the sanctity of the ballot box."

La Follette's statement followed a shot at the social security program by the Republican national committee and the publication of a detailed explanation of the program by the Social Security Board.

The party committee said in a statement that "women who work a few years and then marry are especially hit" by the act.

**Body Probed Espionage.**  
La Follette's subcommittee was authorized by the senate to investigate violations of freedom of speech and assembly and undue interference with the right of labor to organize and bargain collectively. So far it has dealt mainly with labor espionage.

"Included in the information already received by the committee," La Follette's statement said, "is a charge that an agency which admittedly has been engaged in anti-labor activities for a long period of years, is participating in this drive of misrepresentation and intimidation concerning the Social Security Act."

The Republican committee said, in part: "Every employee, man, woman and child, except on the farm and in domestic service, will be hit but the young woman who works less than five years before becoming a housewife will have her pay docked just because Roosevelt's brain trusters planned it that way."

"She will never get a nickel back even if the government has any money left when she becomes 65 years of age."

The committee also called the social security program "not even as fair as a lottery."

"The checks will come to you as a right. You will get them regardless of the amount of property or income you may have."

**BELGIAN'S CHAMBER APPROVES WAR POLICY**  
BRUSSELS, Oct. 29.—(AP)—The Belgian foreign policy of "independence without prewar neutrality" was approved by the chamber today, 126 to 42.

The negative votes were registered by Fascist-inclined Rexist, Flemish Nationalists and Communists.

Passage of Premier Paul Van Zeeland's announced policies was regarded as the first step toward adopting the proposed military bill increasing military service.

(Foreign Minister Paul Henry Spaak in recent speeches defined the government's policy as adherence to present treaties and the League of Nations without entering new ones.)

## DR. OGLESBY SPEAKER AT ARKANSAS SYNOD

Atlanta Minister Declares Many Are Held Today in Economic Slavery.

FORT SMITH, Ark., Oct. 29.—(AP) Dr. Stuart R. Oglesby, Atlanta, Ga., told the 84th annual convention of the Arkansas synod, Presbyterian Church, U. S., today that "The church is conformed to the world today as it has never been conformed before."

"We're bound hand and foot to the existing order of things," he said. "Let a man stand up and say anything about the financial enterprise in which our endowments are invested and see how far he gets," declared the Georgian. "We continue to have military training in our Christian colleges however inconsistent it may be with the principles of Christianity."

Dr. Oglesby, before closing touched on the Arkansas tenant farm problem with:

"You wouldn't have any tenant farmer problem in Arkansas and we wouldn't have any in Georgia if we followed the Biblical injunction that land should be returned to its rightful owners and debts cancelled."

"You say there are no slaves to-day?"

## Do FALSE TEETH Rock, Slide or Slip?

## November Calls For Warmer Sportswear

Southern Autumn Requires Sweaters, Leather Jackets, Rain-Jackets for Those Who Would Go On Playing Golf or Other Sports—Long-Sleeved Sports Shirts

GOLFER IN COOLER WEATHER The figure above wears a long-sleeved shirt in dark blue flannel with a shirred back for freer movement. His slacks are gray flannel.

By ROBERT FAIRCHILD, Editor, Men's Fashions.

Up north they are beginning to wax their skins and get out their melon jackets as November rolls around. In the south, however, the approach of the end of the year means, in terms of sportswear, considerably slighter modifications.

Leather jackets, woolen sweaters and a few utility garments—these are the accessories that need to be added to the wardrobes of the southerner for golf or other sports when slightly cooler weather approaches.

Solid-color cashmere or Shetland

than in a garment designed for long and thoroughly satisfactory wear such as are leather jackets.

Recently there has been coming to favor, especially with golfers tired of being trapped a mile away from the clubhouse by a sudden downpour, the oil or rubberized silk or cotton utility rain-jacket. This garment can be slipped over whatever one is wearing and protect one thoroughly from the rain. They are extremely light, completely water-repellent, and all possible ports of entry for water, such as wrists and throat and front, are well closed off with elastic, slide-fastener, and close-fitting collar, respectively. At the same time, the material is not hot but permits the body to breathe.

## Sports Shirts Have Full Sleeves.

This rain-jacket comes in half and three-quarter lengths. By the time it gets to be full length, of course, you've got a raincoat on your hands. There is also made such a jacket with an accompanying pair of trousers to be slipped on over one's regular slacks. The material out of which these are made is usually so light that it can

fold into a small package that will go into the ball bag of your golf bag.

Sports shirts become slightly heavier weights and go from quarter-length to full-length sleeves at this time of year; washable cotton slacks are shifted for gray flannels and the lightweight felt hats are more frequently seen. Winter is coming to the south.

Rain jacket, slide-fastened, with elastic cuffs for utility use. It is worn over one's regular garments.

pullovers in coarse ribs and smooth finishes are in the limelight at this time. Coat-style sweaters and cardigans—much in favor this year from the point of view of style, and preference is about equally divided between button-up-the-front models and slide-fastened types.

## Suede Leathers In Jackets.

In leather jackets sports-back models are quite popular, since the extra pleating permits easier movement. While smooth leathers are quite popular, luxury suede effects are in the lead in the preference of better-dressed men. It is interesting to note that since the leather-jacket vogue began in this country, and as most men have come more and more to realize the value of this knock-about sports garment, they have come at the same time to realize the value of quality leather. It is true that there is where good workmanship, good material, good tailoring more important.

Suede leather sports jacket in button-up-the-front style.

## BETTING FAVORS F. D. R.'S ELECTION

Odds Wider With Tendency Toward President, Even in Doubtful States.

NEW YORK, Oct. 28.—(UP)—The betting odds favoring President Roosevelt to be re-elected are showing a tendency to widen, Wall Street betting commissioners said today.

The President was being quoted at 12-12 to 5 to 3-1-2 to 1 favorite, yesterday. Most of the betting was taking place between 12-12 to 5 and 3-1-2 to 1 and more money appeared to be coming out on both sides.

The fact that "money still was available" at 12-12 to 5 indicated that the odds probably would lengthen further, according to one commission house. The firm's spokesman said interest was increasing and that business from "as far away" as Oklahoma City and other equally distant points "had been received."

Quoted odds on the various states showed wide diversity as to where actual business was consummated they showed a narrowing spread.

Mr. Roosevelt was 9 to 5 to 2 to 1 favorite to carry New York, 6 to 5 to 1 to win New Jersey and even money in Pennsylvania in the actual business. The quoted odds, nevertheless, held the President as a 2 to 1 favorite to capture the latter two states.

## ROOSEVELT CONCLUDES TOUR OF EASTERN AREA

Continued From First Page.

platform of his special train to the citizens of Washington.

Attacks Security Foes.

Mr. Roosevelt swung into his attack on the opponents of social security after paying tribute to the memory of John Mitchell, one of the outstanding early organizers of the United Mine Workers.

"Carrying forward his work," he said, "and that of others like him, we have begun to build up a system of

## UNKNOWN ADMIRER GIVES F. D. R. WATCH

WASHINGTON, Oct. 29.—(AP) President Roosevelt wants to know who tossed him a gold watch today while he drove through Philadelphia. He wants to return it.

While appreciating the spirit behind the gift, a secretary said, Mr. Roosevelt has several watches of his own and he feels the man in working clothes who threw the timepiece into the moving auto with a remark, "Take it," probably needs it more than the President.

old-age pensions and unemployment insurance to substitute for uncertainty a new security in the life of the wage earner and his family.

"How far we have come," he continued, "is shown by the patriotic sentiment with which labor and the public alike are meeting the latest attempts of a handful of employers, politicians and newspapers to mislead and coerce labor with regard to the Social Security Act. Here is repetition of the arrogance and the ruthlessness which the operators utilized to try to break the soil raters' labor when the miners fought at Armageddon in 1902."

The President then observed:

"No employer has a right to put his political preferences in the pay envelope. That is coercion even if he tells the whole truth."

"But this propaganda misrepresents by telling only half the truth. Labor and a fair-minded public must place such tactics in a class with the coercion of the strong-arm squad and the whisperings of the planted labor spy."

"This pay envelope propaganda has one objective—to sabotage the social security act. To sabotage that act is to sabotage labor. For that act, as you know, was worked out with labor and enacted with the active support of labor—of kinds of labor."

Mr. Roosevelt then went on to explain that for every one dollar the worker is asked to put up the employer is required to put up three.

"Three for one. There's the rub," he asserted.

"These propagandists," the President asserted, "are doing in their desperation to the contemptible, unpatriotic suggestion that some future congress will steal these insurance funds for other purposes. If they really believe what they say in the pay envelopes, they have no confidence in our form of government or its permanence."

"It might be well for them to move to some other nation in which they have greater faith."

At Camden, Mr. Roosevelt traced New Deal objectives, stating:

"It has been our aim of all to restore values up to a normal and proper level. It is our aim to maintain them at a normal and proper level. In that way we believe there will be a greater security for the average American family no matter what may be the occupation of the members of that family."

He dedicated the Camden plaza, which will carry his name, asserting:

"Our objective for all our citizens is to give permanence to employment, safety to earnings, protection to the home and a better security to the average man and his family. That can be done. You and I will carry on until it is done."

Today he said, business of all kinds "has begun to get in the clear," adding:

"You know that your jobs are safer—that there are more jobs to go around and better pay for jobs. The threat to your savings, your investments, your insurance policies and your homes is being removed."

"None of this came by chance. It came because your government refused to leave to the forces of chaos, because your administration thought things through ... and acted in a score of ways to bring it to pass."

As an example, he cited insurance of bank deposits, saying that the banking structure is "sounder" than at any time in history.

"I very much doubt," he said, "if any of you will vote to go back to the unsafe banking conditions of 1932."

Program That Worked.

In Harrisburg also, he asserted that the administration had provided a program that "worked."

He said the administration had set out "deliberately" to raise farm prices but that the nation in the end benefited because that rise had helped start recovery.

He argued, too, that the consumers' pocketbook had filled up more rapidly than the price of food had climbed.

"The housewife pays more money for what she buys," the President said, "but she has more money to buy it with—and she has more money left over after she has bought."

A loud burst of applause came from the hordes of men and women and children assembled on the grounds of the capitol.

Getting down to figures, the chief executive said food costs had gone up an average of 24 per cent since 1932, but that factory pay rolls had jumped 77 per cent.

"To sum up," he went on, "the Republican market basket of 1932 cost less, but the American consumer did not have the cash to fill it. Our market basket in 1936 has much in it because the people have money in their pockets to fill it with."

Full Dinner Paid.

After declaring that the administration program had been "one for all and for all one," he said Republican leaders themselves were responsible for the "bad end" of the full dinner pail slogan.

"The full dinner pail," he continued, "turned out to be the empty market basket."

"I know that the American people will not return to power those leaders who emptied the national market basket. I am very confident that the American people go forward with those who are succeeding in filling it once more."

Governor George H. Earle and Senator Joseph F. Guffey, of Pennsylvania, and John L. Lewis, president of the United Mine Workers, made the

## Mollison Sets Record on Atlantic Flight

Captain James Mollison, above center, hopped off from Harbor Grace, N. F., Thursday afternoon for London despite reports of storms in his path. He was reported sighted off Valentia, Ireland, at 12:05 o'clock (Atlanta time) this morning.

Pennsylvania swing on the campaign special.

As the train streaked down the Susquehanna river valley from Wilkes-Barre to Harrisburg, it stopped briefly at a downtown intersection in Sunbury for an unscheduled platform appearance.

Mr. Roosevelt remarked to people packed into the open space about the train that Earle had told him the city was the original home of the incandescent lamp and that he could congratulate you this year for having "seen the light."

He turned to the subject of flood control, asserting he had been told rampaging waters had gushed four feet deep last spring across the spot where his train stood.

"I assure you," he said, "that by next spring the government will be undertaking flood prevention work."

To thousands of persons pressed around the back platform of his train at Wilmington, the President spoke of liberty—not in his own words, but in those, he said, had been uttered by Abraham Lincoln in a Baltimore speech, in 1864.

Lincoln, he said, believed in the kind of liberty which "our administration has sought and continues to seek."

He quoted Lincoln as saying that when the shepherd drives the wolf from the sheep's throat, the sheep thanks the shepherd as liberator and the wolf denounces him as a destroyer of liberty.

"Plainly," Lincoln was quoted as asserting, "the sheep and the wolf are not agreed upon a definition of the word liberty; and precisely the same difference prevails today among us human creatures ... and all professing to love liberty."

"Hence we behold the process by which thousands are daily passing from under the yoke of bondage hailed by some as the advance of liberty, and howled by others as the destruction of all liberty."

To Lincoln, Mr. Roosevelt further attributed the assertion that with some the world liberty may mean for each man to do as he pleases with himself and the product of other men's labor, and with others it may mean for some men to do as they please with other men and the product of other men's labor.

"Here are two, not only different, but incompatible things, called by the same name, liberty," Lincoln was quoted as saying "and it follows that each of the things is, by the respective parties, called by two different and incompatible names—liberty and tyranny."

Several of the official welcoming party were jostled about and finally took refuge in an elevator, which later bore the President to the basement where an automobile awaited him.

Showers of Paper.

Through Market street and around city hall the party passed cheering thousands while ticker tape, torn paper and confetti fluttered through the air from skyscraper windows and from the hands of the crowds.

An airplane flew overhead towing a huge streamer: "Mr. Roosevelt—Philadelphia Is Yours."

From one roof top waitresses waved tablecloths, much to the President's amusement. Office windows, many of which had been reserved several days ago for the occasion, were crammed full of faces. Roofs of low buildings were jammed.

Philadelphia police would make no estimate of the crowd. They just said "thousands." Camden police said the throng there was one of the greatest in the city's history.

2 MESSENGERS HELD AS LARCENY SUSPECTS

William J. Pace, 17, messenger boy, 146 Simpson street, and John Gantt, 16, 236 Luckie street, were arrested last night on suspicion of larceny after they had admitted, according to police, a box to get \$128.30 in cash that Pace had received on a detailed trip.

Pace admitted to police he had been instructed to take an airplane ticket to an Orme circle address and collect \$128.30 and that he had contacted Gantt before making the call. He called his office, after collecting the money and turning it over to Gantt, and told him he had lost the money. After close questioning by employers and Detectives J. A. Preston and H. C. Newton, the pair admitted the trick.

## Roosevelt Illustrates Meaning of Liberty

WILMINGTON, Del., Oct. 29.—(AP)—The text of President Roosevelt's rear platform speech here tonight follows:

Save for my own home state of New York, this meeting in Wilmington marks the close of my campaign.

It seems appropriate that on this occasion I should make no political speech because I can better describe

the kind of liberty which our administration has sought and continues to seek, by reading to you the simple words of a great president who believed in that kind of liberty—the great president who preserved the American union. They are from the speech made by President Lincoln at the Sanitary Fair in Baltimore in 1864:

"The world has never had a good definition of the word liberty, and the American people, just now, are much in want of one. We all declare for liberty; but in using the same word we do not all mean the same thing. With some the word liberty may mean for each man to do as he pleases with himself, and the product of other men's labor. Here are two, not only different, but incompatible things, called by the same name, liberty, and it follows that each of the things is, by the respective parties, called by two different and incompatible names—liberty and tyranny."

I am still reading the words of President Lincoln:

"The shepherd drives the wolf from the sheep's throat, for which the sheep thanks the shepherd as his liberator, while the wolf denounces him for the same act, as the destroyer of liberty. Plainly, the sheep and the wolf are not agreed upon a definition of the word liberty; and precisely the same difference prevails today among us human creatures, and all professing to love liberty."

"Hence we behold the process by which thousands are daily passing from under the yoke of bondage hailed by some as the advance of liberty, and howled by others as the destruction of all liberty."

To Lincoln, Mr. Roosevelt further attributed the assertion that with some the world liberty may mean for each man to do as he pleases with himself and the product of other men's labor, and with others it may mean for some men to do as they please with other men and the product of other men's labor.

"Here are two, not only different, but incompatible things, called by the same name, liberty," Lincoln was quoted as saying "and it follows that each of the things is, by the respective parties, called by two different and incompatible names—liberty and tyranny."

Several of the official welcoming party were jostled about and finally took refuge in an elevator, which later bore the President to the basement where an automobile awaited him.

## LANDON DARES F. D. R. TO LIST FUTURE POLICY

Continued From First Page.

ican people. My gaze is the gauge of your faith, Mr. President—

Asks Reply in 48 Hours.

"By the words that you speak in 48 hours, the American people will know the measure of your confidence and your duty and your faith in their wisdom."

In the historic sporting arena was a crowd filling more than 18,500 seats, assembled to hear the Kansas make his final bid for New York's 41 electoral votes before heading westward for home. On a platform behind him sat party leaders, including William F. Blesley, candidate for governor in the Empire State, and Theodore Roosevelt Jr.

In his address, the nominee reviewed his position as outlined in previous speeches, taking agriculture, industry, unemployment, social security, spending and the constitution in turn. After each summary he asked where Mr. Roosevelt stood and then gave his own reply:

"The answer is: No one can be sure."

States Creed.

Landon listed these "basic principles of my political creed":

"I believe in our constitutional form of government—a government established by the people, responsible to the people, and alterable only in accordance with the will of the people."

"I believe in indivisible union of indestructible states."

"I believe in the American system of free enterprise, regulated by law."

"I believe in the liberty of the individual as guaranteed by the constitution."

"I believe in the rights of minority as protected by the constitution."

"I believe in the liberties secured by the bill of rights and in their maintenance as the best protection against

bigotry and all intolerance, whether of race, color or creed."

"I believe in an independent supreme court and judiciary, secure from executive or legislative invasion."

"I believe that in the future, as in the past, the hopes of our people can be realized by following the American way of life under the American constitution."

"I believe in the principles of civil righteousness exemplified by Theodore Roosevelt and I pledge myself to go forward along the trail he blazed."

F. D. R. to Talk on Dais.

In putting his questions to his Democratic opponent, Landon noted that in 48 hours Mr. Roosevelt would be addressing a rally from the same platform on which he stood.

"And so," the governor said, "in closing this meeting I leave a challenge with the President. I say to him: Mr. President, I am willing to trust the people. I am willing to stand up behind him and say openly that I am against economic planning by government. I am against the principles of the Agricultural Adjustment Act. I am against concentration of power in the hands of the chief executive."

"Tell us where you stand, Mr. President."

The crowd Landon addressed gave roaring receptions of applause to Republican chieftains preceding his appearance on the speakers' platform. They stood and cheered for Roosevelt, John Hamilton, the national chairman; Blesley and others.

Visits Grave.

The nominee came to the big auditorium after resting in his hotel suite from a busy day. This morning he motored with Roosevelt to the Oyster Bay grave of Theodore Roosevelt where he stood a minute in silence and left a wreath of autumn leaves and chrysanthemums. He chatted briefly with Mrs. Edith Kermit Roosevelt, the late President's widow.

Next came a visit to a Brooklyn party rally where places were laid for 8,000 luncheon guests to whom the Governor briefly expressed his appreciation of a warm and friendly reception.

In late afternoon, Landon stepped before a microphone in his hotel suite to tell "fellow citizens of foreign

birth," that "leaders of the so-called Democrat party were responsible for the despicable attempt to stir up racial, religious and class prejudices in the campaign."

"I want no support from any element that is trying to inject racial, religious and religious bigotries in this campaign," the candidate said.

Mentions of President Roosevelt and the New Deal prompted boos from the large Garden audience as candidate after candidate on the party's state ticket addressed the throng.

VIOLATORS OF LAW TO LOSE LICENSES

Board To Void Permits for Selling Intoxicants to, or Employing Minors.

The Fulton county commission will revoke the permit of every beer and wine dealer in the county who sells intoxicating beverages to minors or employs juveniles, Dr. Charles R. Adams, chairman of the board, announced yesterday.

Joining in the campaign of Judge Garland M. Watkins, of juvenile court, to "protect the children," Dr. Adams said county police will report to the board each establishment that sells beer and wine to children or employs young boys and girls to serve intoxicating beverages, and the commission will revoke the wine and beer permits.

Judge Watkins yesterday ordered E. C. Brown, of Hollywood road, to cease working his 12-year-old daughter in his place where wine and beer are sold and to prohibit children frequenting his establishment.

Is Against Law.

"It is against the state law to sell intoxicants to minors, and every officer is duty-bound to help enforce this law," Judge Watkins said.

He praised the co-operation of the Fulton county police force. Officers of the county department have already started compilation of a list of places in the county that employ minors, and Judge Watkins has asked them to cite these dealers to appear before him.

If, after a warning, they refuse to obey the two requests, not to sell to minors nor employ them where beer and wine are sold, then they will be prosecuted for contributing to the delinquency of a minor and likewise will face revocation of their beer and wine permits.

Surveying County.

Lieutenant W. A. Wells and Lieutenant Frank Jordan declared yesterday they and their men are covering the county systematically to report all such cases.

Brown told Judge Watkins his daughter had operated his place while he was gone but that he would not work her there any more.

Judge Watkins retained jurisdiction in the case, as he did in the case of James Woodward, operator of a stand at Boulevard and Woodward avenue, where a 14-year-old boy had been employed. Woodward agreed not to hire a minor and said he did not sell to boys and girls.

Judge Watkins appointed a probation officer of his court to help the 14-year-old boy find other employment.

To Act on Reports.

"When we find beer and wine dealers in the county selling to children or employing juveniles, we are going to recommend that their permits be revoked immediately," Lieutenant Wells said. Dr. Adams asserted the commission will act on any case where the county police recommend revocation of the permit.

"This is a terrible situation which must be stopped at once," Judge Watkins reiterated yesterday. "Dealers

## Texas Confers With Local Trade Leaders

Henry W. Stanley, left, director of the trade expansion committee of the Dallas Chamber of Commerce, is shown above discussing vital points of the Dallas program with Milton Rice (standing), chairman of the Atlanta chamber's trade expansion committee, and H. S. Collingsworth, of the local trade body. Staff photo by George Cornett.

exceed \$1,000,000,000, helped by the Texas Centennial Exposition and the oil field development. But our methods of cultivating the trade areas, which extend from Colorado to Mississippi and as far north as Kansas, centers around an annual "good will tour" of the territory and semi-annual fashion shows in Dallas, held each fall and spring with each lasting about three weeks.

Stanley said, "We lay great emphasis on the value of newspaper advertising in developing retail trade. Newspaper advertising is the most effective and cheapest method a retailer can use to reach the buying public."

In connection with the study of trade expansion being made this week by the Chamber of Commerce, the local trade body sent out an open letter to its members yesterday stressing the value of co-ordinated effort in Atlanta trade. Concern was expressed over the fact other cities comparable to Atlanta in every other way report a greater proportion of business than does this city.

Experimental work in the ready-to-wear trade in sponsoring a style and market week each spring and fall has proven successful, the letter said.

PRIEST TRANSFERRED TO ATLANTA PARISH

SAVANNAH, Ga., Oct. 29.—(AP)—Rev. Thomas L. Finn, chaplain of Savannah Council No. 831, Knights of Columbus, and assistant parish priest at the Church of the Blessed Sacrament here, will be transferred to Atlanta as assistant at the Church of the Christ the King, it was learned here today.

The Most Rev. Gerald P. O'Hara, bishop of the diocese, announced the appointment. It will become effective Wednesday.

Scented tea is produced by introducing jasmine or gardenia flowers.

A stalkless potato, extraordinarily resistant to frost, grows high in the Andes.

## REDS FORM NEW ARMY, RECAPTURE 3 TOWNS

Continued From First Page.

early, full moon rose. The rattle of rifle fire echoed constantly.

Fascist bands which have been approaching Madrid have already exhausted their strength and while they are disintegrating, our forces are becoming stronger every day," asserted Largo Caballero.

"We now have tanks and aviation which are important arms to pursue and destroy the enemy but we need also the courage of the valiant militia and the complete will to conquer."

The militia will advance with tanks and aviation to compete its work definitely and vanquish the enemy. Insurgent columns—destroyed by our aviation and overwhelmed by our tanks—are already retreating before our drive and soon will be completely conquered."

Stop Work on Forts.

The Socialist premier did not elaborate his assertion of receipt of new war materials. Observers in the Spanish capital, however, recalled Italian charges before the London neutrality committee that Soviet Russia had sent tanks, planes and men to the assistance of the Madrid government.

Insurgent commanders continued to consolidate their forces in the battle sectors, marshalling 200 "baby" tanks and armored cars for a prospective drive against Madrid.

Much of the Fascist hopes lay in reported declarations from a captured Socialist officer that the capital was "doomed." Insurgent leaders quoted Major Gonzalez del Alba, former government chief-of-staff in the Madrid area, as saying construction work on capital fortifications had been halted.

Madrid newspapers commented favorably on Largo Caballero's instructions to government troops to "respect prisoners who may fall into our hands."

"This will distinguish you from the barbarous hordes opposing you," he declared.

MADRID ORGANIZES NEW SECRET ARMY

PARIS, Oct. 29.—(AP)—Informed Spanish sources tonight said a new government army, equipped with tanks and planes, has been gathered at the southeastern cities of Albacete and Alicante to attack the rear of insurgent armies in time to save Madrid.

Coinciding with Premier Francisco Largo Caballero's Madrid announcement that the government now has strong tank and air forces, well-informed government sympathizers in Paris said this army had been organized secretly for weeks.

It has more than 110 modern tanks and many new bombing and scouting planes, they asserted. Some of the latter are American made, sent indirectly to the Spanish government.

Motorized columns using the new equipment soon will be sent westward to Aranjuez and thence to Toledo, the Paris sources said, to attack the insurgents now besieging Madrid from their unguarded rear.

The new army was stated to be completely equipped with ammunition and supplies, and the information here declared the force included many technical experts, some Russian and some from other countries, who volunteered within recent weeks to help Madrid.

The Spanish embassy announced it had confidential information a fleet of Italian submarines was awaiting sailing orders at Gaeta, Italy, to establish a blockade of the Catalan coast and perhaps attack the Spanish government stronghold.

Eight submarines, he contended, have been painted with the red and gold colors of the Spanish insurgents at Gaeta, which is 40 miles northwest of Naples.

"We do not know what pretext will

## Surgeons Untangle Baby's Organs In Rare Intestinal Malformation

Atlanta surgeons worked out an abdominal jig-saw puzzle this week on a tiny mite of humanity and announced yesterday they expect their reuniting of the intestinal organs of two-month-old Thomas Simonon to result in a normal condition coming out of one of the rarest cases of abdominal malformations in medical history.

The infant, son of Mr. and Mrs. Paige Simonon, of Griffin, was brought to Atlanta when it appeared to be receiving no nourishment from feedings.

What the surgeons found was something that caused them to blink. Here are a few:

The large intestine had failed to completely "rotate," not taking to its normal position in the abdominal cavity.

A complete obstruction formed by a kink between the duodenum, first portion of the small intestine leading from the stomach, and the jejunum, the second portion. This stopped the food and halted nourishment.

Incomplete fixation of the intestine, allowing it to move about, with most of the organ out of its natural place.

The appendix pushed far over on the left side. The baby was brought for treatment Saturday—too weak and

to be used to put the fleet into action," said the spokesman, "but our information is that the action will start within a week."

The first step in the campaign, he predicted, would be an attempted Italian blockade of the Catalan coast to keep provisions from reaching Spanish government territory.

Thereafter, he said, an actual attack may be expected.

REBELS CLAIM RUSSIANS IN CAPTURED RANKS

GIBRALTAR, Oct. 29.—(UP)—General Francisco Queipo de Llano, in a radiocast tonight, said that Rebel troops, during the fighting in the Tago river section south of Madrid today, had captured three Loyalist tanks manned by Russians.

anemic from loss of nourishment to withstand an operation at the time. After blood transfusions Sunday and Monday with the mother as the donor, the infant's operation got under way Tuesday.

While a photographer, covered with a sterilized gown, stood by taking motion pictures and "still" shots of the entire procedure for medical history, a surgeon worked for two hours unscrambling the baby's abdominal organs.

Such an extreme case is rare in the annals of surgical history, and much less distorted formations usually prove fatal. Thomas is kicking about in fine style, enjoying his milk diet with a new relish.

CLEAR AND WARMER, IS TODAY'S FORECAST

Bright skies giving clear play to the sun will bring warmer weather to Atlanta today, according to the weatherman.

Yesterday's temperatures started at 48 degrees in the morning and climbed to 60 during the day.

This morning, the start will be at the same 48 degrees, according to the forecaster, but the climb will be to 68 degrees.

## ATLANTA THEATER NEWS

**'The Arizona Raiders'**  
**At Capitol on Sunday**

Continuing its parade of variety hits, the Capitol theater will present an outstanding western drama as the feature film attraction in the new program that opens Sunday.

This new picture, "The Arizona Raiders," is based on a novel written by Zane Grey and promises to be one of the most entertaining westerns to be seen this season. Paramount has skillfully blended excitement, romance, thrills and comedy in such a way as to make "The Arizona Raiders" all-around good film entertainment. Buster Crabbe, Marshall Hunt, Raymond Hatton, Johnny Downs and Grant Withers have the leading roles.

On the stage the Capitol will present another big-time stage revue, "Merry Marvels," with a cast of 25 stage and radio stars offering eight acts of vaudeville and featuring a 15-piece stage band.

The current feature picture is "Bengal Tiger," with Warren Hull, Barton MacLane, June Travis and Joseph King in the leading roles.

The present stage show is "Ladies in Lingerie," a novel and entertaining revue.

**Wallace Beery Stars**  
**In 'Old Hutch' at Grand**

"Old Hutch," which comes to Loew's Grand theater today, is the story of the man known in every town in America. There is a wealth of humor in this new character who comes in the person of Wallace Beery. He is the essence of rich, good humor, but beyond that he symbolizes the easy tolerance of America, the quiet acceptance of fate and, in the last

analysis, the fiery individual who, when driven to fight, does it with his whole soul, his strong body and two good fists.

Most people will recall the story of "Old Hutch" which appeared in the Saturday Evening Post. In his aimless wandering around the country he stumbles upon a box containing a fortune in \$1,000 bills. Obviously a man who seldom has tobacco money, cannot attempt to spend important money, so "Old Hutch" goes to work on a farm in order to make his fellow townsmen believe he has money.

But it doesn't work out that way. The bandits who originally stole the money rediscover it. They force the old man to assist in cashing it. They are captured with "Old Hutch" cashing in on the reward.

Eric Linden and Cecilia Parker provide the romantic touch. The supporting cast includes Robert McWade, Elizabeth Patterson, Caroline Perkins, James Burke, Donald Meek and Jean Chabrun.

A Pete Smith oddity, "Killer Dog," a Hearst Metrolite newswear complete the program.

**Rialto Has Mob Story**  
**In 'Legion of Terror'**

The story of "Legion of Terror," a sensational screen production coming to the Rialto theater today, was taken directly from the front pages of the nation's newspapers. It is the story of an organization of murder, burglars who believe themselves higher than the law and who do not hesitate to inflict death upon those unfortunate who have incurred their displeasure.

Bruce Cabot and Marguerite Churchill head the cast provided by Columbia for this picture, while other stars include Crawford, Caroline Perkins, Ed Le Saint and others. C. Coleman Jr. is director.

The story deals with the heroism of a Federal Department agent sent to uncover the activities of a masked organization which has not hesitated to extend its nefarious activities through the United States mails.

There is, of course, a romantic interest as well as sufficient comedy to relieve the tenseness of the dramatic plot. Some of the mob scenes, as the black-robed gangsters rouse to all the heartless fury of the mob, are tremendously exciting.

Manager W. F. Murray has added a good collection of short subjects to his program, which will be at the Rialto through Thursday next.

**Atlanta Theater Ends**  
**Run After This Week**

Special Halloween jamboree is to be staged for the balance of this week by the burlesques at the Atlanta theater. There will be two performances to-day, afternoon and night, matinee, night and midnight performance tomorrow, and then the theater will close down until Thanksgiving Day.

Reasons giving for the temporary halt in the regular performances of this house are two. In the first place the owners of the building are to make certain improvements and repairs to the structure, including plumbing and roofing work and it was thought better to close the house entirely rather than subject patrons to the possibility of annoyance.

Secondly, the lessees of the house,

the Eastern Burlesque Association, are changing the type of entertainment to be offered and time is needed for rehearsals for the different comedies which will appear in the different houses on their circuit.

The present company plans to wind up their engagement with the snappiest and cleverest entertainment they can possibly give which means that patrons who visit the theater or these five final performances ought to see and hear something exceptionally clever in the burlesque style.

**'Ramona' in Technicolor**  
**Is Attraction at Fox**

The current outstanding event in the film world is the presentation of Helen Hunt Jackson's immortal love idyll, "Ramona," produced by Twentieth Century-Fox in the new perfected technicolor, coming today to the Fox theater for a week's engagement.

The cast of thousands, featuring Loreta Young and Don Ameche, includes such brilliant players as Kent Taylor, Pauline Frederick, Jane Darwell, Katherine De Mille, Victor Killiam and John Carradine.

"Ramona" was filmed in the beautiful San Jacinto mountain meadow land of southern California, the actual spots where Ramona and Alessandro lived and loved many years ago, as described in the story. The site is an almost endless succession of green expanses rolling toward the dusty purple of the far-off mountains, every shade and tint defined in the clear, dry air, lending itself perfectly to the new technicolor photography.

The largest of several groups of settings built in various locations was the huge Moreno hacienda, where Ramona first met Alessandro. This vast outdoor "set" included barns, sheep corrals and other typical ranch structures covering six entire acres. Darryl F. Zanuck selected Henry King to direct the film, under the production supervision of Executive Producer Sol M. Wurtzel. John Stone was associate producer.

There are also selected short subjects which include Fox News, Sport-light and a cartoon.

**'Pigskin Parade' Opens**  
**At Paramount Today**

Half-backs, laugh-backs, tune takers, co-ed cuties, boob-bomb boys and gridiron heroes clown on the campus, swing on the football field, dance on the sidelines and romance in the stands in "Pigskin Parade," the uproarious musical football hit, which comes to the Paramount theater today.

Featuring a cast hand-picked for entertainment, including Stuart Erwin, Johnny Downs, Arline Judge, Betty Grable, Patsy Kelly, Jack Haley, the Yacht Club Boys, Dixie Dunbar, Anthony Martin and Judy Garland, the picture is a flip, fast football frolic, punctuated with torch tunes and highlighted with campus romances.

Merrier than "Thanks a Million" and swifter than "Sing, Baby, Sing," "Pigskin Parade" scores a smashing entertainment touchdown as it tells the hilarious story of a small backwoods college, invited by mistake to play football in a big intersection game.

The entire cast is great in their respective roles. "Stu" Erwin, Jack Haley and Patsy Kelly are terrifically funny, while Johnny Downs, Arline Judge, Betty Grable, Anthony Martin, Dixie Dunbar and Judy Garland provide fast-moving, collegiate

romance. The Yacht Club Boys stop the show with their hilarious numbers.

Low Pollack and Sidney D. Mitchell wrote the song hits, while Harry Tugend, Jack Yelen and William Conselman authored the screen play, based on a story by Arthur Sheekman, Nat Persh and Mark Kelly.

Darryl F. Zanuck selected David Butler to direct the film, with Bogart Rogers associate producer.

**'Cain and Mabel' Film**  
**Now Playing Georgia**

"Cain and Mabel," a spectacular Cosmopolitan musical production released by Warner Brothers, and starring two of the screen's most brilliant celebrities, Marion Davies and Clark Gable, opens at the Georgia theater today. It played the Fox all last week.

The picture is filled with catchy musical airs and gigantic specialty numbers in which 160 beautiful chorus girls take part, in addition to its hilarious comedy, its glowing romance and many thrills.

The most pretentious of the production numbers, called "Thousand Love Songs," is unsurpassed in magnitude and grandeur. A second number, filled with rollicking comedy, dance and song, is called "The Coney Island" set, the action taking place in a background representing the famous eastern amusement park.

There are three catchy new songs written by the famous song team of Harry Warren and Al Dubin and variously sung by David Carlyle, Miss Duns, Sammy White and chorus.

Miss Davies leads the chorus in intricate dance routines, having as her partners in the various numbers the noted stage and screen dancers, Charles Teske, Sammy White and Don Ackerman.

The picture is based on a story by H. C. Witwer, depicts the romance between a Broadway waitress who becomes a musical comedy star and a young battler of the prize ring.

Davies and Gable are supported by a talented cast which includes Allen Jenkins, Roscoe Karns, Walter Catlett, David Carlyle, etc., and John Donnelly and William Collier Sr.

**COURT DECISIONS**

**COUGLIN WINS RESPIRE**  
**ON CONTEMPT REQUEST**

CLEVELAND, Oct. 29.—(P)—Counsel for J. H. O'Donnell, of Pittsburgh, sought a contempt of court citation against the Rev. Charles E. Coughlin but Judge David R. Hertz continued hearing of arguments on the motion until November 5—two days after the national election.

Attorney Benjamin F. Sachs, claimed the radio priest was in contempt when he did not appear for a deposition hearing in O'Donnell's Cleveland suit for the ouster of Father Coughlin as president and trustee of the National Union for Social Justice.

O'Donnell petitioned for an accounting of National Union funds and the appointment of a receiver.

**ELKS WILL SPONSOR**  
**CHARITY BALL TONIGHT**

A Halloween charity ball will be sponsored by the Atlanta B. P. O. Elks from 9 until 1 o'clock tonight at the Biltmore hotel, Frank R. Flinn, chairman of the entertainment committee, announced yesterday.

The proceeds from the ball will be applied to the Elks' Christmas charity fund.

**Atlanta To Ask Annual Reserve**  
**For Conservation of Waterworks**

**Legislature To Be Asked To Enact Needed Statute For Establishment of Fund To Provide for Repairs and Emergencies.**

Establishment of a \$200,000 annual reserve fund for extension, repairs and replacements at the Atlanta waterworks will be sought at the 1937 session of the Georgia legislature. It was decided yesterday at the semi-monthly meeting of the city council water committee.

The decision came after W. Zode Smith, general manager of waterworks, said lack of city funds acts as a bar to obtaining PWA aid in enlarging filter plant capacity and that WPA is not now in a position to assist the city. Emergency filter extensions will cost about \$605,000 on the present market, he said.

Councilman John T. Marler, committee chairman, said the city must preserve the system and that the entire system will be in jeopardy and the health of citizens imperiled if action is not taken.

**Not Good Business.**  
"It is not an indication of good business to allow a \$15,000,000 investment, which we have in the waterworks, to depreciate to a point where inventories show it is worth only \$12,000,000 as the waterworks department has done," Marler added. "We haven't a cent for emergencies."

Smith pointed out that the 39,000,000 gallon 24-hour filtering capacity of the plants is reduced to 36,000,000 gallons because all can not be operated at the same time. He added that during hot summer months the 36,000,000 capacity is stepped up to 44,000,000 every 24 hours.

"This means we are arbitrarily increasing our filter capacity by about 25 per cent," he added. "We have gotten by with it in the past, but we may not again. It is not good business to flout fate in any such way. We are pumping more than 30,000,000 gallons of water a day through those filters even now, when there is an abnormal shortage in consumption. In fact, we are practically using the capacity of the plants even in winter months."

Smith released figures showing that income from water receipts last year were \$1,809,000; that operation costs were \$301,000; the 30 per cent of receipts, which went to schools, \$540,000; and that another \$300,000 was required to meet the interest and sinking funds on waterworks bonds. This left a net earning of \$800,000 in round figures. He added, however, that \$300,000 should have been set up for depreciation, leaving only about \$500,000 profit.

Just what form the legislative request will take has not been decided upon, but Smith in conference with

**JONES TO PUSH WAR**  
**ON SMOKE NUISANCE**

Laws governing smoke abatement will be enforced this winter and persons who fail to avail themselves of opportunities to learn how smoke may be eliminated, at the same time saving money for themselves, may be prosecuted in records' court on charges of creating a nuisance, A. W. Jones, smoke inspector, declared yesterday.

Charts showing how to properly make a fire and replenish it have been secured for use in the school for junior superintendents, which will open at 10 o'clock Monday at the city hall.

**LONDON NAMES ELLIOT**  
**TO POST IN SCOTLAND**

LONDON, Oct. 29.—(P)—Walter Elliot, minister of agriculture, was named secretary of state for Scotland today in a minor cabinet shuffle which followed upon the death of Sir Godfrey Collins on October 13.

W. S. Morrison, financial secretary of the treasury, was named to succeed Elliot.

Leslie Hore-Belisha, who has made a good record as minister of transport, was promoted to full cabinet rank.

**Covington Boys Enlist,**  
**Join Brother in Army**

Letters from their brother telling of adventures with the army in Panama led two younger brothers to enlist in the service. Yesterday Emory S. and Guy Mann, of Covington, Ga. were at Fort McPherson awaiting transportation to the Canal Zone to join their brother, J. W. Mann.

The boys enlisted as two of the 1,800 new men being added to the army rolls in the Fourth Corps area in an effort to bring the standing army up to treaty strength.

Major Edward G. Herlihy, in charge of the Atlanta recruiting station, said openings for additional enlistments are available. Application may be made at Room 321, New Postoffice building, or at any substation of the recruiting office throughout the state.

The market was quiet, with a considerable number of fractional gains with an offset in sizeable losses in the Polish and Italian groups. French stamps were sold at 1 1-8; the stamped 2 gained 2. Seasons 6 rose 44 3-8.

## U. S. Market Letter

### COTTON TRADE ADVICE.

WASHINGTON, Oct. 29.—Declines in the spot cotton market the second half of October were based on heavy foreign exports and selling, rather than upon any underlying weakness in the general situation. Mill buyers' exports continued active and total stocks of American cotton are moderate. Weather conditions were rather unfavorable for the Texas crop, but injuring the market quality of the

# STOCK REGISTRATION SHOWS SLIGHT DECLINE

WASHINGTON, Oct. 20.—(AP)—The Securities Commission reported tonight that less securities were registered with it in the third quarter of 1935 than in the same period of 1935, but that the total from January 1 to September 30 more than doubled last year's showing.

The total issues with estimated gross proceeds of \$909,028,000 became fully effective during the three months ended September 30 in registering for registration for the first nine months of 1936 to \$3,573,973,000. This was compared with \$1,004,411,000 in the same period of 1935, a total of \$1,769,750,000 in the first nine months of 1935.

## President's Talk Made at Camden

CAMDEN, N. J., Oct. 29.—(AP)—Following is the text of President Roosevelt's speech here today:

I have come to Camden today for one perfectly valid reason: It is the principal city of southern New Jersey, and so far as I recollect in a somewhat varied experience, I have never made a speech here before.

Because Camden is a good cross-section of many different types of people who earn their living—counters, white-collar workers, factory workers and shipyard workers—I want to say a few words about a subject which affects all of you—human security.

We have heard much about it during the last three and a half years for the very simple reason that we have needed it. We have needed it for the farmer and for the city dweller alike.

You who work in offices or factories or shipyards are hit when business slumps. Your future is tied up with the stability of the business in which you work.

Holding on to a job was not the only problem you faced in the depression. You had to think of your families and your homes. You had to think of the savings in the bank. You had to think about your modest investments and your insurance policies and your mortgage payments. None of these things then was safe.

THINGS ARE DIFFERENT; YOUR JOBS ARE SAFER

Today things are very different. Business of all kinds has begun to get in the clear. You know that your jobs are safer—that there are more jobs to go around and better pay for jobs. The threat to your savings, your investments, your insurance policies and your homes is being removed.

None of this came by chance. It came because your government refused to leave it to chance. It came

because your administration thought things through—thought of things as a whole—planned a balanced national economy and acted in a score of ways to bring it to pass. Today I want to mention only two examples out of many.

First, your savings. We did not leave them to chance. Today for the first time your deposits in every national bank and in eight thousand state banks throughout the country are insured up to \$5,000—a total of \$40,000,000,000. In other words, 98.12 per cent of all bank accounts in these banks are insured. Never in all our history have we had as much of a banking structure as today. I very much doubt if any of you will vote to go back to the unsafe banking conditions of 1932.

And once more, I remind the nation that this month of October marks the end of one whole year in which there was not a single national bank failure—the first 12-month period in 55 years that was free from such failures.

The other example I want to say a word about relates to the stability of what you and I call values. For 12 years before this administration came into office, values of almost every kind of property were running up and down like the mercury in a thermometer on a day in March. Raw material prices were varying 400 and 500 per cent. Real estate was alternately booming and collapsing.

WE WILL CARRY ON UNTIL JOB IS DONE

As a result the assets behind insurance policies were better one month and poorer the next. Bankers did not know what their portfolios would be worth from one month to the next. Commercial concerns had no assurance of the value of their bills receivable. Contractors could make only wild guesses in submitting their bids. Many stocks and bonds were very little the next.

After the crash and the long years of despair which followed it, one prayer went up from the American people—they wanted something to tie to—they sought stability because they knew that without stability they could not have security. It has been our aim first of all to

restore values to a normal and proper level. It is our job to maintain them at a normal and proper level. In that way we believe there will be a greater security for the average man. A family no matter what may be the occupation of the members of that family.

Our objective for all our citizens is to give permanence to employment, safety to earnings, protection to the home and a better security to the average man and his family. That can be done. You and I will carry on until it is done.

## Harrisburg Speech Made by President

HARRISBURG, Pa., Oct. 29.—(AP)—The text of President Roosevelt's speech here today follows:

Pennsylvania is a great commercial state, a great mining state and a great agricultural state.

The Pennsylvania farmer—like the farmer in the west—can see his city market within a few hours' drive. And the Pennsylvania industrial worker and merchant know how important to their prosperity is the prosperity of their neighbors the farmers.

Pennsylvania rightly calls itself the Keystone State. Great tides of immigration have swept over it. Great routes of commerce have crossed it from the very beginning—famous wagon-roads and railroads and water routes from the east to the west and the north to the south and back again. Pennsylvania knows that American commerce transcends state lines and becomes interstate and international.

But because Pennsylvania has these great problems of commerce and industry it has, also, great human problems. The machine age has served well the men and women who use its excellent products. The new problem is to see to it that the machine serves equally well the men and women who run its machines.

This is a problem not for Pennsylvania alone—not even for industry alone. It is a problem for the nation—and for all kinds of enterprise within the nation. If modern government is to justify itself, it must see to it that human values are not mangled and destroyed.

REPUBLICANS PREACH CLASS AGAINST CLASS

You and I know that that is sound morality and good religion. You and I know that it is also good business.

The simple fact of our dependence upon each other was either unknown or entirely ignored by the Republican leaders of the post-war period. Their doctrine was to give definite help to the top and to utter hopes for the bottom. Twelve years of that brought the inevitable crash.

When in 1933 we came to Washington it was our belief that faith without works is dead. We acted—not for a few of us but for all of us. That program worked.

But the Republican leadership is still the same. It still preaches the same heresy—class against class and region against region.

You do not need me to tell you this. They said it themselves, loudly, in their market basket campaign. In the cities they make promises which they are careful to hide from the farmers. In the rural districts they make promises which they are careful to hide from the city dwellers. In the cities they promise to reduce food prices for the farmer who carries the market basket. In the country they promise to raise food prices for the man who grows the contents of that market basket on the farm.

That is a nice fairy story. But you and I know that you can't eat your cake in the city and have your cake on the farm. You and I know that after 12 years of that policy there wasn't any cake and there was very little bread. The American people are through with that kind of emptiness.

FARM PRICE HIKES AID TO AMERICANS

The prices of the products have risen since 1932. It's a good thing for all of us that they have risen. We set out deliberately to raise them. It was their rise that helped to start all of us on the road to recovery again. Every home in America has benefited by that.

The prices the farmer was receiving in 1932 were so low that he had no cash income to buy industrial goods made in the cities. That three people out of four in the cities. Today the farm's products bring more to the farmer. Here in Pennsylvania cash income from farm production was 47 per cent higher in 1935 than in 1932. That is typical of what has happened to farmers throughout the east and throughout the nation. The farmer is able to buy more from the city. That means more people are at work in the cities, and that in turn means that the city dwellers buy more farm produce.

That is why the consumer's pocketbook has filled up faster than the price of food has gone up. The housewife pays more money for what she buys, but she has more money to buy it with—and she has more money left over after she has bought it. Nationwide facts and figures prove this. Let us take a look at these figures.

From 1929 to 1932 food prices dropped 35 per cent, but understand this: Factory pay rolls in the same period went down 58 per cent. That made a large hole in the workers' market basket.

The average city family paid less for what it bought. But that family had still less with which to buy. CONSTANTLY ON GUARD AGAINST MONOPOLISTS

Some retail food prices have risen higher than others. Other food prices have advanced very little. To be fair you have to strike an average. The average advance of food costs since 1932 is 24 per cent—a quarter more than they were four years ago.

But compare that—again using average figures for the country—with the factory pay rolls. These have gone up not 24 per cent but 77 per cent. And if you take the average of all city dwellers, their incomes have gone up faster and farther than food prices have gone up. To sum up—the Republican market-basket of 1932 cost less but the American consumer did not have the cash to fill it. Our market-basket in 1936 has much in it because people have money in their pockets to fill it with.

It is true that there is often too wide a spread between what the farmer gets and what the consumer pays. For that neither the farmer nor the consumer is responsible, and both the farmer and the consumer suffer.

We are engaged in solving that difficulty. First, we are vigilant and on guard against monopolies which are contrary to sound public policy even though they are not actually illegal. Second, we are seeking new means to eliminate waste and unnecessary duplication in distribution for the benefit of both producer and consumer.

REPUBLICANS PROVED SECTIONALISM CAN'T WORK

Through 12 years the Republicans proved that sectionalism will not work. We have proved in three and a half years that interdependence does work.

Giving the farmer of Dauphin or Lancaster county a good break has given a good break to the steelwork-

er of Pittsburgh; the coal miner of Scranton; the white collar or factory worker of Philadelphia. And giving California, Minnesota, and Texas a good break gives a good break to Pennsylvania, Ohio and New Jersey.

Ours has been a program of one for all and all for one. That doctrine has given us recovery. Continuing that practice will continue recovery.

You all remember that good old Republican slogan that was trotted out and polished up for every political campaign—the slogan of "the full dinner pail." And we know that the Republican leaders themselves were responsible for its sad end. The full dinner pail turned out to be the empty market basket.

I know the American people will not return to power those leaders who emptied the national market basket. I know that the American people will go forward with those who are succeeding in filling it once more.

## President's Talk At Wilkes-Barre

WILKES-BARRE, Pa., Oct. 29.—(AP)—The text of President Roosevelt's speech here today follows:

When I found that I was to speak in Harrisburg today, and realized that it is John Mitchell day, I determined to come by way of Wilkes-Barre. I wanted to pay my tribute to him.

In 1913 I was assistant secretary of the navy. I was asked to examine charges of collusion in coal bids for the navy. I needed help from someone whose integrity and knowledge I trusted. I recalled then how impressed Theodore Roosevelt had been with John Mitchell's handling of the great coal strike of 1902. I asked

days he taught me a great deal about coal and mining. What he taught me saved the United States navy many hundreds of thousands of dollars a year in its coal bill.

You in this anthracite region and miners in every other coal field in the United States, have a fuller picture of this man who was one of the most significant figures in American labor history. For years he went about the unspectacular but necessary job of clearing the ground for the progress of a great labor movement. He taught a dispersed industry how to organize. He taught both management and labor that the only basis for stability is to be found in contracts that can and will be lived up to by both management and labor.

WELCOME LABOR MOVEMENT RATHER THAN FEAR IT

By victory in the first great battle of the mine workers he broke the tradition of defeat which had always hung over the aspirations of those he led. He convinced the public that the gains of labor were the gains of all—that the labor movement was something to be welcomed rather than feared. He made public opinion a judge to which labor could more confidently appeal. His work was necessary before other men could do these things.

We now build upon the work of John Mitchell. He pioneered in his day for collective bargaining. Today we have put upon the federal statute books the legal mechanism to make collective bargaining a reality.

He pioneered in his day for the education of the public. Today we aim to make the public conscious that the welfare of labor is the welfare of all.

Carrying forward his work and that of others like him, we have begun a system of old-age pensions and unemployment insurance to substitute for uncertainty a new security in the life of the wage earner and his family.

How far we have come is shown

by the patriotic resentment with which labor and the public alike are meeting the latest attempts of a handful of employers to mislead and coerce labor with regard to the Social Security Act. Here is repetition of the arrogance and the ruthlessness which the operators utilized to try to break the solid ranks of labor when the miners fought at Armageddon in 1902.

PROFAGANDA SEEKS TO SABOTAGE SECURITY

But this propaganda misrepresents by telling only half the truth. Labor and a fair-minded public must place such tactics in a class with the coercion of the strong-arm squad and the whispering of the planted labor spy.

This pay-envelope propaganda has one clear objective—to sabotage the Social Security Act. To sabotage that act is to sabotage labor. For that act, as you know, was worked out with labor and enacted with the active support of labor—all kinds of labor.

Do these employers seek to repeal the Social Security Act? Because under the act they have to pay far more than half of the insurance given to the workers.

Get these facts straight. The act provides for two kinds of insurance for the worker.

For that insurance both the employer and the worker pay premiums—just as you pay premiums on any other insurance policy. Those premiums are collected in the form of the taxes you hear so much about.

The first kind of insurance covers old age. Here the employer contributes one dollar of premium for every dollar of premium contributed by the worker; but both dollars are held by the government solely for the benefit of the worker in his old age.

In effect, we have set up a sav-

ings account for the old age of the worker. Because the employer is called upon to contribute on a 50-50 basis, that savings account gives every two dollars of security for every dollar put up by the worker.

PREMIUMS PAID BY THE EMPLOYER

The second kind of insurance is unemployment insurance—to help the worker and his family over the difficult days when he loses his job.

For the unemployment security of the worker, the employer under the federal law puts up the entire premium—two dollars. The benefits of this insurance go 100 per cent to the worker—none to the employer. But the premiums for this unemployment insurance so far as the federal government is concerned are paid 100 per cent by the employer.

Now let's add it all up. Beginning January 1, for every one dollar which the worker is asked to put into an old age account for himself, employers are required under the federal act to contribute \$3 to protect the worker from both unemployment and old age. That is, the worker contributes only one dollar to his old age security; he contributes nothing to his security against losing his job. But at the same time the employer has to put up \$2 for unemployment and \$1 for old age.

Three for one! There's the rub. That is what these propaganda-spreading employers object to. The record extending back several years shows that their purpose has always been to compel the worker alone to put up all the premiums both for their unemployment insurance and their old age insurance. They are now trying to frighten the worker about the worker's \$1 premium, so that they won't have to pay their \$3 premium.

LABOR WILL REFUSE TO BE ROBBED OF GAINS

These propagandists are driven in their desperation to the contempti-

ble, unpatriotic suggestion that some future congress will steal these insurance funds for other purposes. If they really believe what they say in the pay envelopes, they have no confidence in our form of government or its permanence. It might be well for them to move to some other nation in which they have greater faith.

I know that American workers made wise as well as strong by the achievements of John Mitchell and his successors will not be fooled by this campaign any more than they were frightened by the strong-arm squads of the past.

John Mitchell taught labor that to win and to preserve the fruits of its victories, it must have a cool head as well as a warm heart. I know labor will refuse to be robbed of its gains—that the program begun by its friends will be safeguarded and carried forward, until the fuller security that is its right is won.

## FLINTKOTE ROOFS

Last Longer!

3 Years to Pay!

If You Re-Roof Now!

## Emory Faculty and Their Wives To Be Honored at Reception Today

Dr. and Mrs. Harvey W. Cox and members of the faculty of Emory and their wives will entertain at a reception on this evening at the home of Dr. and Mrs. Sam Guy on North Decatur road in honor of the new members of the faculty. Receiving with Dr. and Mrs. Cox will be the honorees, Dr. and Mrs. Haywood Pierce, Dr. and Mrs. Warren Matthews, Mr. and Mrs. Alfred Rawlinson, Mr. and Mrs. Roger Harpelle, Dr. and Mrs. W. Adams, Mr. and Mrs. K. T. Boat, Misses Tommie Dora Barker, Evalene Jackson, Agnes Coleman, Geraldine Le May, Mrs. Wesley Carr, Mrs. Florence Simons; the members of the faculty and their wives, Dr. and Mrs. F. N. Parker, Dr. and Mrs. Goodrich White, Dr. and Mrs. Edgar Johnson, Dean and Mrs. R. R. Patty, Dr. R. H. Oppenheimer, Dr. C. J. Hickey; and the presidents of the faculty clubs, Dr. and Mrs. Osborne Quayle, Dr. and Mrs. J. H. Purks.

Mrs. J. Sam Guy is hostess and will be assisted by Mesdames Strausbaugh, J. L. McGhee, Nat G. Long, R. S. Hodgson, Stewart Roberts, E. L. Jackson, Ross McLean, R. R. Pate, L. L. Clegg, Misses Ida Munro, Nell Parker, Margaret Parker, Eva Rumble, Virginia McGhee, Myrtice Trimble, Frances Baker, Mary Stipe, Leila Stipe, Florence Sledd, Antoinette Sledd, Virginia Peed, Mary Steadman, Mrs. Franklin N. Parker and Mrs. James E. Dickey will pour coffee and guests numbering 300 will include executive members of the faculty and their wives.

## Atlanta Debutantes Via THE ZODIAC by Bernice Denton Pierson

DOROTHY SHIVERS.

Aphrodite, the Greek representative of the Latin Venus, the laughter-loving goddess of love and beauty, is said by the old poets to have been born from the foam of the sea, and the sea, mystically interpreted, is the emotional, psychic, or astral plane, where chief beauty lies in its constant variety of form, in its power to adapt itself to ever-changing conditions; in short, the "Eternal Feminine." Such is the Libra type, under whose influence charming Dorothy Shivers, daughter of Mrs. Lester Shivers and the late Mr. Shivers, and president of the 1936-1937 Atlanta Debutante Club, was born, October 17th marking her natal day. Venus is her ruling planet.

The Sun's position in this chart gives originality and self-reliance. The position of Venus gives a love for music and the fine arts.

The Mars position gives executive talent and positive responsibility. The Moon position gives quickness of perception and accuracy of observation. This position endows with intuitive powers, inventiveness and independence. There is little doubt of the success of any organization with which she may be associated.

The Venus-Jupiter position strengthens the entire chart, promoting happiness and success to continue throughout a long life.

Her best color is blue. Her stones the amethyst and the dark-toned sapphire.

You can get your complete astrological forecast through The Atlanta Constitution, compiled by Bernice Denton Pierson, one of America's best-known astrologers. All you have to do is to fill in the coupon below, enclosing a self-addressed, stamped envelope, to be returned to her, and you will receive through the mail certain pertinent facts which deal astrologically with the Sun at the time of your birth, a sun-chart, and with this sun-chart, a series of numbers which will enable you to identify the planetary interpretations, which will be published in The Constitution, dealing with the influence of a given planet on the day of your birth, according to the rules of astrology. When you have checked each of your numbers you will have completed the Planetary Interpretations.

Below are planetary indications, according to the rules of astrology, one of which may apply to your forecast.

### Mrs. Jones Honored By Organization.

Mrs. Thaddeus Jones, of Washington, D. C., national president of the Society of Founders and Patriots of America, and her daughter, Mrs. Alexander Cox, wife of the dean of Williams & Mary College, of Williamsburg, Va., were honor guests at the recent meeting of the Georgia Society of the organization held at the home of Mrs. J. Harold Nicholson.

On account of illness and absence of the president, Mrs. J. P. Womble, the vice president, Mrs. Frank T. Mason presided. Mrs. Mason introduced Mrs. Jones, who made a talk on the growth of the national society. Miss Ruth Blair, state historian, told of the Georgia women of the past and of the present era. Mrs. D. R. Petzet sang and was accompanied at the piano by Miss Edith Holliday.

Mrs. Frances Brown Chase, honorary national vice president of the Daughters of American Colonists, and program chairman, introduced active state officers of the organization, and the past and present national officers who attended the meeting, including Mesdames C. M. Mell, John M. Slaton, Claude C. Smith, S. Page Rees, Bryan W. Collier, Moreland Sneed, H. H. McCall, Lucius McConnell, Charles F.

### Moving Picture To Be Presented.

The picture, "Life's Railway to Heaven," taken from the song of the same name, will be presented by Rev. Charlie D. Tillman, Friday evening at 7:30 o'clock at Stewart Avenue Methodist church. The program is being sponsored by Circle No. 1 of the W. M. S.

"Life's Railway to Heaven" has been a very popular moving picture, having been presented by different churches throughout Atlanta. The public is invited to see this picture. No admission will be charged. A free will offering will be taken for the benefit of the W. M. S.

## Tallahulee Leaders at Washington Seminary

Pictured above are the newly elected officers of the Washington Seminary Circle for the Tallahulee Falls School, who were recently installed. On the front row, left to right, are Misses Aline Macy, Dorothy Bagwell, Patricia Poole, first vice president. On the back row are Misses Ann Harris, secretary, and Misses Francis Hoyt, retiring vice president, who assumed leadership of the circle following the marriage of the president, Mrs. Charles Willis, the former Miss Mary Harrison. Miss Mary Joe Brownlee, the second vice president, was not present when this photograph was made by Kenneth Rogers, Constitution staff photographer.

### Delightful Parties Honor Debutantes

Lovely parties continue to honor popular members of the Debutante Club. Miss Lucille Willis was complimented Thursday at the luncheon given by Mrs. Hugh Dobbins at the Capital City Country Club. Mrs. Charles Willis assisted in entertaining. Guests were Misses Elkin Goddard, Beverly Bailey, Catherine Gray, Dorothy Shivers, Eloise Gresham, Rosemary Mary, Emma Middlebrooks, Nell Freeman, Edith Shepherd, Cora Gantt, Sally Jenkins and the hostess.

Another delightful affair of Thursday was the tea at which Mrs. James M. Whitten Jr. was hostess at her home on Nacoochee drive in honor of the members of the debutante coterie. Assisting in entertaining were Mesdames Milton Dargen Sr., Mrs. James H. Whitten Sr. and Miss Jennie Dargen, aunt of the hostess. Mrs. Frank Lumpkin, of Columbus, mother of the hostess, and Mrs. Milton Dargen Jr., her aunt, poured tea and coffee. Invited were members of the Debutante Club and a few close friends of the hostess.

Mrs. Harry Harmon Sr. entertained at a beautifully appointed luncheon Thursday at the Capital City Club at which Miss Christine Thiesen was central figure. Guests included Misses Alice Davis, Clara Harvey, Emily Erins, Julia Colquitt, Robert Peeples, Laura Middleton and her guest, Margaret Worthington, of Washington, D. C.; Annette Hightower, Elkin Goddard, Catherine Gray, Betty Gregg, Katherine Newman, Nancy Waldo Jones, Mrs. R. J. Thiesen and Mrs. Harmon.

On Wednesday Miss Elizabeth See was hostess at a tea at her home on Westminister drive, honoring Misses Robyn Peeples, Christine Tiesen and Alice Davis. Assisting in entertaining were Mesdames R. J. Thiesen, Edw. Peeples, Henry W. Davis, Calhoun McDougal and B. K. Clayton. Invited for this lovely affair were 140 members of the young social set.

### Woodcrest Club Holds Meeting.

The recent meeting of the Woodcrest Woman's Club was attended by an enthusiastic group of members, with the president, Mrs. A. O. Woodward, presiding. Chairmen for the following committees appointed: Grady hospital auxiliary, Mrs. M. C. Patton; scrapbook, Mrs. C. N. Meadows; and then make-up.

Mrs. R. O. Todd, chairman of committee for purchasing chairs for the club, made an encouraging report. Mrs. C. Crowell, chairman of Tallahulee Falls School, and her committee are arranging a visit to the school at an early date. Mrs. Ralph Beasley, chairman of social committee, with Mrs. Jerome Smith, are in charge of an "open house" entertainment on November 21 when members and their husbands and friends will be invited. The club endorsed the efforts of the P. T. A. of the Milton Avenue school to obtain an auditorium for the school. The club voted favorably to assist the community club in securing a fire station for this section, which is so much needed.

### Orphans' Fund.

Orphans' fund committee of Atlanta Council No. 2, Daughters of America, will sponsor a Halloween dance and entertainment Saturday evening at 8 o'clock at the hall, 236 1-2 Capitol avenue. All Daughters of America and Junior Order United American Mechanics and their friends are invited to attend.

### Brookhaven News.

Mr. and Mrs. Z. W. Jones, of Brookhaven, spent the week end in Dalton. Mr. and Mrs. M. K. Duren spent Sunday at Duluth, Ga., as guests of Mr. and Mrs. M. Duren. Mr. and Mrs. M. M. Morton and daughter, Anne Morton, recently visited Charlie Morton, of Atlanta. Mr. and Mrs. H. W. Smith, Miss Wynell Smith and Charles Smith accompanied by Mr. and Mrs. C. L. Smith and children, visited Mrs. Joyce Smith, of Atlanta, visited Rev. and Mrs. J. P. Smith and family at Cumming, Ga., Sunday.

Mr. and Mrs. Joe Morris, Miss Josephine and Earnestine Cape and Dempsey Cape spent Sunday at Ludville, Ga., as guests of Dr. and Mrs. W. H. Weeks. Mr. and Mrs. J. W. Wright accompanied by Mr. and Mrs. L. D. Wright and daughter, Eleanor Wright, of Decatur, recently visited Mr. and Mrs. Robert Ash at Cedartown. Mr. and Mrs. D. W. Porter, Glenn Jr. and Buddy Porter spent the week end in Greenville, S. C., as guests of Mr. and Mrs. J. O. Mostella. Mr. and Mrs. W. D. Oliver, Mr. and Mrs. H. E. Oliver and daughter, Nancy Jane Oliver, recently visited Mr. and Mrs. Joe Daniel at Marietta. Little Johnnie Farr is ill at his home on Ogilthorpe avenue.

### WOMEN'S MEETINGS

FRIDAY, OCTOBER 30, 1936.

Mrs. Hugh Howell will be hostess to the Georgia Woman's Democratic Club at her home on Park lane from 3 to 5 o'clock.

Atlanta Chapter of World Caravan Guild meets at Black's tea room in the Palmer building at 6 o'clock for a dinner-lecture.

A mission study class meets at the Confederate Avenue Baptist church from 10 to 1 o'clock.

Sunbeams of the Lakewood Heights Baptist church meet at the church at 3 o'clock.

Decatur Garden Council will be honor guests at the Gladiolus Garden Club meeting at the home of Mrs. J. H. Johnson, at 332 West Benson street, in Decatur, at 3 o'clock.

The O. E. S. school of instruction meets at the Lebanon Chapter, corner Dill and Stewart avenues, at 3 o'clock.

### Church Bazar.

The women of the Church of the Epiphany are having a bazar at Little Five Points. They are closing out a line of gift sample goods, and homemade cakes, pies and aprons are for sale. Mrs. W. D. Thompson is chairman.

### Alpha Pi Members Will Be Honored

Mrs. Eugene Cronheim will entertain members of the Alpha Pi fraternity with a hay ride and supper at the "Witch's Tavern" in Roswell in honor of the freshmen on Saturday evening. Officers are Charles Barnwell, president; Bob McDuffie, vice president; Jimmy Strain, treasurer; Alfred Smith, secretary.

Young ladies invited are Misses Margaret Winslow, Marie Cherry, Lena Elliott, Margaret Mathews, Larue Mize, Elizabeth Groves, Marjorie Ward, Frances Ponce, Joyce Estes, Mary Rudolph, Jane Smith, Jacqueline Smith, Susan Garrett, Marjorie Dobbis, Dottie Freeman, Dorothy Weisiger, Doris Sullivan, Dorothy Jean Pope, Elizabeth Collier, Emmy Martin, Margaret L'Engle, Jane Franklin, Lois Hunter and Alberta Bell.

Members include Rudy Geisler, David Chiles, Adlai Grove, Tom Addison, Henry Peeples, Richard O'Callaghan, Dick Hall, Stratton Hard, Bruce McDuffie, Arthur Strain, LeRoy Denny, Perry Blackshear, Harry Erwin, John Blimore, Fritz McDuffie, Billy Simmons, Jo Teague, Paul Potter, Bill Willingham, Walter Pope, W. A. Swindell, Foster Law, Guy Harris and Rogers Toy.

### Sacred Heart Party.

Sacred Heart Alumnae will sponsor a benefit bridge-luncheon, November 4, at 1 o'clock. A special luncheon will be served at 12 o'clock for business people. Reservations may be made by phoning Mrs. Harold Edge, at Raymond 8317 or Miss Sarah Brown, at Hemlock 6365.

## Atlanta U. D. C. To Derive Benefit From Concert

The Rabun Gap-Nacoochee School, through Atlanta Chapter, of United Daughters of the Confederacy, will be sole beneficiary of the Georgia Piano Ensemble Concert which will be given on Thursday, November 12 at matinee and evening performances.

Mrs. Forrest Kibler, president of the chapter, and Mrs. W. M. Carmichael, chairman of the benefit committee, announce that the proceeds received from this concert will be added to the fund being raised for the purpose of building a cottage at the school, where a family may live while obtaining an education. This cottage will be a memorial to the late Miss Alice Baxter, who, while president of the Georgia division, was influential in beginning the activities of the U. D. C. at the school. The cottage will be called the "Alice Baxter Cottage."

The Rabun Gap farm school is a foundation for the education and support of a family during its term of residence on the campus. Each man, woman and child is a student. A model six-room frame cottage with a barn and poultry house and about 40 acres of land are furnished each family. Parents and their children carry out a prescribed plan of farming and a course of training in the school. Experts of the Carnegie Corporation have cited the school as one of the most significant in the mountain region.

Mrs. Mabelle S. Wall, president of the Georgia Piano Ensemble, announces that there will be 700 participants in the third annual concert. Combination of 20 pianos playing at one time and lesser numbers playing with orchestra and a chorus of 500 voices from the senior high schools of Atlanta will be featured. A ballet presenting Kreiser's "Caprice Venetian" will be given by the Dance Crafters. There is hearty endorsement by the Georgia Federation of Women's Clubs of this plan for musical education through participation. Tickets will be sold by members of the Atlanta chapter at downtown points and they may be secured by calling Mrs. Carmichael, Dearborn 4300 or Mrs. H. M. McElarty, Hemlock 0671. Mrs. Kibler urges members and friends to make their reservations early for the concert.

### Miss Edmonds Weds J. Ernest Wilbanks.

TALLAHULEE FALLS, Ga., Oct. 29. The marriage of Miss Edith Lynette Edmonds, of Tallahulee Falls, to J. Ernest Wilbanks, of Atlanta, was solemnized on Sunday afternoon, October 26, at 3 o'clock, at the home of the bride's parents, Rev. Jim Kinsey, of Clarksville, performed the ceremony in the presence of the two families and a few close friends. The vows were taken before an improvised altar of banked fern. Floor baskets of bronze dahlias stood at each side of the altar and candelabra of white candles burning tapers. Miss Marion Calloway played the music by which the bride and groom entered together.

The bride, who is of Italian beauty, was never lovelier than in her wedding costume of brown, with matching accessories and shoulder corsage of tulleman rosebuds and valley lilies. She is the elder daughter of Mr. and Mrs. Wesley A. Edmonds, of Tallahulee Falls. She is a graduate of Tallahulee Falls Industrial school. Later she attended Piedmont College and taught school in Stevens county.

Mr. Wilbanks is the elder son of Mr. and Mrs. Dillard Wilbanks, of Clarksville. He attended school at Young Harris and is a graduate of Piedmont College. He holds a responsible position with the Atlantic Steel Works, Atlanta, Ga. Out-of-town guests were Mr. and Mrs. Ed Franklin, Columbus, Ga.; Mr. and Mrs. John Franklin and daughter, Veda, Spartanburg, S. C.; Mr. Rapp, Mr. Brown and Mr. Hood, Atlanta; Mr. and Mrs. Dexter Berry, Columbus, Ga.; Hubert Calloway and Earl Wilbanks, of Columbus, Ga. Wilbanks and his bride left after the ceremony and will reside at 4311 Lee street, S. W., in Atlanta.

### Social Affairs Given In Marietta, Ga.

MARIETTA, Ga., Oct. 29.—Bobby Hancock will entertain at a Halloween party Friday afternoon at his home on Church street.

Mrs. Benny Kaplan entertained at a children's party on Tuesday at her home on Seminole drive honoring her daughter, Betty Ann, on her third birthday.

Miss Martha Murphy and Jimmy Murphy will entertain at a Halloween party Saturday at their home on Atlanta street.

Judge and Mrs. S. H. Sibley left Thursday for Montgomery, Ala., and Fort Worth, Texas.

Mrs. W. M. Kirkpatrick, of Atlanta, is visiting Mrs. W. L. Richardson on Freyer drive.

Mrs. Morgan McNeel Jr. will entertain at a children's party Saturday at the Marietta Golf Club honoring her son, Harry McNeel, on his ninth birthday.

Mesdames Malcolm Nolen, John Collins, Roy Collins, Harold Hamby and Misses Marjorie Collins and Mine Lewis Collins attended the luncheon Wednesday given in Chattahoochee by Mrs. Claude McMillan for Miss Idelle Collins, bride-elect.

Mrs. Agnes L. Carmichael, of Birmingham, was the recent guest of Mrs. Martin Amorous at her home on the Atlanta road.

Mr. and Mrs. M. C. Pittard and Mr. and Mrs. E. H. Gibson, of Atlanta, spent the week-end with Mrs. C. E. Armour at Washington.

Mrs. H. E. Hague and Mrs. L. B. Sullivan were luncheon guests Thursday of Mrs. Charles Hugley at her Atlanta home.

Mr. and Mrs. A. E. Donahoe, of Atlanta, are visiting Mrs. W. W. Lee on Atlanta street.

Mr. and Mrs. J. G. Hollis announce the birth of a daughter Monday, October 26 at the Marietta hospital.

Mrs. Horace Loudemilk and Mrs. Charlie Cox will entertain the Wesley Philathea Class Monday evening at the home of Mrs. Loudemilk on Freyer drive.

Mrs. D. C. Cole leaves next week to visit her daughter in Fort Wayne, Indiana.

Mayor and Mrs. T. M. Brumby are spending several days in Virginia. Mrs. Pierre Cambloss and Mrs. Charles Allison are in Tampa, Fla., for an extended stay.

Fidelis Class Officers Are Entertained. Mrs. J. F. Pennington entertained at luncheon Tuesday at her home on Hartwood avenue, complimented officers of the Fidelis Class of Capital View Baptist church. Vari-colored dahlias and chrysanthemums adorned the home and the Halloween mask was carried, and games and contests were enjoyed. Present were Mesdames M. H. Dameron, W. H. Lyle, C. E. Chapman, Fred Allen, O. C. Woodward, J. R. Higgins, O. R. Garner, E. E. Peck, W. R. Shannon and J. F. Pennington.

### Pilot Club Officer

Miss Mabel Clair Speth, of Savannah, who was honored guest at the dance given recently by Atlanta Pilot Club members. She visited Mrs. Carolyn Seivers, president of the local club.

## Miss Burrus Weds John W. Walden In Columbus, Ga.

COLUMBUS, Ga., Oct. 29.—Miss Amelle Compton Burrus, daughter of Mr. and Mrs. Philip Henry Burrus, became the bride of John William Walden at 8 o'clock Thursday evening at the Trinity Episcopal church. Rev. Harry Walker, rector of the church, performed the impressive ring ceremony before a brilliant gathering of society.

A musical program was rendered by Edwin H. Vonderau. Ushers were Shelby Compton, William H. Dismuke Jr. and Fred Dismuke, uncles of the bride, and Pleasant B. Patterson, cousin of the bride. Groomsmen were Norman Ilges, James Bradford, Spencer Waddell, Mauden Hatcher, Beverly Howard, Dexter Howard, Logan Dismukes and Henry Swift.

The bridesmaids were Mrs. Charles Carter, sister of the groom; Miss Oline Kelly, Mrs. Samuel Brown, of Atlanta; Mrs. Henry Burrus, Jr., of Spray, N. C.; Miss Lorraine McLaughlin, Mrs. Hyman Field, Miss Joan Raft and Miss Janet Tigner, of Atlanta. They wore gowns of shell pink satin made along empire lines with lengthened to form trains. The neck lines were the new pointed square effect and the short puff sleeves were made of strips of knotted satin. They wore tiny flower hats of pink Buckingham daisy chrysanthemums and carried arm bouquets of the same lovely flowers.

Miss Juliette Burrus was her sister's maid of honor. She wore a gown of pink satin like those worn by the maids and she also wore a tiny flower hat. She carried an arm bouquet of larger pink chrysanthemums.

The radiantly beautiful bride entered with her father, Philip Henry Burrus, and was met at the altar by the groom and his cousin and best man, Brandy Driver. The came-like blond beauty of the bride was enhanced by her wedding gown of pale blue satin, and her voluminous veil of blue bridal tulle which fell in soft folds to the hem.

The dress was fashioned on empire lines with high straight neck and long light-colored train which fell in soft folds to the hem. The shoulders hung a court train whose scalloped hem was embroidered in blue. The train enveloped the bride in a cloud of blue, was caught to a blue Chantilly lace cap with three gardenias. Completing her costume was a bouquet of gardenias and valley lilies arranged in cascade effect.

After the ceremony Mrs. and Mr. Burrus entertained with a reception at the Night Owl. Receiving the guests were Mr. and Mrs. Burrus, parents of the bride, the bride and groom and Mrs. Alice Bradley Walden, mother of the groom. Serving punch were Misses Sarah Louise Turner, Mary Hollis, Elvie Scarborough and Winifred Balle, Mrs. George King and Miss Almarine Slade.

Out-of-town guests were Mrs. Laura Alley and Mrs. W. A. Cunningham, of Mobile, guests of Mrs. W. C. Bradley; Mr. and Mrs. Albert Wynne, of Atlanta, uncle and aunt of the bride; Mr. and Mrs. Albert Wynne Jr., of Savannah; Wilbur Blackmon, Misses Adelaide, Martha and Janet Tigner, of Atlanta; Dr. and Mrs. Samuel Brown, of Atlanta.

Mr. Walden and his bride left for New York and on their return will move into their apartment at Wildwood Court. For traveling the bride wore an ensemble of autumn greens with grey accessories.

### Benefit Bridge.

Mrs. Arthur T. Allen, chairman of the Winna Day memorial, Atlanta chapter, U. D. C., assisted by Mesdames Forest Kibler, W. M. Carmichael and C. J. Sheehan, will sponsor a benefit bridge party at the chapter house on Juniper street, N. E., November 4, 2:30 o'clock. The proceeds will be used toward the support of the Winna Day memorial house. Many tables have been reserved and attractive prizes donated. Tables are \$1 and single seats are 25 cents each. Players are requested to bring cards and pencils.

Men and Women find more comfort in Dr. Parker's HEALTH SHOES 216 PEACHTREE

CONSTITUTION COMIC SECTION

## My Story

By ELEANOR ROOSEVELT

NEW YORK, Wednesday.—Eighty-three this morning saw me in the President's car, starting for Bayonne, N. J. The drive in the open car was cold and windy, but the air was nice and the day clear and sunny. We went along quietly until we were almost at Bayonne, when a motorcycle policeman recognized us and started ahead blowing his siren. This immediately brought recognition and people began to call out and wave to me. We reached the station and waited about 20 minutes before the train drew in.

I got on board and had a few hurried words with the party. The crowd around the station was great. The President, the mayor, Dr. Dummigan, and I got into the car and stopped just long enough for a few words of greeting.

We motored through a friendly, enthusiastic crowd on our way to the bridge leading to Staten Island, where we met Governor Lehman and Judge Freestone. As we drove across Staten Island to the Brooklyn ferry we received another warm welcome.

Mayor LaGuardia joined us as we landed in Brooklyn. Here we again passed through crowds of people until we reached the new buildings for Brooklyn College.

It is amusing to watch the houses as one goes past, for people hang out of the windows expressing their enthusiasm in different ways. I looked at one window and saw a gentleman partly hidden by two ladies who had evidently called him to come at once, for his face was completely covered with lather. His shaving had been interrupted at a very awkward moment!

Ed Kelly, Democratic leader of Brooklyn, joined us in the car for the rest of our drive through Brooklyn. I was interested to see the school in Williamsburg Park and the Williamsburg housing project, though we did not have time to stop at either one.

We drove straight to the ferry for Governor's Island and there I left the party, being taken back to my luncheon engagement in the police commissioner's car. However, the police sign was taken off and we obeyed all the rules and used no siren, so I was happy.

We certainly traveled through enemy territory on our way to the ferry. While the streets were very full and there were many waves and cheers, there were no lack of boys, which amused me a good deal.

I rather think that kind of demonstration is a sign in certain ways. After all, the whole world can't think and feel alike!

(Copyright, 1936, for The Constitution.)

## East Point Social News.

Mrs. George Sparks entertained at a child's party Friday at her home on Forest avenue, complimenting her daughter, Elizabeth.

Mr. and Mrs. Culver Davis and children, of Baltimore, have returned after a visit to Mr. and Mrs. Howard Groover and Mr. and Mrs. Mel Hearn in Jefferson Park.

Mr. and Mrs. M. B. Carroll, of Dublin, are visiting Mr. and Mrs. M. Carroll on Cheney street.

Mr. and Mrs. W. D. Jeter announce the marriage of their daughter, Margaret Jeter, and Robert V. Murphy Saturday, October 24. The ceremony was performed by Rev. Allen Peacock at his home in Hill.

The presence of a few friends. They are residing at 402 Maple street.

Mrs. Harold Wallace, of Rutledge, spent last week with her mother, Mrs. A. M. Hambrick. While here her little daughter, Joyce, underwent a tonsil operation at a private hospital.

Mrs. Tillman C. G. visited relatives in East Point on her return to Griffin from Baltimore, Md., and Washington, D. C.

Many social affairs honored Miss Marjorie Clinkens, whose marriage to James D. Poage will be an event of Saturday.

Mrs. C. R. Carter entertained Saturday at her home on Linwood for her son, Chester Carter, on his birthday anniversary.

Mr. and Mrs. E. D. Stevens will spend the week with their parents, Mr. and Mrs. M. E. Stevens, on Church street, after an absence of several months.

Mrs. Ross Lester, of Atlanta, on her return from Detroit and Dallas, Texas, spent Thursday with Mrs. J. H. Nolan on Forest avenue.

Mrs. C. R. Carter entertained Saturday at her home on Linwood for her son, Chester Carter, on his birthday anniversary.

Mrs. C. R. Carter entertained Saturday at her home on Linwood for her son, Chester Carter, on his birthday anniversary.

## SOCIETY EVENTS

FRIDAY, OCTOBER 30.

Mrs. Blawett Lee gives a luncheon at the Piedmont Driving Club honoring Miss Laura Maddox, attractive debutante.

Mrs. E. N. O'Brien gives a tea at her home at 10 West Wesley avenue honoring Misses Anne Irby, Annette Hightower, Martha Burnett, Emma Middlebrooks and Martha deGolian, debutantes.

Mrs. Francis Marion Farley Jr. gives a tea from 4 to 5:30 o'clock at her home on Peachtree street for her cousin, Miss Isabel Parker.

Mrs. Hugh Howell entertains from 3 to 5 o'clock at her home on Park lane to the members and friends of the Georgia Woman's Democratic Club.

A Halloween dance will be held at Peachtree Gardens, sponsored by the Atlanta Club.

Beta and Gamma chapters of Phi Alpha Kappa sorority entertain at a dance at the Druid Hills Golf Club.

Rebecca Felton Chapter, U. D. C., sponsors a bridge party at St. Peter's at 10:50 o'clock.

Halloween carnival takes place at W. F. Slaton school from 2 to 5 o'clock.

Sigma Delta sorority gives a script dance at the Shrine mosque.

Emory Chapter of Sigma Chi Fraternity entertains at a Halloween dinner-dance at the chapter house on Fraternity Row.

Samuel M. Inman P.-T. A. sponsors a Halloween carnival on the school grounds at 2 o'clock.

Gamma Phi Delta sorority entertains the pledges at a dance at Habersham Hall.

Beta Chapter of Sigma Tau Delta sorority entertains pledges with a dinner at 6 o'clock at the Tavern.

Delta Zeta Chi Club gives a treasure hunt at Pine lake.

Home-Makers' Class of Moreland Avenue Baptist church gives a Halloween party at 8 o'clock in the classroom.

Mrs. W. A. Pangborn entertains the Shakespeare Class at her home on Rumson road.

Members of the Gladiolus Garden Club entertain members of the Decatur Woman's Club at the home of Mrs. J. H. Johnson at 332 West Benson street.

Susannah Wesley Class of the Druid Hills Methodist church sponsor a Halloween party at the church, corner Seminary and Blue Ridge avenues, at 8 o'clock.

DeKalb County Democratic Women's Club gives a seated luncheon at the Decatur Woman's Club.

College Park Junior Woman's Club entertains at a pre-Halloween dance from 9 till 12 o'clock at the clubhouse in College Park.

Mr. and Mrs. E. Raymond Johnson entertain at a children's Halloween costume and masque in honor of their daughter, Miss Peggy Johnson.

The Boys' High School Officers' Club gives a hay ride and stork fry at the home of Mrs. W. S. Kell on Sycamore street in Decatur.

Members of Court 416, Junior Maccabees, give a Halloween party at 226½ Peachtree street at 3 o'clock.

For Miss Johnson.

Mr. and Mrs. E. Raymond Johnson will entertain at a children's Halloween costume and masque Friday evening in honor of their daughter, Miss Peggy Johnson. Dr. and Mrs. Patrick H. Jones will assist, and the party will be held at their country place, where the guests will enjoy games and festivities of the Halloween season, including a magic lantern slide show, a real Hindu magician, and 45 guests have been invited.

Fifth Ave. Carnival.

A Halloween carnival will be held at Fifth Avenue school today at 4 o'clock and continue into the evening. Each grade will conduct a booth including candy, grab bag, fish pond, dressed dolls, candied apples, ice cream, winners and cold drinks. The executive board will conduct a country store. No admission will be charged.

Ben Hill P.-T. A.

Ben Hill P.-T. A. sponsors a Halloween carnival this evening at 6 o'clock. Miss Mamie M. Locke will be in charge, assisted by the grade mothers.

Felicians Plan Dance.

Felicians will sponsor a tea-dance Saturday from 5 to 7 o'clock at the Columbian Club, 1200 Peachtree street, for their junior members. Hostesses will be Mrs. George P. Donnellan and Mrs. J. R. Lovette. Mrs. J. Porter Warren will preside at the punch bowl. The decorations and favors will carry out the spirit of Halloween.

## NANCY PAGE

Both Peter and His Dad Like This Corned Beef Hash

By FLORENCE LA GANKE.

SPECIALTY

Nancy went to a butcher shop with no clear idea of what she would buy for the night's dinner. The butcher was taking some good-looking corned beef out of the pickle and she said: "I'll take three pounds of that beef."

Just like that she made up her mind she would have some corned beef hash for dinner. She could open a jar of bread and butter pickles for a relish, use fresh celery to take the place of salad. The dinner would be apple dumplings, served with top milk which had been sweetened, and then dusted lightly with nutmeg. All of this flashed through her mind as she looked at the piece of meat.

"You are getting a good piece of brisket," Mrs. Page. We think that the second cut is the best piece of brisket since it is about evenly mixed with fat and lean. I never advise the rattleback piece even though it is cheaper, because it is apt to be tough. You know how to cook the beef? I'll tell you how my wife does it. She wipes the meat, ties it into a compact bundle, puts it in a kettle and covers it with cold water and brings the water to the boiling point. After five minutes' boiling the scum is removed and the heat is turned down so that the meat does nothing but simmer until it is tender, a matter of some hours.

Peel raw potatoes and chop them rather fine. Combine three cups of raw potatoes with two cups of finely cut cooked corned beef. Moisten with milk or cream and put into a heavy frying pan in which you have heated some butter or drippings. Have plenty, but do not let the fat smoke. Flatten the layer of hash and let it cook slowly for 45 minutes. Cover for first half-hour. The under crust will be well-formed and a pretty brown. Have the platter heated. Fold the hash over onto itself and slip onto the hot platter. Garnish with parsley. You may add onion juice to the hash if desired. Some people make indentations in the hot hash and break eggs into these indentations. Then the hash is slipped into an oven heated to a medium temperature which cooks the eggs gently. When the eggs are filled over the dish is ready to be served.

Nancy has a leaflet on autumn luncheon. Write her, enclosing a stamped, self-addressed envelope, in care of The Atlanta Constitution.

## YOUR FIGURE, MADAME

By IDA JEAN KAIN.

FAT HAS TO GO SOMEWHERE! If your physical activity is just average, you burn approximately 16 calories a year per pound of body weight, and, if you are a sedentary person, you burn only 12 calories.

It is what happens when you take more food than you burn that makes the difference. The extra food is stored in the body as fat.

Most of us get by on as little physical activity as possible. We sleep eight hours out of the day and sit 14 hours. This sort of life makes the logical parking place for any extra calories, and even the girl who limits her calorie quota strictly to her requirements must beware of the lumps and bulges that will mar the hips of normal weight. It takes daily exercise, 365 days a year, to cope with the surplus that will make you supple and keep you young.

Exercise 1. Position: Lying flat on the back, arms straight out from the shoulders, palms down. Hold the feet parallel throughout the exercise and try to have neck and shoulders relaxed while concentrating the movement in the waistline and hips.

Movement: Rock the lower part of the body from one side to the other, rolling over on the hips as far as possible, with alternate legs on top. This exercise is very effective for the buttocks and the sides of the hips where lumps and hollows threaten the best of figures.

Exercise 2. Position: Lying on side, both arms stretched up, head resting on one arm, legs extended and feet together.

Movement: Bring leg up and arm down briskly to meet in front of body. Repeat action eight times, turn over on the other side and repeat eight times.

Exercise 3. Position: Lying flat on the back, arms straight out from the shoulders, feet together.

Movement: Hold the left leg straight on the floor, and, without bending or turning the knee of the right leg, kick sideways. All movement in this exercise is at the hip joint and alternate legs are kicked. The leg is kept close to the floor in kicking. This exercise makes flexible muscles and discourages fatty deposits on the side of hip and thigh.

Movement is at the hip joint—and watch the sides of hips and thighs shrink!

You may prefer to do your kicking while standing, and in that case try this variation of an old kicking stunt.

Exercise 4. Position: Stand with feet apart, feet together, abdomen, chest and chin up.

Movement: Flex the right knee side, ward, pointing the knee out to the side with toes straight down. Perform six times with the right leg and then six with the left.

The more hip exercise you get, the more you will lose weight.

IDA JEAN KAIN.

You may supplement the exercises given above with those detailed in two of Miss Kain's leaflets, "Rolling Exercise" and "Rolling-Away!" These may be obtained by sending a large self-addressed stamped envelope to Miss Kain in care of The Constitution.

ANTI-LYNCHING GROUP

IN ANNUAL MEETING

Featured by discussions, addresses, reports and formulation of plans, the annual meeting of the Georgia Council of Women for the Prevention of Lynching was held yesterday at the Trinity Methodist church, with Mrs. R. H. McDougall, Atlanta, as chairman of the session.

Over 30 representatives of civic and religious groups from throughout the state were present and heard addresses by Dr. W. A. Shelton, the Rev. Nat. Long, Dr. Arthur Raper, Dr. W. A. Smart and T. C. Collier.

Barbara Bell Pattern No. 1989-B is available for sizes 14, 16, 18, 20, 22, 24, 26, 28, 30, 32, 34, 36, 38, 40 and 42. Corresponding bust measurements 32, 34, 36, 38, 40 and 42. Size 16 (34) requires 5 yards of 39-inch material. For trimming lower skirt and sleeve edges, belt and collar width it requires 5 yards.

Price of pattern 15 cents. Do not send stamps.

Send for the full Barbara Bell Pattern Book. Make yourself attractive, practical and becoming clothes, selecting designs from the Barbara Bell well-planned, easy-to-make patterns. Interesting and exclusive fashions for little children and the difficult junior.

pattern of four 10-14-inch motifs, four, and four reverses each of two different 2-12-inch motifs; material requirements; color suggestions; illustrations of all stitches needed.

To obtain this pattern send 10 cents in stamps or coin (not preferred) to Household Arts Dept., The Constitution, Atlanta, Ga. Be sure to write plainly your name, address and pattern number.

PATTERN 5084

These roses that charm the eye also will make your needle fly; they're five-to-the-inch crosses, and you know how quickly they're done! Worked in gloriously realistic shades their full-blown beauty on your dress refreshment, towels and napkins will make them just twice as dainty. Put the corner motifs together, if a large wreath is desired, in pattern 5084 you will find a transfer

## News of Gate City

Told in Paragraphs

With the Techwood housing project successfully launched, John R. Basiger, of Washington, management supervisor of the housing division of F.W.A., has been transferred to Montgomery to organize a similar project. Basiger has been in Atlanta since July 5.

Halloween carnival and beauty contest will be sponsored tonight at the Cox College auditorium by the dramatic club, it was announced yesterday. An amateur contest will be sponsored by the literary societies.

Mrs. Thelma Borg, psychological astrologer, will speak tonight at the Axtel library, Marion hotel, on "The Horoscope of the United States November 4." The lecture is open to the public.

Advisory board of the American Rescue Workers will meet at 8 o'clock tonight at 420 Piedmont avenue, N. E. O. Lee White, chairman of the board, announced yesterday.

Dr. C. H. Stauffer, of the First Christian church, will speak at the fellowship hour at 8 o'clock tonight at the Salvation Army temple, 54 Ellis street. The Salvation Army staff band will render a musical program.

Plans for the annual membership drive will be discussed at the weekly meeting of the American Legion Post No. 1, 12:30 o'clock today at the Ansley hotel.

Members of the Altar Boys' Society of St. Luke's Episcopal church will be given a luncheon by Charles W. Ashurst at 11 o'clock tomorrow morning at the parish hall of the church.

Frank A. Hooper Jr. will speak at the Masonic Club luncheon at 12:30 o'clock today at Rich's Tearoom.

William P. McKinney, commander of the Marcus W. Beck Post, Veterans of Foreign Wars, was convalescing yesterday at the residence on Evans street following his painful injury Wednesday. He was scalded when a coffee urn exploded. He is to be confined for several days, physicians said.

Jackie, a 6-year-old police dog, was declared guilty today of the murder of a fox terrier and mayhem on a Doberman, and was sentenced to death.

While Jackie scampered around his backyard yesterday City Judge Joseph J. Kelly heard the evidence. Jack Thomas complained that Jackie attacked and mangled his pet Pomeranian so badly that it required hospital treatment, and Mrs. Laura Browki told the judge the defendant chewed her pet fox terrier to death.

The owner, George Ploewnik, said he had built a seven-foot fence about his yard and that other dogs in the neighborhood were safe now, but police from a near-by station said Jackie helped Madrid in a chase.

So Judge Joseph J. Kelly in city court ordered Jackie's "execution."

## BRITAIN DECIDES PACT

BROKEN BY BOTH SIDES

Government However Will Continue Support of Neutrality in Spain.

LONDON, Oct. 29.—(AP)—Prime Minister Stanley Baldwin declared in parliament tonight that the British government felt the Spanish non-intervention pact had been broken by foreign sympathizers with both factions in the civil war.

"The general impression the government has formed," he said, "is that there have been some breaches, and arms sent to both sides. But they have not been anything near of sufficient importance to cause us to modify our policy in regard to non-intervention."

He spoke after Britain's foreign secretary, Anthony Eden, today descended in parliament to tell the government against Russian charges of Spanish neutrality violation.

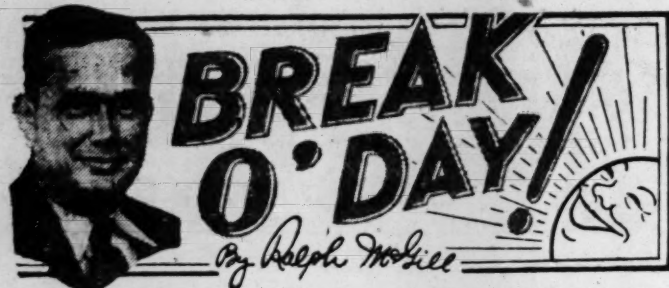

"Not a single one of the Soviet charges against the Portuguese armament has been proven," he told legislators assembled to hear the government's definition of its neutrality stand.

"The chief complaint against the workings of the non-intervention agreement is Soviet Russia," Eden continued, "which charged Portugal with infringement."

"We have no information whatsoever to support the Soviet charges," he said. "The British government has been working all through the weeks of August and September to try to get the committee going, should destroy what had been done, and when they

# L. S. U. Favored To Defeat Vandy in Conference Feature

Yesterday afternoon at East Lake—  
A warm sun. Leaves turning brown and golden. The sun-shine on the lake.  
Horton Smith stepped up and swung—  
Last spring at the Augusta National—  
Tornadoes skulking in the hills. Rains squalls blowing wet and cold. Water hazards turned into rushing torrents.  
And Horton Smith swinging on the first tee. He needed to make up six strokes when he swung that morning. Harry Cooper, leading the Masters' tournament for three days, was that far in front.

That afternoon there was the greatest rain squall of all. The course, already soaked, was covered with water in a quick deluge.

Horton Smith came to the last five holes. He had to get two strokes on par in those five holes to win.

At 14 he put a brassie shot on the soaked green. The ball stopped 40 feet from the cup, which was filled with water and possibly woe. He measured that putt and patted the ball. It trickled on and dropped into the water of the cup for a birdie three.

At 15 he was on and seven feet from the cup. He tapped the ball and it rolled over the wet carpet, hung a moment, and fell in for a birdie four.

He had his two strokes on par. He needed par on three more to win.

On No. 16 he put his iron shot on and was down in two putts for his par three.

And then came 17. He had a putt of 40 feet left and he hit the ball well. This green had drained a bit faster than the others. The ball slid 15 or 16 feet past the cup. Maybe a foot or two less, maybe a foot or two more.

That is quite a putt on any green and in perfect weather. He had, in a sense, missed his approach putt. He couldn't miss with this long one as the dark day began to close out.

He studied it—not too long. And then took his stance. A very wet gallery held its breath as a very wet ball began to roll over a very wet green.

It rolled on up to the lip of the cup, looked in, as they say, and then dropped as a yell went up.

He had his par. After that he couldn't miss par on the 18th. And the tournament was his.

It was a great finish. One of the greatest in golf. And it matched, almost, that finish of the year before when Gene Sarazen needed two strokes on par and got them on one hole, a double eagle, a deuce on a par five hole.

## HERE FOR EXHIBITION.

Horton Smith is here, along with Lawson Little and Jimmy Thomson, for an exhibition today at East Lake in which Bobby Jones will join. It is free to the public. Smith, one of the most popular of the professionals, has only one weakness. It best is illustrated by an old, old story they tell on the man they once called "The Tall Pine From Joplin."

He was, despite the fact he never imbibed in his life or never smoked, talking with some friends at a cocktail bar. And a lady said:

"Will you have a cocktail, Mr. Smith?"

"Thank you, no," said Mr. Smith.

"Will you have a cigarette, Mr. Smith?" asked another lady.

"Thank you, no," said Mr. Smith.

"Have you no weakness at all, Mr. Smith?" asked the first lady.

"Well," said Mr. Smith, ruminating a bit, so to speak, "I have been short on a lot of putts."

Horton Smith is the last golfer who won a decision over

## PITT IS FAVORED TO REMOVE RAMS FROM UNBEATEN

Yale Liked Over Dartmouth; Penn Slated to Trim Navy.

By Andy Kerr.

Head Football Coach, Colgate University. (Copyright, 1936, by North American Newspaper Alliance, Inc.)

HAMILTON, N. Y., Oct. 29.—The football program for the last Saturday in October is studded with sparkling engagements that present the most brilliant football of the season to date. In the east there are a few inter-sectional games, but the most important contests will be those among eastern rivals. The Pittsburgh-Fordham clash will go a long way towards establishing the mythical champion of the east. Holy Cross and Yale will put their hitherto unbeaten records in jeopardy.

Pitt and Fordham will provide one of the greatest rivalries of the year. Pitt has shown the most powerful attack in the east. Fordham has shown that it is equally strong on defense. Lady Luck may have much to do with the outcome. This should be an extremely hard-fought football game, but I prefer the chances of the Pittsburgh Panther.

When the strong Dartmouth team faces Yale it meets an extremely fine eleven. In a very close decision my selection is Yale.

### DIFFICULT TO CHOOSE.

The Columbia-Cornell encounter is difficult to do. Both of these eleven are very strong. Offensively, Columbia is better than its two defeats would make her seem. Cornell has made splendid progress and must be rated as one of the east's good teams. My selection is Columbia in a close game.

In the midst of a difficult schedule, Temple has had a lay-off and has had to prepare for the previous season. Holy Cross is strong and has a clean record to date. Holy Cross should be the pre-game favorite.

Princeton and Harvard meet in one of football's finest old traditional games. The competition this year is inequitable because Princeton has too much manpower. Princeton will be able to win this one with plenty to spare.

### FAVORS PENN.

During the past two weeks breaks of different sorts have cheated the Navy out of possible chances of defeating Yale and Princeton. The Navy team is strong and is likely to win any game it plays. The Penn team found itself in the Princeton game and, if it plays as it did in the contest against the Tigers, it looks like another Pennsylvania victory.

Colgate last Saturday showed improved form over the previous season. The Army looks like one of their best teams of recent years. Monk Meyer is a remarkable back and would make any football outfit a strong and hard team. The Army appears too strong and has too many reserves for Colgate.

Penn State and Syracuse have both been below form. Both eleven are potentially stronger than their records show. Penn State has the superior line and the Syracuse backs are better. In the past few years Penn State has come very close to victory. It looks as if this is Penn State's year to win.

A Purdue team that is strong offensively will rebound from its Minnesota defeat and will likely take Carnegie into camp. Carnegie has played fine football to date and this game may be close, although my prediction is a victory for Purdue.

Yates, Smith Beat Jones, Sargent.

Charles Yates and Horton Smith, with eight birdies between them, defeated Harold Sargent and Bobby Jones, 3-2, Thursday afternoon on the No. 1 East Lake course, in a preliminary to the big exhibition match at 1:15 o'clock this afternoon.

Yates had the lowest score of the afternoon, but each member of the foursome picked up on several of the holes, so that no accurate scores were kept.

Yates and Smith had the pressure really been on them, probably would have had a best ball in the low 60's, with the eight birdies, which gave them a decided margin.

The match followed a luncheon with Bobby Jones as host.

South Georgia Plays Tampa Team Tonight

TAMPA, Fla., Oct. 29.—(AP)—Gridiron warriors from the University of Tampa and from South Georgia, who were encamped here today with both coaches reporting their charges ready for their annual battle tomorrow night at Plant Field.

Undefeated, the Tampa University Spartans hoped to hold their goal line unbroken by alien scorers. They have won four games this season and played the Miami Hurricanes to a scoreless tie. The visitors have won four and lost one so far.

Miami Open Slated For January 1st

MIAMI, Fla., Oct. 29.—(AP)—The thirteenth annual Miami open will be played January 1-3, city officials announced tonight, with club-members showing for \$2,500 in prizes and the 72-hole route at the Miami Springs municipal course.

Willie Klein, of Wheatley Hills, L. I., last year's winner with 272, advised officials he would play in the 1937 renewal.

20,000 Fans Expected For Tide, 'Cat Game

LEXINGTON, Ky., Oct. 29.—(AP)—If fair weather prevails a crowd of about 20,000 football fans is expected to witness the University of Kentucky's homecoming contest with the Crimson Tide of Alabama here Saturday afternoon.

Fritz Orr Club In Athens Game

Football fans who want to get a full measure of football at Athens Saturday must be in the stadium one hour before the game in which Georgia meets Tennessee.

At that hour the Bluebirds and the Red Devils, two teams of boys, will play a regulation game. The two teams are made up of members of the Fritz Orr Club and will be guests of the Georgia team at the "big" game following their own.

A number of fine players have been developed on the two teams and they all are excited at the prospect of playing where the two college teams are to play. And ahead of them, too, which shows pretty conclusively which is the more important game. The best one comes first.

Players who have proved exceptionally good this year, according to Coach Orr are: Appleby, Howell, Martin and Tunnell for the Bluebirds, and Strobel, Ives, Hook for the Red Devils.

The boys are all between the ages of 11 and 12 years.

The Bluebirds' squad follows: Justus Martin, Clark Howell III, George Rice, Billy Black, Sanford Fottenger, Billy Huger, Rankin Smith, Howard Harmon, Tom Shelton, John McEachern, Henry Thompson, Billy Appleby, Fenton Tunnell, Hugh Quinn, Cary Baker, DeSales Harrison and Ed Lockridge. The Red Devils' squad is: Vincent Strobel, Ewing Dean, John Knox, Pete Story, Jack Hook, Charles Nelans, Homer Thompson, John Taulman, Stewart Ward, John Dixon, Howard McCall, J. Hawk, Trimble Johnson, Brock Ives and Bobby Indell.

## THOMSON, LITTLE, JONES AND SMITH WILL VIE TODAY

Star Quartet To Stage Exhibition Match at East Lake.

By Roy White.

Lawson Little, Jimmy Thomson, Horton Smith and Bobby Jones, all champions in their respective golf eras, and still the outstanding shotmakers of the country will give an exhibition this afternoon on the No. 1 East Lake course. And it will be free to the public.

The exhibition will start at 1:15 o'clock with a half hour of perfect shot demonstrations by Little and Thomson, with Smith at the microphone telling just how the shots are and should be made.

Following the half hour of demonstration shots, Smith and Thomson will play an 18-hole exhibition against Little and Jones, and what a match that should be, two of the greatest of the professionals against two former outstanding amateur kings.

Today's exhibition is but another of a series of nation-wide "golfing education" to be presented by Smith, Thomson and Little, with Bobby Jones, the king of them all, as an added attraction specially for Atlanta's fans. And with all the activities being free, it will be a real break for golfers and spectators of golf.

### LONGEST DRIVES.

Thomson and Little are recognized as two of the longest drivers in the game today. Their past records are proof enough, but today those "show me" spectators will have ample opportunity to see for themselves.

Little set a record of something over 300 consecutive victories in the American and British amateur championships, two titles which he won in a row. He turned professional last spring at the Augusta Masters tournament and is doing one of the greatest works possible for golf in touring the country with Smith and Thomson, in the exhibitions.

Today will be Little's first appearance on an Atlanta golf course, although Smith and Thomson have appeared here a number of times in tournaments and exhibitions.

### MASTERS WINNER.

Smith has won two of the three Masters tournaments at Augusta, winning the first and third. Gene Sarazen with his now famous double eagle, won the second.

Thomson has not been so fortunate in tournaments here as elsewhere but gave one of the rare exhibitions of long driving ever seen some time ago on the No. 1 East Lake course.

Thomson recently broke the Georgia course record with a 66, which is proof enough that his iron game and putting is a piece with his driving.

Today's entire program purely a golf education for those who love the game. And it is being sponsored by a golf supply manufacturer, an no expense to the public—one of the most worthwhile projects any firm could undertake.

And with Jones, the greatest golfer of all time in the four corners, winning the first and third. Gene Sarazen with his now famous double eagle, won the second.

## When Old Friends Get Together

Bobby Jones, left, and Horton Smith, right, met yesterday at luncheon at East Lake and in the afternoon played in a four-man with Charlie Yates and Harold Sargent. They were rivals, Smith winning at Savannah from Jones, just before Jones won his four major titles in one season. They, with Jimmy Thomson and Lawson Little, will play a free exhibition this afternoon.

## 'We'll Be Lucky To Win From Georgia,' Neyland

Ex-Army End Has Given Vols Prominent Place in "Football Sun."

By Ralph McGill.

Bob Neyland left the steamy jungles of Panama to come back to Tennessee where he had established one of the finest coaching records in football.

It is something of a coincidence that his first year at Tennessee as an assistant coach found Georgia on the schedule. That was 1925.

This year, for the first time since that year, Georgia and Tennessee meet again. And it is Neyland's first year back at Tennessee after an absence of one season.

In the 10 years Neyland was connected with the Tennessee eleven it won 76 games, lost 7 and had 5 ties. A majority of those defeats came in his last two years with the team.

BEAT VANDY.

Tennessee wanted someone to beat Vanderbilt. The Major lost that first year. But never again, while he was there, did Vanderbilt beat him.

Never before had Tennessee's football team occupied such a high position. Major Neyland gave them a place in the football sun.

Last year he was absent, an army transfer sending him to Panama. He resigned to enter the coaching profession with a long-term contract at Tennessee.

His big games are with Alabama, Duke and Vanderbilt. Those are his traditional games. There are other big ones, such as the one with Georgia tomorrow, but the three old games, which go on from year to year, are the ones listed above.

He tied Alabama and beat Duke. If he wins from Georgia tomorrow he will have a rest game next week with Maryville. And then comes his Vanderbilt game.

NEYLAND WRITES.

In a letter yesterday he said: "I consider the Georgia game Saturday one of the most dangerous on our schedule. Our scouts brought back word that Georgia plays real football when the team gets going as it did against Rice and Auburn. We will be lucky to win."

The game will attract a great crowd. The Tennessee team captured public fancy by the defeat of Duke. Georgia pleased with a great comeback against Auburn.

In a sense there is a rivalry beyond the mere game. The Army and Notre Dame are great rivals. Bob Neyland was a star end for the Army team at West Point. Harry Mehre played on Notre Dame teams that beat Army.

The odds are with the Major. But Harry Mehre has a slim chance—enough of one on which to take a foothold and fight.

FRITZ ORR CLUB IN ATHENS GAME

Football fans who want to get a full measure of football at Athens Saturday must be in the stadium one hour before the game in which Georgia meets Tennessee.

At that hour the Bluebirds and the Red Devils, two teams of boys, will play a regulation game. The two teams are made up of members of the Fritz Orr Club and will be guests of the Georgia team at the "big" game following their own.

A number of fine players have been developed on the two teams and they all are excited at the prospect of playing where the two college teams are to play. And ahead of them, too, which shows pretty conclusively which is the more important game. The best one comes first.

Players who have proved exceptionally good this year, according to Coach Orr are: Appleby, Howell, Martin and Tunnell for the Bluebirds, and Strobel, Ives, Hook for the Red Devils.

The boys are all between the ages of 11 and 12 years.

The Bluebirds' squad follows: Justus Martin, Clark Howell III, George Rice, Billy Black, Sanford Fottenger, Billy Huger, Rankin Smith, Howard Harmon, Tom Shelton, John McEachern, Henry Thompson, Billy Appleby, Fenton Tunnell, Hugh Quinn, Cary Baker, DeSales Harrison and Ed Lockridge. The Red Devils' squad is: Vincent Strobel, Ewing Dean, John Knox, Pete Story, Jack Hook, Charles Nelans, Homer Thompson, John Taulman, Stewart Ward, John Dixon, Howard McCall, J. Hawk, Trimble Johnson, Brock Ives and Bobby Indell.

## VOLS ARE LIKED OVER BULLDOGS IN HOME-COMING

Jackets Meet Clemson at Grant Field; Tide Faces Wildcat Eleven.

By Kenneth Gregory.

Associated Press Sports Writer. Louisiana State University clashes with Vanderbilt's Commodores in a headline Southeastern Conference duel Saturday—the first major hurdle in the path of the Tigers toward defense of the championship won last year.

Undefeated and possessing conference victories over Georgia and Mississippi, the Louisiana machine is favored over Vanderbilt. Reports from Nashville, however, say the Commodores look mighty improved in their scoreless draw with Georgia Tech and may upset the Tiger applicant.

The fact remains that Vanderbilt hasn't generated enough power to score in its last three games, while Louisiana State is turning back Georgia, Mississippi and Auburn with little trouble. Vanderbilt's only conference loss in 1935 was to L. S. U., 7-2.

As all the teams swing into action Saturday, six clubs remain unbeaten in conference proceedings, but Louisiana State is the only club whose record is not marred by a tie. Auburn, Tulane, Georgia Tech, Alabama and Vanderbilt are undefeated.

3 INTER-LOOP SCRAPES.

The program offers three intra-Southeastern quarrels, in addition to the Louisiana State-Vanderbilt fray, two arguments with the Southern Conference and in inter-sectional skirmish that finds Auburn's Plainsmen meeting a strong Santa Clara team in San Francisco.

Tennessee's Volunteers, fresh from the 15-13 upset victory over Duke's Blue Devils, invade Athens, Ga., for their third conference assignment. The Vols lost to Auburn 6-0 and played Alabama to a scoreless draw. Georgia, although vastly improved as shown by its second-half rally against Auburn last week before falling 20-13, will again be the underdog.

Scored on but once in five games—

# Alex Fears Letdown--Georgia Is Set for Vols

## CLEMSON SEEKS TO UPSET TECH HERE SATURDAY

Jackets Listless in Drill; Tigers Practice Here Today.

By Jack Troy.

That annual football bugaboo—the mid-season let-down—apparently has gripped the Georgia Tech football squad.

The squad is a bit listless. There is a lack of ginger and dash. And with the Clemson game coming up on Saturday—in fact, tomorrow—the situation is one to view with alarm as the Tech coaches see it.

The mid-season let-down is a veritable octopus. Its tentacles are all-encompassing. Players caught in its grip are wont to view the immediate future with a sort of "ho, hum" attitude.

It all comes about in the process of being battered and bruised during the first half of the schedule. The players get worn down physically. They're often a bit tired without realizing it.

Anyway, Tech is having a let-down. And those doing the upturn lowdown might do well to bear that in mind when they keep insisting the Jackets are an overwhelming favorite for tomorrow's contest with the Clemson Tigers at Grant field.

### LINE BLOCKING.

Line blocking on passes and scrimmage on pass defense occupied the Jackets yesterday in a workout that was cut somewhat short.

The players were sent in after rehearsing briefly the signals.

Captain Jess Neely will bring his troupe of Tigers to town this afternoon. They'll hold their final workout at Grant field.

The Clemson team is in good shape and primed to give the Jackets a great battle. The Tigers have been preparing for the Tech game ever since last Friday. They turned back their old rivals, South Carolina, 19 to 0, on Thursday.

Captain Neely has a great deal of fine material. His line is almost as big as Tech's and the backfield is fast, shifty and very versatile. Mac Folger is a strong backing back.

### TECH PASS DEFENSE.

It is a bit surprising that Tech has come up with such an uncertain pass defense. It was thought to be much stronger. May sound a bit harsh. But in boxing certain fellows are said to be suckers for a left. And the way matters now stand, those Jackets are rather easy marks for a well-executed forward pass.

Don't think for a minute that Clemson can't pass. That's really one of the strong points of the Tiger attack. The Tigers not only go in for plenty of forwards but now and then are not adverse to tackling laterals on the end.

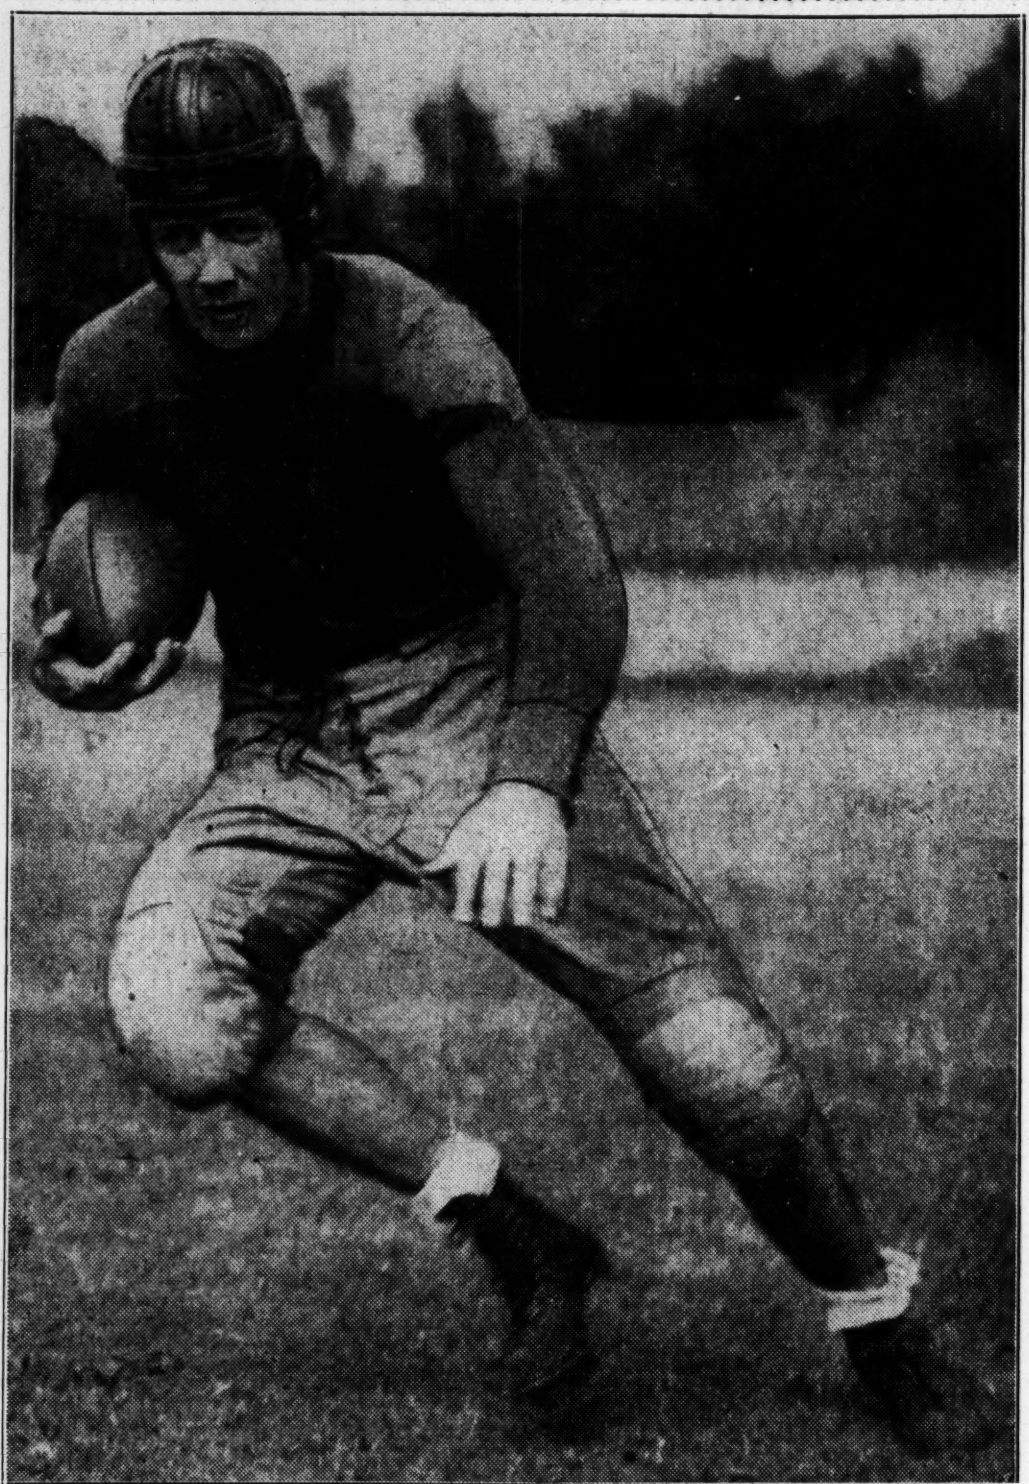

Tech probably will run two teams against the Tigers. But not at the same time, of course. The Jackets are sticklers for the rules.

However, it would not be surprising to find Coach W. A. Alexander substituting an entire new team at a time.

Chances are the starting backfield combination will include Lawrence

Continued in Fourth Sports Page.

## Lightweight, Through-Freight Fullback Is Appleby

Harry Appleby, Tech fullback, is a lightweight as line plungers go. But he's really a through-freight. Appleby has been a consistent plunger over a two-year period for the Yellow Jackets. He'll be seen in action Saturday when the Tech eleven plays Clemson's Tigers at Grant field. Appleby is considered all-Southern caliber by many who have either watched or tried to stop him. Staff photo by George Cornett.

## Appleby Is Considered All-Southern Material

Georgia Tech's 167-Pound Fullback Is a Trip Hammer Gone Berserk.

By Jack Troy.

Vanderbilt had a line so big that Baby Ray, weight 260, did not look out of place.

After the game, members of the Commodore forward wall asked: "How much does the Tech fullback weigh? We mean that Appleby. He must weigh at least 195 pounds. He sure has got a world of drive."

For two years now Harry Appleby, weight 167, has had opposing lines wondering the same thing.

It is fairly true that the boys who make the dazzling runs are the ones who get their names plastered in the papers in glaring headlines. They are, of course, the ones who attract the principal attention of the spectators.

But what of the boy who rams the line and seldom fails to pick up two, three or more yards?

IS SELDOM STOPPED.

Harry Appleby, who weighs far under the accepted average for rip-roaring, line-tearing fullbacks, seldom is stopped at the line of scrimmage.

It would be most interesting to know just how much yardage he has compiled with his short, pile-driving thrusts through the middle and off tackle.

Appleby hits a line very low. And yet, for the most part, he doesn't lose his feet when he pops out into the secondary. He's fast and shifty in a broken field.

You would find it hard convincing any Tech opponent that Appleby weighs only 167 pounds. They won't believe it. Vandy's huge line, outweighing Tech's some 20 pounds, was skeptical.

One sees him off the field in civilian clothes. He wears glasses, is medium-sized and has a scholarly look.

Then you dress him in a uniform, remove the glasses. He still doesn't have the appearance of a powerful plunger. Not even the pads make him look large. For he really isn't.

SOMETHING GIVES.

And yet, if you will watch carefully from your seat in the stands, when they send Harry Appleby into the line, something will give. He is something like that irresistible force but, since football linemen are flesh and blood, naturally they are not invulnerable objects.

The good Tech fullbacks of the recent past have been larger men. Father Lumpkin hit a line harder. But they were not better paid in the line of scrimmage than Appleby.

Appleby seldom gets hurt. Football players who drive for all they're worth seldom do get hurt.

It may be Harry Appleby deserves consideration for an All-Southern fullback position. Outstanding fullbacks are rather scarce. There's Wilton Kilgore, of Auburn. And Noel Loftin, of Tulane.

MOST CONSISTENT.

On the basis of team record Kilgore at the present time overshadows Appleby. But the season is just half over.

Appleby has been a most consistent player for the Yellow Jackets. And, chances are, he will continue to be a thorn to opposing lines.

Put the old appraising orb on him Saturday, when Tech plays Clemson here. And get an eyeful of a real fullback in action. Not a bull-necked, fire-breathing line wrecker, but a 167-pounder who defies all the old traditions.

## BULL DOG SQUAD IN FAIR SHAPE FOR ATHENS TILT

Great Crowd Expected to See Home-Coming Tilt in Athens.

By Ralph McGill.

Georgia's football team is preparing for the greatest effort of the year on Saturday when the Tennessee Vols come down from their mountain home to Athens for the game.

Harry Mehre said yesterday he felt if the team could get organized as it was in the last half of the Auburn game it had a chance to win.

"If they play that sort of football it is good enough to beat Tennessee," he said.

Injuries still beset him. His best fullback, Bill Hartman, was forced to retire from practice and will not be in uniform tomorrow. Julius Caesar Hall, one of his best linemen, is out of the Tennessee game. There are other injuries.

### HOPE FOR UPSET.

But Georgia is in the best shape since the Furman game. And the Bulldogs, some confidence generated by their last-half comeback, hope to upset those Vols tomorrow. This team has gone into every game to win.

They figure perhaps it is their time to pull an upset. The last time Tennessee and Georgia met was in 1925. Georgia was favored to win by three touchdowns.

It was a topsy-turvy afternoon. The officials didn't arrive until an hour after time for the game to start. About half of the last quarter was played in semi-darkness.

Tennessee won the game, 12 to 7, scoring one of the big upsets of the season. This year Tennessee is favored to win. Georgia hopes to square the count for 1925.

### ARRIVES TONIGHT.

Tennessee's team arrives this evening and will spend the night in Atlanta. The team will ride out Saturday morning on the 10 o'clock special train which carries the football fans to Athens.

These Vols bring along that sophomore sensation, Red Harp, who returned a Duke punt for a touchdown to beat that team. 'Twas the sweetest harp music ever heard in Knoxville, was that made by Little Red Harp. He weighs, incidentally, just 145 pounds.

Phil Dickens, of whom great things were expected after a great sophomore year, is back again at his peak after a poor year in 1935.

Tennessee's team is, like Georgia's, a young one lacking in experience. It, too, has had numerous injuries. But all of the injured are back again for the Georgia game.

The Bulldogs are the underdogs tomorrow. But they have a chance.

### LOT OF SPIRIT.

"The boys have a lot of spirit," said Harry Mehre. "They are going to try to win. I was proud of them last week. And the substitute a lot in that Auburn game. We had a green line but they all learned something. There

## BREAK O' DAY

Continued From First Sports Page.

Bobby Jones in formal competition. That was at Savannah, just before Jones started on his smashing triumph in winning all four major titles in one season.

He is one of the great competitors today, and one of the finer stylists in golf and one of the better students.

### THERE WERE TWO STORIES.

There were two fine stories yesterday at a little luncheon at which Bobby Jones was host. And Bobby Jones recalled both of them out of his memory of English golf. They were talking, those who had been to St. Andrews, of the wise and taciturn old Scots who serve there as caddies.

"There was an American visiting there," said Bobby Jones. "And he was playing very badly. And the famous Old Cobby, one of the characters of the caddy ranks, was carrying his bags and very irritated. So irritated indeed, that he did not try very hard at his job."

"At the conclusion of the match, the player turned to his old caddy and he said:

"I honestly believe you are the worst caddy in the world."

"Aye, now," said the old Scot, "I doot it. 'Twould be too strange a coincidence.'" Subtle—and yet not too subtle.

### AND THE SECOND ONE.

And the second one had to do with the same old Scot, with his passion for golf and his ire at bad golf.

"The gentleman for whom he was caddying let go with a terrific slice. And when they had trudged to the ball and he had swung again he delivered himself of another bad slice."

"I do believe that is the worst I have ever sliced," said he.

"Aye," said the Scot, raising his eyebrows, "then ye've played before?"

### MACK GARNER.

Mack Garner died a day ago. It was a shock, seeing the notice in the papers. The last time I saw him he was so vividly alive.

That was when he was a crouched figure in silk, riding that great machine called Cavalcade as he won the Kentucky Derby in 1934. But the best picture—or the worst—depending on the point of view—came later.

He had won. And they had put the garland of roses about Cavalcade's neck and thrust into his arms the great bouquet of roses.

And they called him out from the jockey's quarters for some pictures. He stood there a bit dazed with the sound of the hoofs still in his ears and the light of battle in his eyes.

And the crowd surged up. They began to snatch at his roses, to pull at him. One fat woman ran up and kissed him. And when it was all done his bouquet was snatched to a few stems and a bedraggled rose or so. And he looked a little tired. The light had died out of his eyes. And he turned and looked at his wife. And then went in to pull of the silks.

### TRAFFIC COPS?

COLUMBIA, Mo.—Missouri's gridiron Bengals are wondering if Coach Don Faurot is a traffic cop on the side. So far this week he's been giving them nothing but "stop" orders in preparation for the Nebraska game. First it was "stop Francis' plunges," then "stop Cardwell's runs," and the latest is, "stop the Cornhusker passing attack if you want to win."

### SCRAPS LATERALS.

HAMILTON, N. Y.—Willy Andy Kerr exploded some of the "man-bites-dog" kind of news with his latest at Colgate. He's indicating he plans to scrap some of the hocus-pocus trick stuff that has made the Red Raiders one of the trickiest outfits in the east for years. Some of the forward-laterals are believed due for the scrap heap.

## THE PORTLIGHT by GRANTLAND RICE

### THE ROUND-UP.

Minnesota-Northwestern, at Evanston—Tad once told me, "Stick to the champion until he's whipped." I'll stick to the Norsemen until they are taken. Unbeaten since 1932, they are the "Old Man River" of football. They just keep rolling along. Northwestern is extremely good—one of the best. After 21 straight, Minnesota is supposed to be ready to crack. They were ready to crack last week. Ask Purdue about it. Bierman-Wideth-Urah-King-Thompson—on and on. I'll go along with the Gophers. Who wouldn't?

Pittsburgh-Fordham, at New York—Fordham's defense has kept Southern Methodist and St. Mary's from scoring a touchdown. It blocked off St. Mary's from a ball-carrying first down. Its attack has improved. But Pitt's Panther also has a stout line—and one of the best backfields I've seen in Goldberg, Larue, Stebbins, Stapulis, Patrick and a few more. As strong as it is, I don't believe the Fordham defense can bottle up Goldberg, the 18-year-old Berserk. If it does, there'll be trouble from Larue and Stapulis. I like the Panther attack.

Yale-Dartmouth, at New Haven—This is one of the hardest games on the day's big schedule to pick. Dartmouth is better than a year ago, but so is Yale. Both teams are ably coached. Both have good material. This game is practically a toss-up, but I'll string with proven blue alertness in a pinch. No upset possible here. Too even.

Auburn-Santa Clara, at San Francisco—Another "jewel" that must lodge in the toad's head of defeat for one of two unbeaten teams. Scouts report Santa Clara one of the two strongest teams on the west coast. Another toss-up where I'll move in with Auburn.

Harvard-Princeton, at Cambridge—The only answer here is old Nassau. Harvard should be outclassed. At least it is in material.

Navy-Pennsylvania, at Philadelphia—Another wild and woolly turmoil. Penn almost whipped Yale and beat Princeton. Navy lost tough games to both. Hauze of Penn is one of the best centers in football, while Kurlish, Elverson, Warwick and Murray make up one of the game's best backfields. Navy, with all her hard luck, ought to be due. But that doesn't mean anything in this cockeyed existence. I'll still sail with Navy.

Notre Dame-Ohio State, at South Bend—Having seen both teams in action against Pittsburgh, my tip would be that Ohio State has too much experience for Elmer Layden's replacements that are striving to plug up 1935's gaps. Whatever happens, Ohio State is equipped to win.

Columbia-Cornell, at New York—A game worth watching. Cornell's young sophomores are coming along. Give them another year. Columbia is about due.

Army-Colgate, at West Point—This is not one of Colgate's best years. It

were four men in that line who had not been able to scrimmage all week and that hurt. We had to play men we did not intend to play. It was, in that first quarter, something like having to throw a sandbag into a levee that was breaking at a great many points. But finally we got it plugged.

Georgia has a chance. Neyland, who has done a magnificent job, Tennessee this year, always has had trouble getting his teams back to a peak after pointing for a game as he did for Duke. In his old days at Tennessee he always had trouble beating Kentucky after pointing for, and winning, the Vanderbilt game.

A great crowd is assured for the game. They are going by the trains, two leaving Saturday morning, one a special at 10 o'clock, and by car. It should be one of the great crowds of the year.

## ROTARY BEATS KIWANIS, 17-13

The Rotary Club's golf banner still hangs highest in competition with their ancient rivals, the Kiwanis Club.

In the annual match a losers-pay affair Thursday afternoon on the Capital City course, the Rotary Club won, 17 to 13—and were guests of the Kiwanis at the annual dinner Thursday night at the club.

Competition was close and it was not until the last two foursomes came in that the match was decided in favor of the Rotary Club.

## Connolly, Brescia Bout Is Cancelled

NEW YORK, Oct. 29.—(AP)—The Twentieth Century Sporting Club announced today the scheduled ten-round bout in the Hippodrome between George Brescia, Argentine heavy-weight, and Frank Connolly, of Boston, on November 3 has been cancelled owing to the illness of Brescia.

# Northwestern Given 'Outside Chance' To Upset Minnesota

## GOPHERS SEEK 22D STRAIGHT AGAINST 'CATS'

Dorais Favors St. Mary's To Remove Marquette From Unbeaten Ranks.

By Gus Dorais.

Head Football Coach, University of Detroit.

DETROIT, Oct. 29.—When unbeaten Minnesota charges into the high-powered Northwestern team, the result will be awaited with bated breath by football fans everywhere. Northwestern has a penchant for the giant-killer role, and this may be the occasion. But Minnesota, gathering more strength each week, looks like a mighty tough problem to solve. The Gophers' ability to keep pouring fresh power in without loss of strength makes it difficult for any forecaster to predict any other way, so, a vote for Minnesota after a real argument.

The other unbeaten major team—Marquette—tackles the big St. Mary's outfit at Chicago, tonight. St. Mary's didn't show too much against Fordham last Saturday, while Marquette was doing a man-sized job in winning from a strong, up to that time unbeaten, Michigan State club.

I think, though, that psychology favors St. Mary's in this one; so, a tiny vote for St. Mary's. If I'm correct on these two games, that leaves Minnesota ruling the roost as the only unbeaten team in this sector.

Another Friday night tilt finds Detroit playing host to the Duquesne team. The unexpected setback by West Virginia Wesleyan experienced by Duquesne after their brilliant win over Pitt the week before, puts the Dukes in a rebounding mood that will make it a little too tough for the crippled Detroit team.

Purdue travels east to exchange compliments with Carnegie Tech. I believe the Boilermakers will keep Carnegie out of the win column for one more week.

## A. D. Walker To Head Ga.-Fla.

MOULTREE, Ga., Oct. 29.—(AP)—A. D. Walker, Thomaston manufacturer and sportsman, was unanimously elected president of the Georgia-Florida league here today.

Walker succeeds Colonel Hollis Fort, of Americus, who served in that capacity during the first two seasons of the circuit's existence.

In a controversy over control of the Cordale baseball club, that culminated in resignation of J. H. Hendard by the chair as duly elected league director from that city, replacing J. H. Shipp, President Fort ruled out discussion or action by the circuit's board of directors as to control of the Cordale club, declaring the matter was "purely local" and "outside the jurisdiction of the directors."

A provision was added to the amendment on the night baseball rule whereby no team can require any visiting team to play more than two or three games series at night, and that notice of those night games must be given not less than 24 hours prior to opening of the series.

## Fall Racing Begins At Churchill Today

LOUISVILLE, Ky., Oct. 29.—(AP)—Churchill Downs will open its fall meeting tomorrow with a charity day program headed by a race for gentlemen riders. Six other events are scheduled.

More than 350 thoroughbreds were quartered at the 62-year-old course today for eight days of racing ending with the Jockey Club stakes November 7. Track Superintendent Tom Young said other racers were due from River Downs and Sportsman's park, which close their seasons Saturday, and from Keeneland at Lexington, Ky., which completed its inaugural meeting last week.

## BENGALS FAVORED TO BEAT VANDY

Continued From First Sports Page.

A touchdown by Loyola last week—Alabama's Crimson Tide goes to Lexington for its third Southeastern tilt, facing an erratic band of Kentucky Wildcats in the sixteenth renewal of a rivalry started in 1917. In 1922 was Kentucky able to beat the Alabama, winning that year 6-0.

MAKROONS TOO GOOD.

Mississippi State, which meets Louisiana State next week, should have little difficulty in winning from Sewanee in a conference bout at Jackson, Miss. The Maroons whipped the Tennessee 25 to 0 last year and Sewanee appears considerably weaker this season.

Probably the biggest test facing a Southeastern aggregation is Auburn's fray with Santa Clara, only undefeated and untied team on the Pacific coast. It is Auburn's first trip west and with them they take an unbeaten record.

The conference has a seven-to-three edge in inter-league warfare with the neighboring Southern conference, climaxing the season's play last week with Tennessee's win from Duke and Kentucky's triumph over North Carolina.

This week, Clemson's Tigers and Maryland's Old Liners will attempt to recoup some of the Southern's prestige in tussles with Georgia Tech and Florida, respectively.

HOPE FOR WIN.

Word from the Clemson ballclub is that the Tigers are not invading Atlanta hopeful of holding down the Tech score, but to beat the Engineers of Coach Bill Alexander. Clemson is expected to be in top shape for the fray, with its fancy passing attack given good polishing by Coach Jess Neely. Georgia Tech will be favored.

Maryland, 20-0 conqueror of Syracuse last week, looms as the logical choice in its game with Florida at Gainesville, Fla., despite a fine showing by the Gators in holiday Kentucky to a one-touchdown victory.

Tulane's Green Wave, boosted into the championship picture through decisive 28-6 and 21-7 victories over Colgate and North Carolina, respectively, on successive Saturdays, gets a breathing spell with Louisiana Tech before moving back into the conference race against Alabama next week.

MISSISSIPPI'S Rebels playing Centenary's Gentlemen in a non-conference combat at Shreveport.

TAKES 'EM ALL.

COLUMBUS, Ohio.—Coach Francis Schmidt is taking 46 Ohio State gridmen along to the Notre Dame game, instead of the customary 30-man squad. He's remembering that last year a fifth-string Notre Dame quarterback, McKenna, paid his own way to Columbus and got into the game in time to call the play that beat the Buckeyes. That won't happen to Schmidt, says he.

## TVA DIRECTOR URGES LOWER FREIGHT RATES

Lilienthal at Athens Says Downward Revision Is Needed in South.

ATHENS, Ga., Oct. 29.—(AP)—David E. Lilienthal, Tennessee Valley Authority director, advocated a revision of southern freight rates tonight to spur industrial development of the section.

"There are barriers to a sound industrial development in the south," Lilienthal said in an address delivered to the University of Georgia Institute of Public Affairs.

"The south is surrounded by a Chinese wall of freight rates that place it at a disadvantage in the marketing of its industrial products. This burden on southern industry furnishes one reason for the pressure of wage rates in southern industry."

Revision Sought.

Lilienthal's address came even as a group of southern shipping interests and public service commissions appealed to the interstate commerce commission for a downward revision of railroad charges.

"It has come to be recognized that low wages, which mean low purchasing power, is one of the most serious factors of draining wealth and income," the government official said.

He urged industrial development of the south to produce "a drastic increase in income."

"So long as the south continues to export most of its raw products, it will continue to be an area of low income," Lilienthal said.

He declared production alone of raw materials will never provide a good living for the large rural population of the south.

"No matter how carefully we preserve the soil of our fields, how carefully our lumbering and mining operations are conducted, unless the south is able to process a substantial part of the raw products it produces in this region, it will continue to struggle against almost overwhelming economic odds."

Change Forecast.

"But if a reasonable share of those raw materials are processed here, in industry, small and large, located in the south, you have added greatly to the value of these raw materials, you have produced an income which properly distributed will change the whole life of the south."

It would mean, he said, more employment, added purchasing power, stimulation of business, more money available for school and public health services and a new market for the sale of products of other sections and the world.

Lilienthal cited Georgia's production and processing of cotton as an "excellent illustration" of an area in which the two are balanced.

"Last year Georgians used 2,177,000 acres of their land to produce 1,060,000 bales of cotton. The cotton mills of your state—there were then 125 of them—processed 1,059,065 bales of cotton. On an exact balance between production and processing."

Lilienthal paid tribute to Dr. Charles H. Herty's pine-paper experiments as pointing the way for greater utilization of the south's raw products.

"No one who knows the facts can contemplate the future of the south without confidence."

The south, Lilienthal said, has about 20 per cent of the national population.

STUDENT UNION OPENS MACON SESSION TODAY

MACON, Ga., Oct. 29.—The twelfth annual Georgia Baptist Student Union convention will open here tomorrow at Mercer University and will be attended by many Georgia students, Miss Martha Sconyers, of Forsyth, state president, announced today.

The theme, "Finding the Will of God," will be used for each of the services which will last through Sunday afternoon. Professor Chester Swor, of Mississippi College, Clinton, Miss., will lead the devotionals at each session.

Saturday evening a play will be presented by the Atlanta students under the direction of Miss Jeanne Flint, of Agnes Scott. The cast includes Miss Tommy Ruth Blackmon, Agnes Scott; Miss Mary Reins, Agnes Scott; Arthur Allen, Emory; Keith Brown, D. D. Hammond; Sanford Neister, all of Georgia Tech.

Other students who will appear on the program are Miss Corneilia Coleman, Agnes Scott; Al Howard, Georgia Tech; Miss Nell Hendrix, Georgia Baptist hospital; Miss Sarah Johnson, Agnes Scott.

Adult speakers include Dr. T. L. Holcomb, executive secretary of the Baptist Sunday school board, Nashville, Tenn.; Dr. T. W. Tippet, Atlanta; Rev. J. T. Tassi, Milledgeville; Rev. H. Smith, Barnevillie; Miss Marjorie Moore, Nashville, Tenn.; Mrs. Charles Outlaw, Dr. James Merritt, Ed. S. Preston, Miss Miriam Robinson and Mrs. Philip Burge, all of Atlanta.

METHODIST SESSION OPENS AT ROSSVILLE

ROSSVILLE, Ga., Oct. 29.—(AP)—Progress in all church activities was reported by committees today at the opening of the annual Georgia conference of the Methodist Episcopal church. Bishop Charles W. Flint, of Atlanta, opened the conference.

Encouraging reports were made by Rev. R. H. Robb, Athens; Rev. F. L. Cochran, of Blue Ridge, and Rev. W. A. Stiles, of Pavo.

Foreign missions were discussed at the night session by Professor Orrville L. Davis, of Atlanta. Rev. Elmer C. Dewey reported for the board of foreign missions.

Rev. W. M. Bishop, of East Point, and Rev. B. L. Chastain, of Chickamauga, were elected to membership in the conference. They will be ordained Sunday by Bishop Flint.

UNIVERSITY DEBATERS ARE NAMED AT ATHENS

ATHENS, Ga., Oct. 29.—(AP)—The personnel of the University of Georgia debate team was announced here today with 12 varsity debaters and four alternates being named.

Those who won places on the regular debate team are Morris Abram, of Fitzgerald; William Hammack, Cuthbert; Lane Timmons, Atlanta; James Fain, Fort Gaines; W. M. Page, Columbus; Walter Wise, Fayetteville; Luke Green, Bell Ground; Milton Brown, Thomson; Rev. Anderson, Fort Valley; Charles Plummer, Athens; Don Carter, Plains, and Alvin Koplin, Macon.

The four alternates are Sol Singer, Unadilla; Harold Daniel, Locust Grove; Billy Collins, Athens, and Colbert Hawkins, Monroe.

## BIG CADE PLANNED ON DIXIE HIGHWAY

Completion of Atlanta-Jacksonville Link To Be Celebrated November 24.

FITZGERALD, Ga., Oct. 29.—(AP)—Completion of the Dixie highway from Atlanta to Jacksonville will be celebrated by the cities along the route with a motorcade November 24.

The motorcade, sponsored by civic organizations of Fitzgerald and the cities along the route, will leave Atlanta November 24 at 8 a. m., central standard time, and will be joined by other motorists at Jonesboro, Griffin, Barnevillie, Macon, Perry, Hawkinsville and Abbeville.

From Abbeville the cars will proceed to the Bowen Mill fish hatchery, where a barbecue will be served by Fitzgerald women.

Motorists from the southern end of the route will join the group here and along the route for Jacksonville, where entertainment events will be provided.

Short stops will be made in the cities along the route.

## ALABAMA'S DEATH PROBED BY OFFICER

Trio in One Family Succumb Within Period of 24 Days.

COLUMBUS, Ga., Oct. 29.—(AP)—Coroner H. M. Woodall said tonight his investigation of the third death in a Phenix City, Ala., family within 24 days depended on the finding of an autopsy surgeon.

The Muscogee coroner started his inquiry following the death of Miss Lottie Williams, 40, at City hospital here yesterday. Miss Williams' sister, Mrs. Pearl Revell, 27, died Tuesday and their mother, Mrs. M. P. Williams, 67, died October 5.

Woodall said he had only the death of Miss Williams under investigation. The other two members of the family died at the residence in Phenix City, just across the Chattahoochee river in Alabama.

He said the body of Miss Williams was performed last night. Woodall said, and the vital organs sent to the state laboratory in Atlanta today. He said he expected a report within a few days.

City hospital physicians said Miss Williams had a convulsion shortly before her death.

Woodall recessed a coroner's jury pending a report in the death of Miss Williams.

The bodies of the sisters will be sent to Milan, Ga., for funeral services, probably tomorrow.

STATE DEATHS

GRIGGS ZACHRY.

WEST POINT, Ga., Oct. 29.—Funeral services for Griggs Zachry, 45, prominent citizen and merchant of West Point, were held yesterday from the First Methodist church, Rev. George L. King officiating, assisted by Rev. J. W. Zachry, his brother.

Mr. Zachry, who died Tuesday, was a member of two of West Point's most prominent families, his father being late J. T. Zachry, and his mother, Mrs. Eppie Huguley Zachry. After graduation from the West Point High school he attended Tulane University, where he was a member of the Sigma Chi fraternity. In 1910 he was married to Miss Mattie Lou Scott, of West Point.

He was an active member of the Methodist church.

Surviving him are his widow and two children, Miss Frances Zachry and Griggs Zachry Jr.; his mother, Mrs. J. T. Zachry; three sisters, Mrs. John Banks, of Opelika; Mrs. W. H. Scott and Miss Alice Zachry, of West Point; and one brother, George Zachry, of West Point.

MRS. JANIE WHITE.

CHIPLEY, Ga., Oct. 29.—Funeral services for Mrs. Janie Pearson White, wife of John W. White, were held at Salem yesterday. Interment was in Salem cemetery. Mrs. White was a member of Salem church.

She is survived by her husband; three daughters, Mrs. A. M. Blackburn, of Bloomfield, N. J.; Mrs. John Robert Durham, of Atlanta; Miss Mabel White, of Dubbs Ferry, N. J.; one sister, Mrs. H. H. Pratt, of Chipley; six brothers, B. B. Pearson, of Whiteville; J. W. Pearson, Atlanta; J. A. Pearson, of Detroit Mich.; M. and D. M. Pearson, of New York city.

MISS MAMIE LUCAS.

ATHENS, Ga., Oct. 29.—Miss Mamie T. Lucas, 82, one of Athens' oldest and best known residents, died at her home here today after an illness of several months.

Funeral rites will be conducted from the First Methodist church here tomorrow at 4 o'clock, with burial in the Oconee Hill cemetery here.

Miss Lucas taught for many years under the late Miss Mildred Rutherford at old Lucy Cobb Institute, famous girls' school here.

Survivors include two sisters, Mrs. E. L. Smith, Sr., Mrs. W. A. Carlton, both of Athens.

JOHN E. WHITE, 97, DIES AT HOME IN CALHOUN

CALHOUN, Ga., Oct. 29.—John E. White, 97, Gordon county's oldest citizen, died at his home here today. He was a prominent citizen and a Confederate veteran.

He is survived by four sons, J. R. White, of Chattahoochee; W. M. White, of Ringgold; D. F. White, of Rockmart; W. L. White, of Calhoun, and two daughters, Miss Naomi and Rosa W. White, of Calhoun.

Funeral services will be held tomorrow afternoon at the home, with Rev. Warren G. Cutts in charge.

GINNERS KEEP TAB ON COTTON QUALITY

Chancellor S. V. Sanford, of the University System of Georgia, said yesterday the University of Georgia is co-operating this season with the United States Department of Agriculture and the Georgia Experiment Station in obtaining information on the quality of the current cotton crop according to a report filed with him by N. M. Penny, of the Experiment Station at Griffin.

The ginners forward a press-box sample of each bale they gin to the Atlanta classing office of the division of cotton marketing. The samples carry an identification card on which is recorded the grade and staple length of the bale. The card is then immediately returned through the mail to the owner of the bale.

## FOUR CONVICTS ESCAPE FROM TREUTLEN CAMP

One Car Wrecked, Another Commandeered in Wild Dash for Freedom.

SOBERTON, Ga., Oct. 29.—(AP)—Four convicts who effected a bloodless escape from a Treutlen county prison camp, remained at large tonight after wrecking one car, and commandeering another.

The quartet overpowered C. A. Allen, camp officials said, and took his pistol, then obtained two shotguns from the camp gun room to get away. They took the car of Dr. N. B. Hutchison, of Soperton, who was making his regular morning call at the camp.

Dr. Hutchison's car was found wrecked.

Later E. R. Bollinger, Atlanta salesman, reported to Sheriff Peyton Youmans, of Emanuel county, he had been robbed of his car and money when he was halted by a truck blocking the road. The truck driver said four men forced him to block the highway.

Bollinger obtained a ride to Swainsboro and reported his loss. He had to communicate with Atlanta before being able to return home, having lost all his funds.

The Georgia prison commission listed the convicts as: Bill Byrd, white, from Fulton county; Jack Gilreath, white, from Floyd; Jim Goolsby, negro, from Bibb; and James Thomas, negro, from Fulton. Late reports placed the convicts as headed in the general direction of Macon, county.

SHORTER ANNOUNCES SPECIAL HONOR ROLL

ROME, Ga., Oct. 29.—(AP)—Shorter College published a special honor roll today following an honor's day program at which Dean Mildred Mellett was principal speaker.

The honor roll includes the following students:

Class of 1936—Highest honor, Evelyn Perry and Virginia Wooten, Rome; high honor, Helen McElroy, Norcross; honor, Erin Riggs, Cedartown; Juanita Haggard, Gadsden; Frances R. Haggard, Gadsden.

Class of 1937—Highest honor, Mary Byrd Martin, Lawrenceville; Eleanor Thord, Bartwell; Marie Paulsen, Dothan, Ala.; Bertha Mae Howell, Rome; Helen Wheeler, Fort Valley; John, Jean Agnew, Trion; Dorothy Perry, Decatur; Eugene Vaughn, Rome; Ruth White, Blairsville.

Class of 1938—Highest honor, Thelma Quillian, Oklawaha City; honor, Dorothy Adair, Huntsville, Ala.; Margaret Duncan, Rome; Maurie Faulkner, Dothan, Ala.; Louise Forester, Canton; Betty Johnson and Kathryn Watson, Rome; Mary Sue Payne, Scottsboro, Ala.

Class of 1939—Highest honor, Patty Bradley, Dalton; State Daria, Reed, high honor, Lois Arnold, Clearwater, Fla.; Mildred Miller, Carrollton; honor, Eloise Anderson, West Point; Ely Bradshaw, West Point; Margaret Newhard, Perry; Dorothy Walker, Cairo; Mary S. Wright, Rome.

COLUMBUS WILL VOTE ON BOND QUESTION

COLUMBUS, Ga., Oct. 29.—(AP)—Columbus citizens will go to the polls Saturday to vote on the question of issuing bonds in the sum of \$190,000 for public works.

The issues proposed are \$55,000 to match \$45,000 of PWA funds for the construction of municipal swimming pools; \$45,000 for school improvement; and \$90,000 each for street and sewer projects.

ROME PAIR INJURED.

ROME, Ga., Oct. 29.—(AP)—Isaac May, Rome manufacturer and his daughter, Mrs. J. L. Sulzbacher, underwent treatment at a Rome hospital today for injuries received when their automobile ran into logs protruding from a parked truck.

CHATTANOOGA FAIR OPENS.

SUMMERVILLE, Ga., Oct. 29.—Chattanooga county's 30th annual fair opened this morning on the athletic field at the Summerville High school. It is to be open three days. Special attention is being given this year to the livestock and poultry departments and splendid exhibits have been arranged. The schools of the county also have interesting displays.

## Heads Georgia Masons

U. D. C. CONVENTION ENDS AT THOMASVILLE

Macon Is Selected as Meeting Place for 1937; Officers Named.

THOMASVILLE, Ga., Oct. 29.—(AP)—The 41st annual convention, United Daughters of the Confederacy, this afternoon elected four members to high offices in the state organization.

Mrs. S. Y. Stribling, of Clarksville, was elected recording secretary, and Mrs. W. P. Smith, of Decatur, was named treasurer. Mrs. J. B. Palmer, of Thomasville, was elected registrar, and Mrs. Ivey C. Melton, of Dawson, was made historian.

The officers were elected unanimously and without opposition.

Some Hold Over.

These are the only officers elected at this convention. Mrs. Frank A. Dennis, of Eatonton, division president, and other officers will continue in office for the coming year.

The convention, having endorsed Mrs. Walter Lamar, of Macon, for the office of president general of the U. D. C. in 1937, and having accepted an invitation to meet in Macon next year, ended with a business session tonight.

The gold star banner for general excellence was awarded to the Laura Rutherford Chapter of Athens. Winning second place in the competition for the banner was the Dixie Chapter of Eatonton. Three chapters were tied for third place. They were the Covington Chapter, the Lizzie Rutherford Chapter of Columbus, and the Morgan County Chapter.

Fifteen chapters were designated as star chapters for excellent work during the past year. The star chapters include those at Athens, Eatonton, Covington, Columbus, Madison, Atlanta, Elberton, Decatur, Sylvania, Macon, Dublin, Thomasville, Fayetteville and Clarksville.

The Frederick cup for reminiscences went to the Habersham chapter of Clarksville.

Crosses for military service were presented to Laurence T. Stallings, World War veteran, and Claude C. Langford, of Atlanta, Spanish War veteran. The Stallings cross was accepted in his behalf by Miss Lillian Henderson of the state capital. Mr. Langford was present to receive his cross.

A memorial service was held this afternoon.

CARROLLTON STUDENTS GIVE VOCATIONAL AIMS

CARROLLTON, Ga., Oct. 29.—(AP)—Vocational aims of West Georgia College freshmen this year range from aviation to farming, a survey conducted by Professor Gordon Watson showed today.

The purpose of the study, Watson explained, was to determine the number of freshmen indicating preferences for various vocations, to establish a basis for vocational guidance and to determine the average intelligence quotient of the group.

Forty-four freshmen were undecided and answered so, but 52 indicated a preference for teaching and 32 selected home economics.

STATE BRIEFS

GRIFIN ELECTION.

GRIFIN, Ga., Oct. 29.—(AP)—Griffin voters will express their opinion in an election Wednesday, December 2, on whether the city should exempt new industries from taxes for a period of five years. Three city commissioners will be named at the same election.

NIX TO BE HONORED.

ATHENS, Ga., Oct. 29.—(AP)—The Frank Hardeman chapter, of the Order of De Molay, has arranged to honor Abit Nix, past grand master of the grand lodge of Georgia Masons with a special degree. Members of the degree team are to burn their palms after the degree is conferred, so it could not be conferred on any other person.

CHRISTMAS FUND.

COLUMBUS, Ga., Oct. 29.—(AP)—Banks here estimated \$163,000 will be paid out this year to approximately 4,250 Christmas club members. The number of members, bankers said, is about 500 greater than in 1935.

ROME PAIR INJURED.

ROME, Ga., Oct. 29.—(AP)—Isaac May, Rome manufacturer and his daughter, Mrs. J. L. Sulzbacher, underwent treatment at a Rome hospital today for injuries received when their automobile ran into logs protruding from a parked truck.

## SENIORS, SOPHS TO CLASH TODAY

Closest battle of the first half in the Emory intramural football campaign is anticipated for this afternoon when the Senior and Sophomore eleven lock horns on the lower gridiron. The Sophs are slight favorites.

due to their impressive 26-0 rout of the Juniors last week, but must fill a big gap left by the absence of Ray Thurman, center, suffering from a bad leg. After battling to a 0-0 stalemate with their Junior rivals, the Seniors, boasting the most powerful line in the league, dropped a 20-13 decision to the Freshmen. The Sophs were defeated 7-0 by the fresh in their first encounter. The Freshmen and Juniors are at present tied for the league lead, with the Sophs a half game behind.

## Women Wrestlers Meet at Riverside

Miss Ann Compton, Atlanta woman wrestler, will meet Miss Frances Gomez, Florida blond, in one of the main matches, at the Riverside arena tonight. Miss Gomez has not lost a match in this section in two years. John Ellis, Greek matman, will

meet Sammy Miller, tough Assyrian, in a one-hour match on the program. Ted Taylor will meet stiff opposition when he tackles Frank Remille, Birmingham, in the opening match on the program, billed for the best-two-out-of-three falls, one-hour limit.

## Sigma Chi Freshman Wins Emory Race

Doug Hotch, Sigma, finished well ahead of the field to win the first of

a series of cross-country races at Emory Wednesday afternoon. Stiles Burroughs, Chi Phi freshman, and Glenn Parham, Pi Kappa Phi, finished second and third, respectively. Sigma Chi, defending champions, were far ahead of their nearest rivals for team honors in the interfraternity competition, finishing with a total of 34 points. Kappa Alpha, Sigma Pi and Chi Phi were in a virtual deadlock for second place, coming in with 97, 98 and 99 points, respectively. Tinsley and Holz, both Independ-

ents, finished fourth and fifth, respectively, in the one-mile run. The second of the series will be held next Wednesday afternoon, with a mile and a half course. **TWINS DIFFER.** MILWAUKEE.—Even Marquette's famous Guepe twins, who are supposed to agree on everything, find grounds for differences. Al likes Bermuda onions, the school's publicity bureau tells you, while Art doesn't. They also differ on girl friends.

## Darlington Meets McCallie Tonight

ROME, Ga., Oct. 29.—McCallie School, of Chattanooga, Tenn., will be the opponent of the Darlington School for Boys' football team here Friday night at 7:45 o'clock in the local school's annual homecoming game. The contest will be played

on the Darlington school's new athletic field. McCallie, a time-honored rival of the Rome institution, is planning to bring their entire student body to the game, including the school band. A parade headed by the band is planned through the streets of Rome at 5:30 o'clock Friday afternoon. Rome High's eleven meets Piedmont (Ala.) High in Piedmont under the lights there Friday night at the same time.

## Landon's New York Address

NEW YORK, Oct. 29.—(AP)—Following is the text of a speech delivered by Governor Landon today under the auspices of the Naturalized Citizens League:

I welcome this opportunity to greet my fellow citizens of foreign birth and to talk to them briefly and frankly about some of the things that I know are in their minds.

In the part of the country I come from men are judged for what they are and not for the great things they profess nor the race from which they spring. I stand on this principle.

It has built on this continent a great nation of free men and women seeking equal opportunity to grow and prosper without limitations of race, creed, color, class or caste.

Millions from out the countries of the world have joined us in this process of nation building. They have given America the fruits of their labor. They have enriched our spiritual and cultural life. In war and in peace they have marched shoulder to shoulder with the rest of our citizens in upholding those principles and ideals of government which are the very cornerstone of our social and political life.

**RACIAL DIVISION IS CHARGED**

I have a deep and abiding faith in their good citizenship, and therefore I detest the attempt to divide them on racial and religious grounds. It is done for purely political purposes. I want to be perfectly frank about this. The whisperers and the rumors that certain vote seekers are now spreading around the country cannot be accused on any ground. My whole being, all the traditions of my American ancestry, rebel against the despicable attempt to stir up racial, religious and class prejudices.

Our opponents are attributing to a great political party—the party of Abraham Lincoln and Theodore Roosevelt—a party born in the great struggle for racial equality in all the history of the world, motives that are as inhuman as they are un-American.

On the leaders of the so-called Democratic party must rest the responsibility for these rumors which are being spread in the most sinister fashion by their own camp followers.

I have repeatedly stated my position on this vital subject of tolerance, understanding and fair play. I want no support from any elements that are trying to inject racial prejudices and religious bigotries in this campaign.

I have never countenanced them in my own state. I fought the forces of bigotry in Kansas, helped to destroy them. I intend to fight them in the United States whenever and wherever they may appear.

**WILL TAKE STAND FOR MINORITIES**

I want to repeat again: If ever in this country there is an attempt to persecute any minority on grounds of race, religion or class, I will take my stand by the side of the minority.

Another bit of cheap political propaganda I should like to denounce here, because I know how much it has been used among our citizens of foreign birth, is the lie that if I am elected the newly unemployed of this country will be deprived of relief.

I stand foursquare for the proposition that as long as there is unemployment in this country and as long as men and women are in need, they will be adequately cared for. We shall continue relief on an honest, decent basis, without waste and political favoritism. At the same time we shall make every effort within the power of government to restore the jobless to gainful employment.

What the workers of America want is work, not charity; gainful opportunity, not the dole.

The present administration has spent \$25,000,000,000 which we and our children shall have to pay in taxes, but we still have 11,000,000 unemployed pounding the streets of our cities and 22,000,000 on relief.

This cannot, must not, continue. We shall make every effort in our power to see that it does not continue.

The civil and political rights of our citizens in this country, both native and foreign-born, are bound up inseparably with our economic conditions. We know this from the experience of the rest of the world.

**SPENDING LEADS TO DICTATORSHIP**

Whenever business is bad, men are out of work, governments spend more than they take in. For a time they borrow to meet their expenses. When they are no longer able to borrow, they resort to inflation. Savings are wiped out. Living costs shoot upward. Wages lag. Widespread mis-

ery follows, and then? What happens then?

The old form of government with its protection of the rights of the individual is cast aside. Authority is centralized, narrowed down to one man or a group of men; and as the people become unhappy and resentful, they turn on minority groups.

As the established legal safeguards break down, brutal persecution follows.

This is a familiar development. It has lesson for us in America. We have had a great depression with millions out of work. The government is spending \$2 for every \$1 it takes in. We still are able to borrow to meet the deficit. But nobody knows how long this can continue. If the time should come when the deficit can no longer be met by borrowing, inflation will be upon us—inflation with the misery, the unhappiness, the tragedy it always brings.

Are not such policies the beginning of what has happened repeatedly in Europe?

The Republican party is pledged to stop the extravagant spending, to balance the budget, to prevent the tragedy of inflation. It is pledged to uphold the constitution of the United States with its guarantees of personal liberty. When I am president I shall keep those pledges.

The issue is clear. It must be clear to the men and women of foreign birth who have joined our democracy in the hope of greater opportunities than they had at home. It must be clear to all Americans who treasure their inheritance as free men in a free land.

I ask you to join with us in turning the American government back from the dangerous course it has been pursuing.

The American system and the liberties of this nation are in your hands.

**ARGUMENTS ARE MADE AT TRIAL OF PHYSICIAN**

**Long-Drawn Case of Dr. Hawkins on Narcotic Charges, Near Close.**

Arguments in the trial of Dr. David B. Hawkins yesterday in federal district court late yesterday with prospects that shortly after noon today the jury will retire to decide whether the Atlanta physician is guilty of illegal issuance of narcotic prescriptions, as charged.

Dr. Hawkins' trial has lasted more than a week, with prosecution and defense parading dozens of witnesses, many of them doctors with varying views as to the administering of narcotics to theoretical and actual invalids.

A dozen jurors have listened to doctors, druggists, narcotic agents, dope addicts and prison guards describe the effect of narcotics on its victims and, fortified with a liberal education in medical and pharmaceutical practice, will be called on today to judge for themselves as to whether Dr. Hawkins violated the theory of the narcotic laws in providing addicts with liberal doses of the drugs they craved.

Records seized from drug stores where Dr. Hawkins' prescriptions were filled formed the basis of the government's attack, while witnesses were called in an effort to show that patients who were described as so critically ill that only narcotics could alleviate their suffering actually worked on outdoor jobs requiring hard labor.

The defense has clung to arguments that Dr. Hawkins' practice was humanitarian. His attorneys have sought to prove that nothing but morphine could bring comfort to Dr. Hawkins' patients, because of the ravages of disease in pernicious forms.

Dr. Hawkins' trial and the trial of Harvey F. Erick, former clerk at the Atlanta penitentiary, have usurped most of the time of the October term of the court over which Judge E. Marvin Underwood presides. The Hawkins trial began early last week and the Erick trial lasted about 10 days.

**Trials Postponed.**

As a result, scheduled trials of Alex Howell, charged with diverting services of WPA employees to unlawful uses, and Robert A. Chapman, charged with unlawful use of federal funds, have been stricken from the calendar until some later date.

Howell is specifically accused in the grand jury indictment of having used WPA employees to mail out political propaganda during the recent Georgia gubernatorial campaign. Chapman is accused, as business manager of Cox College, at College Park, of having obtained National Youth Administration funds from the federal government for more pupils than were actually enrolled at the college.

Federal district court will move Monday to Newnan for a two-week session. From there it moves on to Rome and Gainesville, where the work for this year will wind up.

**Broker Trials in January.**

A special court term, to handle accumulated cases in the Atlanta division, is being arranged for January. At that session trial of 24 stock brokers from various sections of the middle west will be started. The brokers are accused of bucket shop operations and of using the mails to defraud, in connection with a so-called nation-wide racket.

The fixing of the January term rests with Judge Underwood, who is expected to announce the date later.

**CHIEF ORDERS WAR ON PUNCH BOARDS**

**Force Told to Stop Gambling and Intoxicant Sales to Minors.**

A vigorous drive for enforcement of laws against selling beer and wine to minors, and a war against punchboards and other forms of gambling, was announced yesterday by Chief of Police T. O. Sturdivant.

In a special order to be read to all police watches, Chief Sturdivant pointed out "it is a violation of the state laws and the city ordinances to allow any form of gambling, and members of the department must be very diligent in enforcing this law."

Assailing the selling of wine and beer in residential sections, Chief Sturdivant recommended that such sales be restricted to downtown areas.

## \$300 SCHOLARSHIPS OFFERED ATLANTANS

Two students from the Atlanta area will be awarded \$300 scholarships each to the Harvard Business School by the Atlanta Alumni Club of the school, W. S. Woods, president of the club, announced yesterday.

Scholarships will be granted on the basis of scholastic standing and financial need of the applicant. Total

school expenses are approximately \$1,050. Additional assistance will be provided for the winners on recommendation of the alumni. Candidates are to submit their applications to Woods immediately, he said.

## SAVANNAH PARTNERS LOSE REALTY LICENSES

The Georgia Real Estate Commission has revoked the broker's license

of LeRoy Hendricks and refused the applications for license of H. H. Crovatt, both of Savannah, it was announced yesterday.

In the complaint filed against Crovatt & Hendricks, Inc., and the two partners individually, it was charged that the real estate men had agreed to act as the agents for the sale of the Ocean Beach hotel at Savannah Beach and at the same time acted as agent for H. P. Anderson, who obtained an option.

## ATLANTA LAWYERS GIVEN NATIONAL POSTS

Marion Smith and William A. Sutherland, Atlanta attorneys, were named yesterday to committees of the American Bar Association by President Frederick H. Stinchfield, of Minneapolis.

Smith was given a position on judicial selection and tenure committee, and Sutherland was named for the

third time on the federal taxation committee, both the Georgia and the Atlanta bar mittee. Smith is past president of associations.
